"Dew on the Grass" Radislav Lapushin, 2010 Dew on the Grass The Poetics of Inbetweenness in Chekhov is the first comprehensive and systematic study to focus on the poetic dimensions of Anton Chekhov's prose and drama Using the concept on inbetweenness this book reconceptualizes the central aspects of Chekhov's style from his use of language to the origins of his artistic worldview Radislav Lapushin offers a fresh interpretive framework for the analysis of Chekhov's individual works and his oeuvre as a whole Book cover Passionate Pursuit Kim Owens, 2025-05-27 In an age of excess the primary enemy of revival is enough When you're comfortable and full you lose the desperation required to keep a heart on fire for Jesus Ultimately our enough leads not to fullness but to empty cold hearts Igniting the fires of personal revival seasoned revivalist and pastor Kim Owens shows that a heart on fire for Jesus is the antidote to apathy and complacency Sharing vital revelations biblical wisdom and practical principles discovered in a 10 year sustained revival Pastor Kim equips you to transform a life of spiritual dryness into one with spiritual zeal maintain a holy desperation for God prioritize a passionate pursuit of Jesus experience a vibrant contagious relationship with Christ There will be no personal revival if there's no personal pursuit In these difficult times before Christ's return it's imperative we live in his presence and fullness on fire with zeal and passion This is not optional This is what Jesus shed his blood for *Ordinary Time* Michael D. Riley, 2016-04-08 Liturgy is the golden chore the ineffable becomes as practical as a calendar or a loaf of bread The Son of God becomes the Son of Man and briefly walks among us Love itself incarnate in the life of faith This generous collection in both senses of spirit and breadth uses the liturgical year to explore the many aspects of Christian belief In a wide variety of voices styles and forms Ordinary Time the title is deeply ironic includes themes from the most intimate examinations of conscience to some of the knottiest theological philosophical questions In tones ranging from comic satiric to meditative to ecstatic in characters as diverse as several apostles three different Christmas shepherds Mother Theresa a retired Navy cook and a lapsed Catholic celebrity on a TV talk show these poems cover an extraordinary breadth of faith experience without diminishing the struggles of faith Like Mother Theresa in Darkness absence and doubt have their place they move Incarnate grace deep enough even to meet suffering and death The ritual year that winds from nativity to death to resurrection includes each member of the body of Christ This collection provides one pilgrim experience in memorable detail *Strength of Materials and Structures* Carl T. F. Ross, The late John Case, A. Chilver, 1999-08-27 Engineers need to be familiar with the fundamental principles and concepts in materials and structures in order to be able to design structures to resist failures For 4 decades this book has provided engineers with these fundamentals Thoroughly updated the book has been expanded to cover everything on materials and structures that engineering students are likely to need Starting with basic mechanics the book goes on to cover modern numerical techniques such as matrix and finite element methods There is also additional material on composite materials thick shells flat plates and the vibrations of complex structures Illustrated throughout with

Clarissa Harlowe's pursuit by the brilliant unscrupulous rake Robert Lovelace. The epistolary structure allows Richardson to create layered and fully realized characters as well as an intriguing uncertainty about the reliability of the various narrators. Clarissa emerges as a heroine at once rational and passionate, self-sacrificing and defiant, and her story has gripped readers since the novel's first publication in 1747-48. This new abridgment is designed to retain the novel's rich characterizations and relationships and reproduces individual letters in their entirety whenever possible. This Broadview Edition provides a uniquely accessible entry point for readers while retaining much of the powerful reading experience of the complete novel.
