The Autobiography of a Schizoid Personality Larry Polin, 2019-09-18 This is the remarkable story of an individual who experienced severe stress starting in the womb Growing up in a highly dysfunctional family he used intellectualization as a defense against overwhelming emotional pain A high academic achiever this young man was on the Dean s List at Brown University when he suffered a catastrophic neurological collapse Labeled as schizophrenic he was on the verge of death as his twentieth birthday approached Starting to jog he avoided his demise Four years later this individual found psychoanalyst Erich Fromm s *The Sane Society* while browsing in a bookstore Unable to work or communicate normally with people he began a long intellectual odyssey which ultimately involved the reading of thousands of books about American society Miraculously transformed by a bodywork technique developed by Moshe Feldenkrais he continued to live with severe stress due to his lack of social skills and the crazy making institutions of an aggressive society Nine years after relearning to use his body properly this man discovered psychoanalyst Alice Miller s *For Your Own Good Hidden Cruelty in Child rearing and The Roots of Violence* Reading many other books about child abuse and human

development he began to understand the reasons which had caused his ordeal This engrossing story is a unique combination of memoir and academic study People interested in psychology education human development American culture and social criticism will find much to ponder in it

Nested Ecology Edward T. Wimberley, 2009-05-29 Nested Ecology provides a pragmatic and functional approach to realizing a sustainable environmental ethic Edward T Wimberley asserts that a practical ecological ethic must focus on human decision making within the context of larger social and environmental systems Think of a set of mixing bowls in which smaller bowls sit within larger ones Wimberley sees the world in much the same way with personal ecologies embedded in social ecologies that in turn are nested within natural ecologies Wimberley urges a complete reconceptualization of the human place in the ecological hierarchy Going beyond the physical realms in which people live and interact he extends the concept of ecology to spirituality and the ecology of the unknown In doing so Wimberley defines a new environmental philosophy and a new ecological ethic

The Vaxxed Shawn A. McCastle, 2022-01-31 A deeply reported examination of why the COVID 19 vaccine terminations represent a flawed practice by American corporations driven by the same corporate exploitation that has carried news headlines pushing more employees into depressed labor You received sweet talk in the job interview but obtained sour grapes and pink slips for something basic as following through on your constitutional guarantee your right to make personal decisions about your own bodily integrity In The Vaxxed Culture War in the Workplace Shawn A McCastle a preeminent voice on business I O psychology inequality labor and non death grief examines the gritty posterior issues of the COVID 19 pandemic and the mass terminations that rock the United States Told through the lived experience of McCastle as he shares his own termination and

removal from two major organizations Allied Universal Security Services and the World Bank Group headquartered in Washington D C McCastle makes comparisons of the COVID 19 pandemic and the AIDS epidemic showing how society is no better off today than yesterday by terminating the employment of employees who refused to provide their vaccination status or submit to COVID 19 vaccination at all McCastle shows how ineffective CEOs copied and pasted other corporations policies and how the lack of corporate creativity policies and vision drove one of the most destructive labor practices in American history McCastle argues corporations need to develop effective people strategies to minimize disruptions and friction within the workplace McCastle also shows how organizations have been propped up by employees but in crunch time employees do not receive identical returns

The Narrow Way Vivienne E. Perkins Ph. D.,2013-06 The Narrow Way is an honest account of a life fully lived under God s all seeing eye Although a memoir it is not a conventional one No reader will like everything in this book but every reader struggling with some aspect of life sexual abuse marriage militarism prison the loneliness of the American experience the failure of democratic institutions the quest for self knowledge the search for God can find something interesting and useful in it Opening with an examination of the long term damage done to sexually abused children Part One covers the problems of marriage the significance of dreams art and literature an insight into suffering an approach to understanding Scripture and the social impact Jesus had on His society via teachings that we are still refusing to take seriously In Part Two the author gives an overview of the impact of the so called Enlightenment a period that promised a better human type living in an improved world but that brought the human family instead to non stop high tech war making rampant resource consumption and an on coming social environmental and economic catastrophe precisely because Christians seduced by the products of the machine have steadily diluted their commitment to Christ who showed us the narrow way that leads to life The Narrow Way the result of fifty years of hard study of the intellectual and social trends of the past 250 years is a challenging book Starting where theologian Reinhold Niebuhr left off it critiques the so called American way of life and calls for change
