Pursuit Virtu Othr:

Purpose, Passion & Pursuit Peter E. Donaldson, 2017-10-20 In his writing Purpose Passion Pursuit Peter E Donaldson intelligently and quite eloquently stirs the nest of complacency and challenges us to make the rest the best You are worth as much as you think you are worth So why devalue yourself In Chapter 5 Puzzle Pieces he explores the concept and understanding of purpose by examining three rudiments being Origin Process and Time In this section he brilliantly unfolds the truth that our purpose has everything to do with Gods divine plan and nothing to do with happenstance If youre like me then youre all about obtaining a better more fulfilled life If youre looking for the place where you really fit and can be your authentic you then read on Pastor Richard J Brown Kingsway Community Life Centre Peters sage words come to us out of the abundance of his lived experience with God Even more they come at a time when people the world over are searching in every corner for true meaning in life Chapter after chapter like a teacher who expounds knowledge he lays a new plank upon which the foundation of pursuing purpose is built In these pages his encounters with God unfold as they are seasoned with his unabashed belief in the Word of God which gives weight and authority to them What a captivating read Honestly where was this book with these transforming expressions when I was assessing the rudiments of my own destiny and just launching out into life Thats precisely the point Pursuing your best life doesnt begin today and end tomorrow its a lifetime experience that uncovers Gods supreme destiny for you If after reading this prophetic volume you are challenged to change the trajectory of your life then it was well worth the read If not I invite you to pick it up again and comb through these pages to fully grasp how it is certainly possible to passionately pursue your God ordained purpose As a result your life obviously will never be the same again Pastor John M Scott Director Youth Young Adult Ministries Ontario Conference of Seventh Day Adventists

Tigers of the Snow and Other Virtual Sherpas Vincanne Adams, 2014-05-06 Sherpas are portrayed by Westerners as heroic mountain guides or tigers of the snow as Buddhist adepts and as a people in touch with intimate ways of life that seem no longer available in the Western world In this book Vincanne Adams explores how attempts to characterize an authentic Sherpa are complicated by Western fascination with Sherpas and by the Sherpas desires to live up to Western portrayals of them Noting that diplomatic aides at world summit meetings go by the name Sherpa as do a van in the U K built for rough terrain and a software product from Silicon Valley Adams examines the authenticating effects of this mobile signifier on a community of Himalayan Sherpas who live at the base of Mount Everest Nepal and its deauthenticating effects on anthropological representation This book speaks not only to anthropologists concerned with ethnographic portrayals of Otherness but also to those working in cultural studies who are concerned with ethnographically grounded analyses of representations Throughout Adams illustrates how one might undertake an ethnography of transnationally produced subjects by using the notion of virtual identities In a manner informed by both Buddhism and shamanism virtual Sherpas are always both real and distilled reflections of the desires that produce them
