Hall MD,2018-03-09 If you want to find and treat the real causes of the problems youre facing and take your healing to a higher level then you need to do some work That means not only striving to change the conditions you currently face but taking steps to change what brought problems or issues into your life in the first place In other words treating both the symptoms and the causes will help you get better results than focusing on one or the other Steven M Hall M D gives you a blueprint to do both in this guide to healing The tools he shares will help you recognize when something in your life is not working identify foundational beliefs that contribute to problems change beliefs when necessary and focus on solutions instead of problems Hall doesnt tell you how to eat or exercise and he doesnt preach about visualizing or saying positive affirmations Rather he concentrates on getting to the root causes of your issues and mastering seven straightforward tools to live a longer healthier and happier life

Straight Answers to 35 Tough Questions Gordon Kainer,2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin in the wind but we ve learned that really important answers don t come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God s Word That s the reason God s first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It s been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult

questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That s one reason we re not only to confront knotty questions but willingly accept God s unraveling answers
