William Bridge William Bridge, 1845 **Life Begins When You Manage Your Faith** Tonya Perry, 2020-02-27 The purpose of writing Life Begins When You Manage Your Faith is that it took faith to navigate me through my life passion and faith to overcome daily challenges Along with understanding the revelations of God when he s dealing with me on a personal level Therefore faith management prepared me for reality to help with making the right choices at the crossroads of life From simple things in life to making big decisions that will impact a nation faith is the foundation of our relationship with God which will help manifest our destinies I m married I have three children which are young adults I love them very dearly I always have worked with the elderly which has been such an inspiration to me We all can empathize with one another that it took faith to help us through our life experiences God has been my hope to dream and his love has been such an immeasurable entity in my life His whisper in my ear has brought depth balance and integrity to my life He has been there for me countless times Fortunately my life rerouted me to be a seeker of God It s a joy to see how the word of God being manifested daily in peoples lives His profound words illustrate timeless accounts revealing faith and miracles A Closer Walk with Thee Alan Douglas McMillan, 2022-05-11 A Closer Walk with Thee is a compressive monthly guide to empower both personal and spiritual development Through this guide individuals can discover practical principles such as devotional

prayer journaling and progressive analysis that will help bring forth daily enrichment This book is not an attempt to explain the Bible which is a task that involves spiritual devotion and a personal undertaking However this book provides daily biblical principles and insight that emphasize a practical usage of scripture for individual enhancement You've Already Got It! Andrew Wommack,2006-11 Many Christians believe God can do anything but they don't understand the completion of His plan through Jesus death burial and resurrection It is in the discovery of what God has already done that our walk with Him becomes a joy and an adventure Jesus sacrifice on the cross was great He exchanged His perfect life and all the power of heaven for our sins our weaknesses Through Him our eternal destiny is set Yet in our day to day lives It seems that we still deal with so many challenges sickness financial struggles difficult relationships our own shortcomings Is it possible to walk in victory in this life Andrew Wommack reveals powerful truths in this practical view of the work of Jesus Christ truths that are life changing Readers will learn how Jesus death burial and resurrection not only paid for their eternal salvation but gave them everything they need for abundant life right here right now Andrew encourages readers to avoid being like the dog constantly chasing his tail not realizing he already has it As readers begin to understand the extent of the work on the cross their walk with God will be renewed and their life in Christ will become an adventure beyond anything they ever thought possible Wommack approaches faith from a no nonsense and unique perspective in that he challenges the reader to evaluate their idea of faith in God Written along the same lines as Kenneth Hagin's How to Turn Your Faith Loose and Right and Wrong Thinking Wommack goes a step further by revealing the erroneous teachings that encourage believers to beg for God's help Instead he shows that Jesus already finished His work when He was resurrected and now it's the believer's responsibility and privilege to enforce that victory against the powers of darkness **Faith Your Seventh-Sense**
