Putting The Soul Back In Medicine Reflections On Compassion And Ethics:

Putting the Soul Back in Medicine David L. Schiedermayer,1994 *The Center for Bioethics and Human Dignity Presents Dignity and Dying* John Frederic Kilner,Arlene B. Miller,Edmund D. Pellegrino,1996 This book offers a more well founded perspective for considering some of the significant ethical issues in the field of medicine and health care

Reading the Bible in the Strange World of Medicine Allen Verhey,2003-12-11 Author of such major books as *Remembering Jesus* *Christian Community* *Scripture and the Moral Life* Allen Verhey has become one of today s most trusted Christian voices in contemporary ethics including the moral challenges that new medical technologies pose to Christian faith and decision making With this new book Verhey brings the biblical tradition to bear on contemporary bioethical concerns Drawing on an unmatched depth of insight in these two realms Verhey explores how the Bible can illuminate and guide medical ethics He argues that churches are called to think and speak clearly about bioethical concerns and he lays out here the scriptural tools for them to do so After firmly grounding Christian ethical discourse in Scripture Verhey shows how the Bible can be applied to such pressing questions as suffering genetic intervention abortion reproductive technologies end of life care physician assisted suicide and more Filled with faith based wisdom and apt illustrations of the moral dilemmas discussed this book is a must read for Christians grappling with the ethical dimensions of medicine today *On Moral Medicine* Stephen E. Lammers,Allen Verhey,1998-05-11 Collecting a wide range of contemporary and classical essays dealing with medical ethics this huge volume is the finest resource available for engaging the pressing problems posed by medical advances **Christian Ethics and Nursing Practice** Richard B. Steele,Heidi A. Monroe,2020-06-25 *Christian Ethics and Nursing Practice* shows how the religious and moral teachings of the Christian Bible compare contrast and correlate with the ethical standards of modern nursing as stated in the Code of Ethics for Nurses It describes four main strands of moral discourse in the Bible law holiness wisdom and prophecy and shows the relevance of those strands for contemporary bedside and advanced practice nursing The work could serve as a textbook for courses in nursing ethics at Christian colleges and universities or as a guidebook for practicing nurses who have devoted their lives to caring for the sick the injured the elderly the disabled and the dying as a way of living out their commitment to Jesus Christ **Reclaiming the Soul** Jeffrey H. Boyd,1996 This radical interpretation of human nature probes the theological roots of the human psyche Carefully articulating the biblical understanding of the soul Boyd suggests nothing less than a Copernican revolution in mental health one in which God not the individual is at the center of the universe **Do the Right Thing** Francis J. Beckwith,1996

Enfermedad, dolor y muerte desde las tradiciones judeocristiana y musulmana Javier (ed.) De la Torre Díaz,Juan Luis de León de Azcárate,2018-04-16 La experiencia de musulmanes judíos y cristianos ante el sufrimiento la muerte y la enfermedad tiene muchos puntos en común que es necesario y urgente resaltar El libro está dividido en tres partes que corresponden a las tres tradiciones analizadas Consta de treinta artículos escritos por veintisiete autores Participan

Leming,George E. Dickinson,2007 Using a social psychological approach this edition remains solidly grounded in theory and research but places greater emphasis on the individual and coping with death and dying These two well known authors and researchers integrate stimulating personal accounts throughout the text and apply concepts to specific examples that deal with cross cultural perspectives and the practical matters of death and dying **Index to Book Reviews in Religion** ,1996 Legal and Ethical Issues for Health Professionals George D. Pozgar,2019-01-07 Legal and Ethical Issues for Health Professionals Fifth Edition is a concise and practical guide to legal and ethical dilemmas facing healthcare professionals in the real world today Thoroughly updated and featuring new case studies this dynamic text will help students to better understand the issues they will face on the job and the implications in the legal arena With contemporary topics real world examples and accessible language this comprehensive text offers students an applied perspective and the opportunity to develop critical thinking skills Legal and Ethical Issues for Health Professionals provides an effective transition from the classroom to the reality of a clinical environment Beyond Man-Made Religion Moin Qazi,2023-07-19 We live in troubled times a dangerous and destabilized world that has coarsened our sensibilities and constrained our capacities for goodness The world presents a baffling problem It questions the history of people places and cultures with the idea of creating wedges between faiths All the world s religions teach love compassion and forgiveness yet unprovoked and unimaginable violence is being perpetrated in the name of the faith by self proclaimed rabbis who may be in several cases the master disruptors of civilization Despite being detractors their sacred ideals and robes adorn their religious proclamations and remain firmly embedded in our universal holy consciousness Those who do not subscribe to organized religion also now see scriptures as a candlelight in their personal and professional lives The philosophical outlook underpins our everyday attitudes The only lasting solution will be to liberate society from man made religion and return to the pristine message of the scriptures These scriptures had a simple straightforward and plain speaking message for all humanity which got distorted at the hands of the modern tools of intellectual sophistry and sterile polemics We need to sanitize not just our bodies and our environment but also our minds and intellect The religious idea that there is a universal moral law which is the central axis of all strands of religious and spiritual thought and is an essence of all philosophical thought This book explores the diverse contours of philosophical thought and shapes them into a coherent trajectory Psychiatric and Mental Health Nursing Phil Barker,2008-12-26

Supported by relevant theory research policy and philosophy this second edition of Psychiatric and Mental Health Nursing The craft of caring provides a comprehensive overview of the practice of psychiatric and mental health nursing The concept of the craft of caring dictates that the basis of good nursing practice is a combination of both art and science encouraging nurses to take a holistic approach to the practice of psychiatric and mental health nursing Reflecting current developments in nursing practice and the understanding of mental health disorders this edition includes twelve additional chapters placing more emphasis on specific groups such as children and young people women older people asylum seekers and refugees Case studies include patients with anxiety schizophrenia and bipolar disorder as well as victims of sexual abuse those with an eating disorder homeless patients and those with dementia and autism The book also examines specialist services such as psychiatric liaison and spiritual care and includes discussion on psychiatric diagnosis and mental health legislation in relation to human rights This is an essential text for all psychiatric and mental health nurses at the diploma and degree level as well as qualified mental health nurses seeking to update their knowledge It will also be a useful reference for professionals in other disciplines such as social work medicine and psychology
