Treasury Department Document Production United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs,1995 **Multimedia Information Retrieval** Peter Schäuble,2012-12-06 Multimedia Information Retrieval Content Based Information Retrieval from Large Text and Audio Databases addresses the future need for sophisticated search techniques that will be required to find relevant information in large digital data repositories such as digital libraries and other multimedia databases Because of the dramatically increasing amount of multimedia data available there is a growing need for new search techniques that provide not only fewer bits but also the most relevant bits to those searching for multimedia digital data This book serves to bridge the gap between classic ranking of text documents and modern information retrieval where composite multimedia documents are searched for relevant information Multimedia Information Retrieval Content Based Information Retrieval from Large Text and Audio Databases begins to pave the way for speech retrieval only recently has the search for information in speech recordings become feasible This book provides the necessary introduction to speech recognition while discussing probabilistic retrieval and text retrieval key topics in classic information retrieval The book then discusses speech retrieval which is even more challenging than retrieving text documents because word boundaries are difficult to detect and recognition errors affect the retrieval effectiveness This book also addresses the problem of integrating information retrieval and database functions since there is an increasing need for retrieving information from frequently changing data collections which are organized and managed by a database system Multimedia Information Retrieval Content Based Information Retrieval from Large Text and Audio Databases serves as an excellent reference source and may be used as a text for advanced courses on the topic [Trials of War Criminals Before the Nuremberg Military Tribunals Under Control Council Law No. 10, Nuernberg, October 1946-April 1949](#) International Military Tribunal,1952 [Trials of War Criminals Before the Nuernberg Military Tribunals Under Control Council Law No. 10, Nuremberg, October 1946-April, 1949: Case 11: U.S. v. von Weizsaecker \(Ministries case\)](#) Germany (Territory under Allied occupation, 1945-1955 : U.S. Zone) Military Tribunals,1949 **Jesus Followers in the Roman Empire** Paul B. Duff,2017-11-21 When Jesus of Nazareth began proclaiming the kingdom of God early in the first century he likely had no intention of starting a new religion especially one that included former pagans Yet a new religion did eventually develop one that not only included non Jews but was soon dominated by them How did this happen Jesus Followers in the Roman Empire by Paul Duff offers an accessible and informed account of Christian origins beginning with the teaching of Jesus and moving to the end of the first century Duff s narrative shows how the rural Jewish movement led by Jesus developed into a largely non Jewish phenomenon permeating urban centers of the Roman Empire Paying special attention to social cultural and religious contexts as well as to early Christian ideas about idolatry marriage family slavery and ethnicity Jesus Followers in the Roman Empire will help readers cultivate a deeper understanding of the identity beliefs and practices of early Christ

has Left the Building Keith Crowley,2012-07-19 In *The Bible Exposed* Why God has left the building the author deconstructs many of Christianity's most cherished illusions He lifts the lid off the Christian Bible's collection of scientific errors ancient myths legends and constant contradictions and demonstrates that the Bible can only be a man made artefact untouched by divine involvement or inspiration The difference between what the Bible actually says and what Christianity teaches will astonish you For instance who killed Goliath Everyone thinks that they know the answer Everyone is amazed when they read what the Bible actually says *An Introduction to The Gospels* Mitchell G. Andrews,2021-06-09 Jesus is identified by some Gnostics as an embodiment of the supreme being who became incarnate to bring gnosis to the earth In contrast others adamantly denied that the supreme being came in the flesh claiming Jesus to be merely a human who attained enlightenment through gnosis and taught his disciples to do the same Among the Mandaeans Jesus was considered a *miha kdaba* or false messiah who perverted the teachings entrusted to him by John the Baptist Still other traditions identify Mani and Seth the third son of Adam and Eve as salvific figures In the course of a century and a half Gnosticism comes and goes before us like a splendid vision And yet its influence upon Christianity was profound and permanent It gave occasion to a great expansion of Christian thought to a clearer idea of the historical relation of Christianity to earlier and surrounding religions and to a better definition of the basis of true faith Therefore it deserves a more careful study than it has only recently received Hearings United States.
