loosen its strict Islamic social codes and confront its enemies around the region especially Iran That vision won him fans at home and on Wall Street in Silicon Valley in Hollywood and at the White House where President Trump embraced the prince as a key player in his own vision for the Middle East But over time the sheen of the visionary young reformer has become tarnished leaving many struggling to determine whether MBS is in fact a rising dictator whose inexperience and rash decisions are destabilizing the world s most volatile region Based on years of reporting and hundreds of interviews MBS reveals the machinations behind the kingdom s catastrophic military intervention in Yemen the bizarre detention of princes and businessmen in the Riyadh Ritz Carlton and the shifting Saudi relationships with Israel and the United States And finally it sheds new light on the greatest scandal of the young autocrat s rise the brutal killing of journalist Jamal Khashoggi by Saudi agents in Istanbul a crime that shook Saudi Arabia s relationship with Washington and left the world wondering whether MBS could get away with murder MBS is a riveting eye opening account of how the young prince has wielded vast powers to reshape his kingdom and the world around him
