GOD'S TREASURE

Now we have this treasure in clay jars, so that this extraordinary power may be from God and not from us.

— 2 Corinthians 4:7 csa

A Transforming Treasure

A rich, young man asked Jesus, "What must I do to have eternal life?" Jesus responded, "Sell what you possess and give to the poor, and you will have treasure in heaven. And come, follow Me." (Matthew 19: 16, 21).

This man's wealth was his identity. The treasure found in Jesus would have surpassed any earthly riches, but the Gospel light, described in 2 Corinthians 4:6 as "light of knowledge of the God's glory in the face of Jesus Christ," had not penetrated the darkness of his heart. The man walked away sad. The reality is, this light must illuminate the darkness into which we are all born before any of us can choose to follow Jesus. Thankfully, the Creator of the first light continues to bring light into our hearts.

And the Maker of the first man continues to create seemingly unfit treasure-keepers. Miraculously, He calls

these treasure-keepers His children. Clay in the hands of the Master Potter. Fragile, unlikely holders of the greatest treasure, namely, Gospel light.

It's believed by some scholars that the rich, young man may have been Saul of Tarsus who would later be radically transformed and known as the Apostle Paul. And that transformation began when he encountered a blinding, darkness-illuminating light. Does it seem strange for God to use such an unlikely man? Almost as strange as storing a valuable treasure in clay jars. As we begin our study, we will discover that God's ways are very different than ours. Together we will marvel at Gospel paradoxes, God's power, and the treasure that is forever ours in Jesus.

McIntosh,2020-02-25

The Oxford Handbook of Mystical Theology provides a guide to the mystical element of Christianity as a theological phenomenon It differs not only from psychological and anthropological studies of mysticism but from other theological studies such as more practical or pastorally oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development It also differs from more explicitly historical studies tracing the theological and philosophical contexts and ideas of various key figures and schools as well as from literary studies of the linguistic tropes and expressive forms in mystical texts None of these perspectives is absent but the method here is more deliberately theological working from within the fundamental interests of Christian mystical writers to the articulation of those interests in distinctively theological forms in order finally to permit a critical theological engagement with them for today Divided into four parts the first section introduces the approach to mystical theology and offers a historical overview Part two attends to the concrete context of sources and practices of mystical theology Part three moves to the fundamental conceptualities of mystical thought The final section ends with the central contributions of mystical teaching to theology and metaphysics Students and scholars with a variety of interests will find different pathways through the Handbook

as you step into the role your Creator designed just for you Includes discussion questions *Bible Student and Religious Outlook*, 1906 **Are You Attackable?** David Judson, 2014-07-03 Are You Attackable The storm is brewing There is a spiritual battle raging all around us As God sees the enemy lurking in the shadows He reaches out to help us but do we embrace Him or do we slap His hand away When lightning strikes your peaceful and predictable life how do you respond Do you grip the hem of Jesus's garment in the face of betrayal sickness hardship or debt or do you allow the enemy to tear you away from your relationship with God The Bible is full of stories of men and women who came under attack and emerged victorious because they chose God Your time to prepare for battle is now The Biblical principles in Are You Attackable will help strengthen your relationship with God as you stand against the enemy's schemes It's your move **Divine Providence** Bruce R. Reichenbach, 2016-09-08 We ask God to involve himself providentially in our lives yet we cherish our freedom to choose and act Employing both theological reflection and philosophical analysis the author explores how to resolve the interesting and provocative puzzles arising from these seemingly conflicting desires He inquires what sovereignty means and how sovereigns balance their power and prerogatives with the free responses of their subjects Since we are physically embodied in a physical world we also need to ask how this is compatible with our being free agents Providence raises questions about God's fundamental attributes The author considers what it means to affirm God's goodness as logically contingent how being almighty interfaces with God's self limitation and the persistent problems that arise from claiming that God foreknows the future Discussion of these divine properties spills over into the related issues of why God allows or even causes pain and suffering why if God is all knowing we need to petition God repeatedly and encounter so many unanswered prayers and how miracles as ways God acts in the world are possible and knowable Throughout the author looks at Scripture and attends to how providence deepens our understanding of God and enriches our lives **Idealist Ethics** W. J. Mander, 2016 W J Mander examines the nature of idealist ethics the form and content of ethical belief most typically adopted by philosophical idealists He identifies a tradition of idealist ethics before going on to argue that such an approach offers an attractive way of looking at moral questions and has much to contribute to contemporary discussion **Kingdom Of God** Peter Kamaleshwar Singh, 2022-10-06 The Lord is the Creator of the universe In this world there are many countries and kingdoms Everything ultimately belongs to Him Then what is the Kingdom of God we are talking about God is the master planner and everything that is created is working out according to His plan He began the creation with His kingdom in the center To establish His kingdom with men in His likeness everything in history has been working thus far The meditations help the reader to meditate on the theme and understand the unfolding of the Holy Spirit He illuminates the scriptures and enriches our inner eyes to grasp the depth of His wisdom [Living in the Light \(eBook\)](#) Retah McPherson, 2013-07-24 We try our best to be the person others expect us to be but we often lose track of ourselves in the process In her book LIVING IN THE LIGHT Retah McPherson reminds us that only God knows who we really are Through 101 devotions she highlights that

we first need to connect with God in spirit and in truth before we can truly know ourselves The devotions are divided into 10 thematic sections Some of these themes include Knowing God s Heart Taking Up Your Position Breaking the Shackles Prayer Changes Things LIVING IN THE LIGHT also allows readers to write down a personal prayer at the end of each chapter about their daily journey in God s light
