The Fall of a Carolingian Kingdom Charles West, 2023-08-31 The Fall of a Carolingian Kingdom investigates how the first royal divorce scandal led to the collapse of a kingdom changing the fate of medieval Europe Through a set of annotated translations of key contemporary sources the book presents the downfall of the Frankish kingdom of Lotharingia as a case study in early medieval politics equipping readers to develop their own independent interpretations The book tracks the twists and turns of the scandal as it unfolded over a crucial decade and a half in the ninth century Drawing on primary sources such as letters material culture and secret treaties The Fall of a Carolingian Kingdom offers readers a sharply defined window into one of the most dramatic episodes in Carolingian history rich with insights on the workings of early medieval society *Flügel's dictionary of the German and English languages, abridged, compiled by C. One Flesh Joe Fogle, 2007-05-05 On the sixth day of creation God formed Adam from the dust of the earth God then formed Eve from Adam's side From this day forward man was to leave his father and mother and cleave to his wife The two are joined together by God in a permanent one flesh relationship After man fell the sins of adultery fornication polygamy and divorce altered God's intention for marriage This was true of those both outside and inside God's covenant community By the time the Lord Jesus Christ came in the flesh the traditions of Judaism had either changed or nullified God's command for marriage The Lord Jesus Christ came and stated God's original intent for marriage 1 Permanence The husband and wife are one flesh They are permanently joined in a covenant relationship for life No person has the legal or moral authority to end what God has joined together No sin or legal document can dissolve the one flesh bond 2 Forgiveness This is Christ's emphasis in dealing with sin When one spouse fails the love of Christ compels the other to forgive Hardness of heart is the cause of unforgiveness and results in divorce Because of the biblical teachings of Jesus and Paul the early church held to the permanence of marriage Over the centuries Christ's commands on the permanence of marriage have been either changed or nullified They have been replaced with the traditions of men In theory Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them In practice many evangelical Christians are divorcing and remarrying for almost any reason The Lord Jesus Christ taught God's original intentions regarding forgiveness and divorce The Word of God has not changed What God has joined together let no man separate Mark 10:9
