and pedagogically oriented research traditions in a comprehensive review of current Russian heritage language HL studies Divided into three parts the collection offers a variety of frameworks and approaches spanning research on HL speakers linguistic and pragmatic competence literacy development and sociocultural characteristics of Russian in diaspora Presenting a wide range of new empirical findings the volume explores topics at the forefront of HL studies from assessment of HL learners linguistic competence and language attitudes to research on communities and institutional affordances impacting HL acquisition and maintenance Each chapter connects current research with specific classroom applications presenting Russian as a global language in various sociopolitical and majority language contexts Combining methodological rigor with theoretical insights across diverse areas of language study Russian as a Heritage Language advances the field of HL pedagogy and serves as essential reading for HL educators and researchers as well as for linguists studying bilingualism

Primary Language Impact on Second Language and Literacy Learning Kristen L. Pratt, Bogum Yoon, 2022-12-19 Primary Language Impact on Second Language and Literacy Learning Linguistically Responsive Strategies for Classroom Teachers provides educators with foundational knowledge on how students native languages influence their learning of English language and literacy Linguistically diverse students increasingly populate current classrooms and it is important for educators to have general linguistic and cross linguistic knowledge to provide students with equitable access to the language and content of school By discussing English language learners ELLs primary language norms positive and negative transfer and culturally sustaining resources this book helps educators understand how to support ELLs use of their primary language as an asset when engaging in English language and literacy learning experiences **Assessment of Russian as a Foreign Language** Dmitrii Pastushenkov, Liya Zalaltdinova, 2025-07-29 Assessment of Russian as a Foreign Language Unlocking Proficiency explores recent research methodologies and practices in Russian language assessment offering a comprehensive guide for teachers researchers and administrators The volume examines learner centered and proficiency oriented assessment alongside technological innovations including automated proficiency assessment and constructionist approaches The book discusses emerging trends including social justice oriented assessment e g feminist approaches and ungrading positive psychology e g authorized cheat sheets and technological integration including game based assessments This volume provides a wealth of resources to advance Russian language assessment addressing a critical need in the field It serves as an invaluable resource enabling novice and experienced teachers to refine instructional strategies to support researchers in exploring advanced assessment techniques and helping administrators to enhance the overall learning experience State Assessment Policy and Practice for English Language Learners Charlene Rivera, Eric Collum, 2014-05-12 State Assessment Policy and Practice for English Language Learners presents three significant studies each examining a different aspect of states strategies for including English language learners in state assessments an Analysis of State Assessment Policies Regarding Accommodations for English Language Learners a Survey and Description of Test Translation Practices and an

Examination of State Practices for Reporting Participation and Performance of English Language Learners in State Assessments With the rise in population of English language learners and the subsequent stepped up legislative focus on this student population over the past decade states have been challenged to include English language learners in state assessment programs Until now the little data available on states policies and practices for meeting this challenge has been embedded in various reports and professional journals and scattered across the Internet This volume offers for the first time a focused examination of states assessment policies and practices regarding English language learners The three studies were supported by OELA the U S Department of Education s Office of English Language Acquisition Language Enhancement and Academic Achievement for Limited English Proficient Students State Assessment Policy and Practice for English Language Learners is of interest to researchers and professionals involved with the assessment of English language learners state and district level policy makers and academics teacher educators and graduate students in a number of fields including educational and psychological assessment testing and measurement bilingual education English as a second language and second language acquisition

Conditions for English Language Teaching and Learning in Asia Bernard Spolsky, Kiwan Sung, 2015-01-12 In 1989 Bernard Spolsky published Conditions for Second Language Learning Oxford University Press At the 2012 Annual Conference of Asia TEFL a number of senior scholars were invited to comment upon the relevance of the book to the teaching of English in their region and to make suggestions on how it might be updated This volume contains revised versions of these talks and thus provides a survey of the conditions for teaching English in Asia Most contributors found the Conditions model useful but there has been a major change in emphasis in the past two decades whereas the 1989 book emphasized linguistic and psycholinguistic conditions more recent work generally emphasizes the importance of sociolinguistic and language policy conditions for teaching English in Asia today

Bilingual Community Education and Multilingualism Ofelia García, Zeena Zakharia, Bahar Otcu, 2012-09-15 This book takes up the lens of ethnolinguistic communities as they proudly educate their own children in their ways of speaking and being These bilingual community education programs are unlike bilingual programs in US public schools where speakers of languages other than English are often minoritized In these programs the children s linguistic and cultural diversity are their most valuable assets But these bilingual community education programs are also different from how others have characterized heritage language programs In these bilingual community education programs diasporic ethnolinguistic communities ensure that their children use their ways of speaking and being within a US global context Thus their interest is not in their heritage as the language and the culture was performed in the past in another space but as a dynamic bilingualism and biculturalism that is performed by American children publisher website

Russian Language Studies in North America Veronika Makarova, 2013-10-01 Russian Language Studies in North America New Perspectives from Theoretical and Applied Linguistics offers a unique collection of research papers representing current

directions in Russian language studies in Canada and the United States Traditionally Slavic and Russian studies in these countries have centered around literature history politics and culture This volume reflects recent changes in Russian studies by focusing on language structure language use and teaching methodology The volume brings together several generations of scholars from young promising researchers to those with long established reputations in the field **The Routledge Handbook of Second Language Acquisition, Morphosyntax, and Semantics** Tania Ionin, Silvina Montrul, Roumyana Slabakova, 2024-03-11 This handbook provides innovative and comprehensive coverage of research on the second language acquisition SLA of morphosyntax semantics and the interface between the two Organized by grammatical topic the chapters are written by experts from formal and functional perspectives in the SLA of morphosyntax and semantics providing in depth yet accessible coverage of these areas All chapters highlight the theoretical underpinnings of much work in SLA and their links to theoretical syntax and semantics making comparisons to other populations including child language acquirers bilinguals and heritage speakers links to first language acquisition and bilingualism dedicating a portion of each chapter to the research methods used to investigate the linguistic phenomenon in question links to psycholinguistics and experimental linguistics and where relevant including intervention studies on the phenomenon in question links to applied linguistics The volume will be indispensable to SLA researchers and students who work on any aspect of the SLA of morphosyntax or semantics With its coverage of a variety of methodologies and comparisons to other populations such as child language acquirers early bilinguals heritage speakers and monolingual adults the handbook is expected to also be of much interest to linguists who work in psycholinguistics first language acquisition and bilingualism **Student-Centered Approaches to Russian Language Teaching** Svetlana V. Nuss, Cynthia L. Martin, 2022-12-30 Student Centered Approaches to Russian Language Teaching looks at how the field of Russian language pedagogy has evolved in recent years due to advances in technology along with shifts in attitudes to language pedagogy and how the pandemic has compounded and accelerated these changes This edited collection brings together different perspectives from the field of Russian language pedagogy With pedagogical conversations now centered around students and their needs as well as the evolving role of the teacher in the 21st century this volume highlights the diverse ways in which instructional practices have evolved making curriculum and assessment more student centered and Russian language learning more engaging The collection will be of interest to current and future instructors of Russian as a foreign or additional language who wish to diversify their instruction as well as students of Russian language pedagogy and second language learning and teaching **Strategies for Success with English Language Learners** Virginia Pauline Rojas, Association for Supervision and Curriculum Development, 2007 Approximately 4 7 million designated English language learners attend public schools Office of English Language Acquisition 2002 It is predicted that by the 2030s English language learners will account for about 40 percent of the school age population Yet very few teachers have been trained to address the needs of these students and the questions they ask are the

same as they asked decades ago Who are English language learners and what are effective ways for schooling them What kind of educational program brings about the best results What are sound practices for facilitating English language acquisition How can English language learners have academic success in subject areas How do we teach English language learners in our classrooms p 5

Teaching and Learning Foreign Languages Nicola McLelland, 2017-07-14 Teaching and Learning Foreign Languages provides a comprehensive history of language teaching and learning in the UK from its earliest beginnings to the year 2000 McLelland offers the first history of the social context of foreign language education in Britain as well as an overview of changing approaches methods and techniques in language teaching and learning The important impact of classroom external factors on developments in language teaching and learning is also taken into account particularly regarding the policies and public examination requirements of the 20th century Beginning with a chronological overview of language teaching and learning in Britain McLelland explores which languages were learned when why and by whom before examining the social history of language teaching and learning in greater detail addressing topics including the status that language learning and teaching have held in society McLelland also provides a history of how languages have been taught contrasting historical developments with current orthodoxies of language teaching Experiences outside school are discussed with reference to examples from adult education teach yourself courses and military language learning Providing an accessible authoritative history of language education in Britain Teaching and Learning Foreign Languages will appeal to academics and postgraduate students engaged in the history of education and language learning across the world The book will also be of interest to teacher educators trainee and practising teachers policymakers and curriculum developers

The Learner's English-Russian Dictionary for English-speaking Students Sof'ia Folomkina, H.

Weiser, 1975 *A pocket-book for English-speaking tourists on the continent of Europe* George Frederick Chambers, 1884
