Back Roads and Better Angels Francis S. Barry, 2025-05-06 Bringing together two of America's unifying loves road trips and Abraham Lincoln Frank

Barry takes readers on a thought provoking journey into the heart of our democracy and the soul of our country Barry probes the American soul finding its biases but also nurtured by its complicated past our better angels with an opportunity to move forward Ken Burns A year into his marriage and having never driven an RV Frank and his wife Laurel set out from New York City in a Winnebago to drive the nation s first transcontinental route the Lincoln Highway which zigzags through small towns and big cities from Times Square to San Francisco Using the spirit of Abraham Lincoln to guide them across the land they hope to see more clearly what holds the country together and how we can keep it together even amidst political divisions have grown increasingly rancorous bitter and exhausting Along the way Frank and Laurel meet Americans whose personal experiences help humanize the nation s divisions and they encounter historical figures and events whose legacies are still shaping our sense of national identity and the struggles over it This unforgettable journey is full of what makes any great road trip memorable and enjoyable music conversation and laughter By the end readers will have a clearer picture of how we have arrived at a period that carries echoes of the Civil War era and using Lincoln as a guide where the path forward lies
