Ruthless Agreement:

Moguls and Madmen Jory Farr, 2001-07-23 Rock and roll started as a devil's dance and a shout of ecstasy and ever since it has carved its path between those who want to control it and those who want to push it to the edge or over the edge. A blend of profile criticism, investigative reporting and history, *Moguls and Madmen* is a compelling look at today's often explosive at times out of control music industry. It's a collection of stories from the culture's shadow world: tales of guns and gangs, sex and drugs, greed and lawsuits, told through the eyes of both the moguls seeking power and money and the artists seeking fame and fortune. *Thoughtfully Ruthless* Val Wright, 2016-04-22 Unlock explosive growth potential with the true model of modern leadership. *Thoughtfully Ruthless* lays out the secret to rapid business growth by showing you how to magically invent more time, catapult your energy and boost the productivity of your resources. Author Val Wright has worked with leaders of all stripes from doctors to musicians to Fortune 500 suite executives to help them unlock their potential and achieve the next level of success. Her experiences have shown time and time again that it's not the economy or the market conditions or the competition that's holding your business back. The secret to exponential growth lies within how leaders ruthlessly manage their time, energy and resources in parallel. Everyone is on a virtual center stage with the whole world watching and reporting every move. Leaders need to know how to be ruthless in a thoughtful way. This book shows you how to become that kind of leader and how to adopt the habits, skills and practices of some of the most successful business leaders of our time. You'll learn how to become sensibly selfish, how to spend your time and energy and what issues to delegate or ignore so you can clear your slate to focus on what really matters to you. In a world where rapid growth is the new norm, we have input overload. Leadership is much lauded but commonly underpracticed in business today. This book is designed to help you shape your leadership to drive business growth, get you promoted faster and create a life that you love. Recover your time and energy away from black holes. Focus on the factors that really impact your business. Identify and build the all-star team you need tomorrow today. Create magnetic support and followership. Learn the secret to pulling ahead of the competition. With all the boardroom handwringing about products, the new consumer and financial results, it's easy to get sucked into issues that ultimately have only a granular effect on real growth. *Thoughtfully Ruthless* leadership differentiates remarkable leaders and companies. This book provides a model for growth-oriented leadership and lays out the essential practices you should start today. **SPIN**, 1994-08 From the concert stage to the dressing room, from the recording studio to the digital realm, *SPIN* surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews and a discerning critical ear.
