

"An excellent book on a vastly neglected aspect of raising children."
—Dr. Fitzhugh Dodson, author of *How to Parent, How to Father*

Raising Good Children

From Birth Through the Teenage Years

How to help your child
develop a lifelong sense
of honesty, decency, and
respect for others

Dr. Thomas Lickona

Author of *Educating for Character*
Winner of a 1992 Christopher Award

Raising Good Children

Patricia Crittenden

Raising Good Children:

Raising Good Children Thomas Lickona, 2012-05-02 Raising decent caring and responsible children is the most complex and challenging job in every parent's life and an increasingly difficult one in today's society. Here is the most authoritative book available on this crucial subject: a valuable and sensitive guide for parents who want their children to grow up with lifelong positive values. Based on fascinating research, this groundbreaking work by psychologist and educator Dr. Thomas Lickona describes the predictable stages of moral development from birth to adulthood. And it offers you down-to-earth advice and guidance for each stage: Seven caring ways to discipline terrible twos. Why your preschooler lies and how to handle it. What to do about a four-year-old's back talk. How to handle your seven-year-old's endless negotiations about what's fair. Why teens have trouble with peer pressure and how to help them. How to talk to your child about drugs, drinking, and sex. How to help children of any age reason more clearly about what's right and wrong. PLUS: A list of more than one hundred children's books that teach moral values and much more. An excellent book on a vastly neglected aspect of raising children. Dr. Fitzhugh Dodson, author of *How to Parent* and *How to Father*: We have been waiting for a book like this for a long time: a readable work that translates a moral development into parents' language and experience. Dolores Curran, author of *Traits of a Healthy Family*: Truly integrates a moral development theory into a consistent approach to childrearing. Word of mouth recommendations from parent to parent may lift it to the level of popularity once held by Dr. Spock's book on child care. Moral Education Forum

Raising Good Children Anne Jesper, 2004-03 A guide to parenting that shows how children can be given direction through love and security to help them embrace their responsibilities

Raising Good Humans Hunter Clarke-Fields, 2019-12-01 A wise and fresh approach to mindful parenting. Tara Brach, author of *Radical Acceptance*: A kinder, more compassionate world starts with kind and compassionate kids. In *Raising Good Humans*, you'll find powerful and practical strategies to break free from reactive parenting habits and raise kind, cooperative, and confident kids. Whether you're running late for school, trying to get your child to eat their vegetables, or dealing with an epic meltdown in the checkout line at a grocery store, being a parent is hard work. And as parents, many of us react in times of stress without thinking, often by yelling. But what if, instead of always reacting on autopilot, you could respond thoughtfully in those moments, keep your cool, and get from A to B on time and in one piece? With this book, you'll find powerful mindfulness skills for calming your own stress response when difficult emotions arise. You'll also discover strategies for cultivating respectful communication, effective conflict resolution, and reflective listening. In the process, you'll learn to examine your own unhelpful patterns and ingrained reactions that reflect the generational habits shaped by your parents, so you can break the cycle and respond to your children in more skillful ways. When children experience a parent reacting with kindness and patience, they learn to act with kindness as well, thereby altering generational patterns for a kinder, more compassionate future. With this essential guide, you'll see how changing your own autopilot reactions can create a lasting positive impact, not just for your kids, but for

generations to come An essential must read for all parents now more than ever To raise the children we hope to raise we have to learn to become the person we hoped to be This wonderful book will help you handle the ride KJ Dell Antonia author of *How to Be a Happier Parent* Hunter Clarke Fields shares her wisdom and personal experience to help parents create peaceful families Joanna Faber and Julie King coauthors of *How to Talk So Little Kids Will Listen* **Raising Great Kids** Henry Cloud, John Townsend, John Sims Townsend, 1999 The co hosts of the New Life radio program show how parenting is not just intellectual work it also demands emotional maturity and spiritual wisdom **Raising Good Children** Thomas Lickona, 1985-01-01 A celebrated guide to teaching children values respect and responsibility this worthwhile book has more than 150 000 copies in print in previous editions An excellent book on a vastly neglected aspect of raising children Dr Fitzhugh Dodson *How to Parent How to Father* **How to Raise Good Kids** Barbara Cook, 2021 **Raising Good Children** Thomas Lickona, 1983 **Raising Great Kids** Henry Cloud, John Townsend, 2009-09-01 What does it take to raise great kids If you've read any books on parenting conflicting opinions have probably left you feeling confused Get tough Show acceptance Lay down the rules Lighten up already There's got to be a balance and there is Joining their expertise with the wisdom of MOPS International Mothers of Preschoolers Drs Henry Cloud and John Townsend help you provide both the care and acceptance that make grace real to your child and the firmness and discipline that give direction Avoiding the twin extremes of permissiveness and over control Drs Cloud and Townsend show how you can help your child cultivate six necessary character traits attachment responsibility reality competence morality and worship spiritual life At last here is an effective middle ground for raising up children who will handle life with maturity and wisdom Raising Great Kids will help you equip your son or daughter to accept life's responsibilities grow from its challenges and freely and fully explore all that it has to offer *How to Raise Good Catholic Children* Mary Reed Newland, 2006-09 First published 50 years ago this is a treat for today's parents an excellent commonsense approach to raising good Catholic children **How to Raise Kind Kids** Thomas Lickona, 2018-04-10 Can you teach a child to be kind This vital question is taking on a new urgency as our culture grows ever more abrasive and divided We all want our kids to be kind But that is not the same as knowing what to do when you catch your son being unkind A world renowned developmental psychologist Dr Thomas Lickona has led the character education movement in schools for forty years Now he shares with parents the vital tools they need to bring peace and foster cooperation at home Kindness doesn't stand on its own It needs a supporting cast of other essential virtues like courage self control respect and gratitude With concrete examples drawn from the many families Dr Lickona has worked with over the years and clear tips you can act on tonight *How to Raise Kind Kids* will help you give and get respect hold family meetings to tackle persistent problems discipline in a way that builds character and improve the dynamic of your relationship with your children while putting them on the path to a happier and more fulfilling life **Too Much of a Good Thing** Daniel J. Kindlon, 2003-01-08 While many adolescents today have all the useful accessories of a prosperous society cell phones credit

cards computers cars they have few of the responsibilities that build character Under intense pressure to be perfect and achieve they devote little time to an inner life and a culture that worships instant success makes it hard for them to engage in the slow careful building of the skills that enhance self esteem and self sufficiency In this powerful and provocative book Dr Kindlon delineates how indulged toddlers become indulged teenagers who are at risk for becoming prone to among other things excessive self absorption depression and anxiety and lack of self control Too Much of a Good Thing maps out the ways in which parents can reach out to their children teach them engagement in meaningful activity and promote emotional maturity and a sense of self worth Dan Kindlon Ph D is a professor of child psychology at Harvard University He is a frequent contributor to Child magazine and is the co author of Raising Cain a New York Times best seller He lives in Boston with his wife and two children

Raising Children Who Soar Susan Davis, Nancy Eppler-Wolff, 2009-08-28 How can we keep children safe in an uncertain world but also raise them to be confident in taking the healthy emotional risks necessary to succeed in life The authors of this unique book two clinical psychologists who are also mothers provide essential guidance for parents and teachers They explain step by step how to help children become successful risk takers ready to leap at life s opportunities and triumph over setbacks along the way With stories based on the diverse families from their practice from parents afraid to let their rambunctious daughter out of sight to those who fear their shy son may lose opportunities to connect at home and school they offer real world scenarios with realistic solutions Readers will find helpful checklists self reflection exercises and other resources in this authoritative book *Raising Good Children [3 in 1]* Missy

Frisbie, Lisa Frisbie, 2007-03-01 One parent households frame the new landscape of American family life But raising kids alone is hard work and single parenting is a struggle for most David and Lisa Frisbie provide a practical and proactive plan single moms or single dads can use to nourish their own souls maintaining a vibrant faith in God and a vital connection to family and friends nurture their children empowering kids to successfully process the trauma of divorce manage their households as they assume roles and tasks that may lie well outside their comfort zone build a future they can enjoy making choices about education careers finances and relationships The Frisbies constant travel and ongoing counseling ministry provide a rich reservoir of effective strategies and ideas Moms and dads who parent alone will find confidence and hope from this manageable and optimistic approach *How to Raise Good Parents* Lin Warmesley, 2016-07-16 Lin Warmesley didn't set out to be a great parent she wanted to be a world class broadcast journalist But when life dealt her some unexpected blows and left her to raise three small sons alone she made the choice to face the challenge head on and become the best parent possible Warmesley believes that all parents are born but that good parents are developed And it is this belief that forms the heart of *How to Raise Good Parents* Far from being a dry discourse on yet another parenting style this book is a practical and customizable manual for all parents at any stage of the parenting journey who want more for their child and are not afraid to ask more of themselves Combining compelling research with her own personal experiences Warmesley provides strategies to develop self awareness and self regulation in children to encourage personal development and to foster relationships nurture social connections and promote empathy Engaging enlightening and encouraging *How to Raise Good Parents* is the book you never knew you needed to grow yourself into the parent your child needs and deserves *Raising Parents* Patricia Crittenden, 2017-09-19 Helping troubled parents to raise their children adequately is of crucial importance for parents their children and society at large Distressed parents have themselves often been endangered and as a consequence sometimes endanger their children either through maltreatment or through the effects of parental psychiatric disorder *Raising Parents* explains how that happens and clusters parents in terms of the psychological processes that result in maladaptive childrearing The book then delineates DMM Integrative Treatment in terms of assessment formulation and treatment New formulations are offered for problems that have resisted treatment and cases demonstrate how the ideas can be applied in real treatment settings The book closes with 10 suggestions for improving professionals responses to troubled families and endangered children This edition of *Raising Parents* introduces DMM Integrative Treatment and demonstrates how to use it with vulnerable families DMM Integrative Treatment is an interpersonal process and this book will be essential reading for clinicians from all disciplines including psychiatry and psychology social work nursing and all types of psychotherapy *Parent-Child Relations: A Guide to Raising Children (Revised Edition)* Hisham Altalib , AbdulHamid Ahmad AbuSulayman , Omar Hisham Altalib , 2024-03-11 Modern families face challenges unprecedented in human history The time attention and vigilance required of parents is exhausting and consuming family life Parents are required to balance complex schedules be

technology aware social media informed constantly monitor children's screen time and media communication cope with academic problems shield them from the dangers of immorality find inventive ways to overcome their boredom organize extracurricular activities and handle everything within financially constrained circumstances that increasingly require both to be working Little wonder that anxiety is on the rise and parents are increasingly fearing for their children's future The authors in this book attempt to address parents' concerns and equip them with the confidence and tools necessary to work towards understanding and addressing the real needs of both themselves and their children to nurture the child's character self confidence life skills moral boundaries spiritual development and much more There is no quick fix Myths are debunked and practical tips offered throughout which can be implemented immediately with fun activities outlined at the end of each chapter with the aim of improving parent child relationships through bonding love patience openness respect and communication *How to Raise Good Children* Laurel Hughes, 1988 **Raising a Left-Brain Child in a Right-Brain**

World Katharine Beals, 2009-09-29 Empowering advice for parents of bright quirky socially awkward kids an educator's clarion call to better understand appreciate and nurture our left brainers Does your child Have impressive intellectual abilities but seem puzzled by ordinary interactions with other children Have deep all absorbing interests or seemingly encyclopedic knowledge of certain subjects Bring home mediocre report cards or seem disengaged at school despite his or her obvious intelligence If you answered yes to these questions this book is for you Author Katharine Beals uses the term left brain to describe a type of child whose talents and inclinations lean heavily toward the logical linear analytical and introverted side of the human psyche as opposed to the right brain a term often associated with our emotional holistic intuitive and extroverted side Drawing on her research and interviews with parents and children Beals helps parents to discover if they are raising a left brain child and she offers practical strategies for nurturing and supporting this type of child at school and at home Beals also advises parents in how best to advocate for their children in today's schools which can be baffled by and unsupportive of left brain learning styles *Raising Children Who Think for Themselves* Elisa Medhus M.D., 2011-02-22 *Raising Children Who Think for Themselves* offers a new approach to parenting that has the power to reverse the trend of external direction in our children and help parents bring up empathetic self confident moral independent thinkers Children who are externally directed make decisions based on the peer groups violent movies sexually explicit television shows and rap lyrics that permeate their lives When children are self directed on the other hand they use their power of reason like a sword to cut through the jungle of external influences Fortunately the author shows us it is never too late to foster in our children the ability to weigh options consider sources and think for themselves Filled with real life examples humorous anecdotes and countless interviews with parents children and teachers *Raising Children Who Think for Themselves* Identifies the five essential qualities of self directed children Outlines the seven strategies necessary for parents to develop these qualities in their children Addresses nearly one hundred child raising challenges from body piercing to

whining wars and offers solutions to help encourage self direction
