Puzzles & Perplexities Steven M. Cahn, 2007-01-01 A revised edition of Steven Cahn's book of short philosophical essays *The Road Traveled and Other Essays* Steven M. Cahn, 2018-12-26 The Road Traveled and Other Essays presents the recent work of philosopher and educator Steven M Cahn This book offers his latest reflections on the nature of well being the rationality of religious belief and the aims of higher education Also included are a selection of his challenging philosophical puzzles The work concludes with a detailed account of his career as a faculty member foundation executive and university administrator **Moral Puzzles and Legal Perplexities** Heidi M. Hurd, 2019 Engages with the life and work of Larry Alexander to explore puzzles and paradoxes in legal and moral theory **This Sentence is False** Peter Cave, 2009-07-12 An entertaining introduction to logic and reasoning packed with puzzles and thought experiments for the reader to try Peter Cave takes us on an edifying tour through the world of paradoxes and there is much to be learned as well as much enjoyment to be had in the process Adrian W Moore University of Oxford UK This sentence is false is a sentence printed on the cover of this book A sentence is not a name So what is the name of the book This book whatever its name is full of intriguing philosophical puzzles Paradoxes may seem trivial at first glance but further thought reveals them to be challenges to some of our most fundamental beliefs and preconceptions Peter Cave entertainingly escorts the reader through a great variety of these fascinating puzzles shining light that is fresh and bright Laurence Goldstein University of Kent UK This is a truly wonderful book The topic is tough but Peter Cave brings it to life He manages to give new insights on old topics which is itself remarkable and he also brings in plenty of less familiar topics All in all it is a joy to see such cleverness and clarity of thought coexisting with such an easy and light and amusing writing style Professor Imre Leader Cambridge University UK Put your neurons through their paces with this lively and engaging introduction to paradoxes From Buridan's Ass and the Surprise Examination to The Liar and Sleeping Beauty This Sentence is False introduces all the key philosophical paradoxes This fascinating guide to logic and reasoning is packed with puzzles and thought experiments to actively engage the reader in critical thinking As well as paradoxes that occur in our everyday lives topics also include God ethics political philosophy space and time This Sentence is False will put your mind to the test challenge what you think you know and lead you on a fascinating journey through logical reasoning Religion Within Reason, Second Edition Steven M. Cahn, 2025-02-27 Most believers and their critics agree that religious commitment relies on the acceptance of supernaturalism Steven M Cahn argues to the contrary He maintains that theism is neither necessary nor sufficient for adherence to a religious outlook He writes in a nonpolemical spirit about morality the problem of evil faith miracles heaven mystical experience and religious diversity His book develops a strong case for the reconciliation of science and religion A Teacher's Life Robert B. Talisse, Maureen Eckert, 2021-08-24 Steven M Cahn belongs to that exclusive class of professors who have not only contributed influentially to the leading debates of their discipline but have also written

insightfully about the academic vocation itself This volume comprises thirteen essays authored by Cahn's colleagues and former students presented in his honor on the occasion of his twenty fifth year as professor of philosophy at the City University of New York Graduate Center The essays focus on topics that have been central to Cahn's philosophical work such as the teaching of philosophy the responsibilities of philosophy professors the nature of happiness and the concept of the good life CONTRIBUTORS Norman Bowie Steven M Cahn Randall Curren Maureen Eckert Alan Goldman Tziporah Kasachkoff Peter Markie John O Connor David Rosenthal David Shatz George Sher Robert Simon Douglas Stalker Robert B Talisse Christine Vitrano Correcting the Scholarly Record for Research Integrity M. V. Dougherty, 2018-11-09 This volume is the first book length study on post publication responses to academic plagiarism in humanities disciplines It demonstrates that the correction of the scholarly literature for plagiarism is not a task for editors and publishers alone each member of the research community has an indispensable role in maintaining the integrity of the published literature in the aftermath of plagiarism If untreated academic plagiarism damages the integrity of the scholarly record corrupts the surrounding academic enterprise and creates inefficiencies across all levels of knowledge production By providing case studies from the field of philosophy and related disciplines the volume exhibits that current post publication responses to academic plagiarism are insufficient It catalogues how humanities disciplines fall short in comparison with the natural and biomedical sciences for ensuring the integrity of the body of published research This volume provides clarity about how to conceptualize the scholarly record surveys the traditional methods for correcting it and argues for new interventions to improve the reliability of the body of published research The book is valuable not only to those in the field of philosophy and other humanities disciplines but also to those interested in research ethics meta science and the sociology of research

Philosophical Debates Steven M. Cahn, 2021-05-04 This volume completes a trilogy of Steven M Cahn's shorter writings that includes *The Road Traveled and Other Essays* 2019 and *A Philosopher's Journey* 2020 Included here are his contributions to three philosophical debates first whether events are fated to occur second whether God is knowable and third whether morality can conflict with happiness The book contains not only Cahn's essays but also edited versions of the writings to which he is responding thereby putting his remarks into context and rendering them accessible to all These pieces make clear why Professor Cahn is regarded as one of the leading philosophy teachers of his generation A Philosopher's Journey Steven M. Cahn, 2020-06-22 For over fifty years Steven M Cahn has been a prolific contributor to discussions of philosophical and educational issues In this volume he has chosen his favorite articles from the 1960s to the present reflecting his long standing interests in the concept of free will the rationality of religious belief the insights of John Dewey the affirmative action debate the aims of higher education and the nature of living well Also included are several philosophical puzzles Professor Cahn is a noted teacher and lecturer and these essays reflect his skills at explaining complex ideas with clarity and defending challenging positions with cogency His work demonstrates how philosophical inquiry can be

both engaging and enlightening Dewey and the Ancients Christopher C. Kirby, 2014-05-08 Dewey's students at Columbia saw him as an Aristotelian more Aristotelian than Aristotle himself However until now there has been little consideration of the influence Greek thought had on the intellectual development of this key American philosopher By examining in detail Dewey's treatment and appropriation of Greek thought the authors in this volume reveal an otherwise largely overlooked facet of his intellectual development and finalized ideas Rather than offering just one unified account of Dewey's connection to Greek thought this volume offers multiple perspectives on Dewey's view of the aims and purpose of philosophy Ultimately each author reveals ways in which Dewey's thought was in line with ancient themes When combined they offer a tapestry of comparative approaches with special attention paid to key contributions in political social and pedagogical philosophy

Exploring Academic Ethics Steven M. Cahn, 2024-11-27 Academic ethics is the study of moral problems arising in higher education These may concern the responsibilities of professors or the institutional policies of colleges and universities In this work Steven M Cahn a pioneer in the field brings together his essays concerning four provocative issues curricular controversies tenure processes affirmative action and pedagogic obligations Written with his characteristic clarity and imaginative examples Cahn vividly demonstrates how academic life is replete with practices that raise moral concerns

The Definitive Answer to the Meaning of Life Jack Abaza, 2023-11-16 This haunting question in all of its variations and interpretations has echoed through the annals of time Since the dawn of philosophy the world's intellectual titans have grappled valiantly with this enigma and many of them dedicated entire lifetimes to unearthing answers in religion aesthetics love personal convictions and myriad other realms but to no avail How has this ineluctable conundrum come to signify everything and nothing To term it the Holy Grail of philosophy is almost to insultingly undersell its gravitas the meaning of life remains maddeningly elusive mocking our most desperate curiosities Despite over 2 500 years of introspection debate and countless theories its mysterious prize remains unclaimed However this tome is no mere philosophical expedition for it is a revolution in the making it manifests a rebellion against the two thousand year old foundations of speculation and dares to shatter the orthodoxy By venturing into the forbidden realm of a science philosophers long denied as relevant and converging the scientific method with peerless reasoning the sort that would stupefy the most weathered thinkers this most eminent opus heralds philosophy's renaissance no longer as a quaint forgotten relic of bygone eras but as a vanguard discipline poised for reawakening

Professors as Teachers Steven M. Cahn, 2022-07-15 Too many professors view themselves primarily not as teachers but researchers How can the system be changed so that success in the classroom will be promoted and receive greater emphasis Noted philosopher and educator Steven M Cahn presents proposals to achieve that end including changes in graduate education the appointment process the evaluation of teaching the tenure system and the choice of administrators Filled with actual examples from academic life the book is jargon free and compellingly argued

Ethics Steven M. Cahn, Peter J. Markie, 2006 This is a collection of readings in ethics and moral philosophy The book gives

instructors flexibility in structuring their ethics courses allowing them to choose material from historical selections This edition includes selections on issues such as euthanasia abortion and the death penalty **Navigating Academic Life** Steven M. Cahn,2020-12-14 This engaging collection of recent essays reveals how a professorial career involves not only pursuit of a scholarly discipline but also such unwelcome features as the tribulations of graduate school the trials of teaching and the tensions that develop from membership in a department The author who enjoyed a distinguished career as a professor of philosophy and senior university administrator draws on his extensive experience to offer candid advice about handling the frustrations of academic life Combining philosophical principles practical concerns and personal observations this book serves as a reliable guide for both new and veteran academics as well as for anyone seeking to understand the inner workings of colleges and universities **The World of Philosophy** Steven M. Cahn,2019 This comprehensive reader includes standard Western philosophical readings alongside selections from Chinese Japanese Indian Arabic African South American and other sources Offering a distinctive blend of traditional and non traditional perspectives all selections have been edited to make them more accessible to undergraduate students Ten Essential Texts in the Philosophy of Religion Steven M. Cahn,2005 Includes selections from Plato Boethius Anselm Thomas Aquinas David Hume Kierkegaard William James Anthony Flew accompanied by modern essays Plato: A Collection of Critical Essays, vol 1: Metaphysics & Epistemology NA NA,2016-01-13 *Contemporary Debates in Applied Ethics* Andrew I. Cohen,Christopher Heath Wellman,2014-01-14 Now in an updated edition with fresh perspectives on high profile ethical issues such as torture and same sex marriage this collection pairs cogently argued essays by leading philosophers with opposing views on fault line public concerns Revised and updated new edition with six new pairs of essays on prominent contemporary issues including torture and same sex marriage and a survey of theories of ethics by Stephen Darwall Leading philosophers tackle colleagues with opposing views in contrasting essays on core issues in applied ethics An ideal semester length course text certain to generate vigorous discussion **Happiness** Steven M. Cahn,Christine Vitano,2007 Part I Historical Sources Part II Contemporary theories
