## Ryan Ryan Davies:

**The Broken Wave** Matthew Ryan Davies, 2023-11-28 Those who enjoy Craig Silvey Trent Dalton and Richard Flanagan's books will find much to think about here We never talked about what happened in 1992 Did it quietly haunt him the way it did me In the small seaside town of Queenscliff two boys from opposite sides of the world forge a friendship over a summer of sun adventure and brotherhood Until a catastrophic event shatters their idyllic childhoods Two lives are lost A lie is told Years later when Tom dies in suspicious circumstances Drew flies from the US back to Australia for his friend's funeral Still haunted by that night in 1992 he's about to find out if Tom ever told anyone the truth if the two events are connected and if their friendship was worth the price they paid Told with Davies' trademark emotional depth and sensitivity *The Broken Wave* is a compelling mystery about the long tentacles of childhood trauma finding connection in the least expected places and the unbreakable bond of friendship Praise for *The Broken Wave* In *The Broken Wave* an American writer struggles with his difficult second novel Matthew Ryan Davies would seem to have no such problem this second novel is a taut and compassionate examination of the way the people we know as children mark us forever As it builds to its devastating conclusion *The Broken Wave* will leave you breathless Hayley Scrivenor *The Broken Wave* drags you in from its first pages and refuses to let go Flowing with ease between idyllic past and haunted present it builds an irresistible mystery suffused with all too real pain and melancholy Don't miss it Gabriel Bergmoser Superbly characterised and almost unbearably tense *The Broken Wave* had me both holding my breath and turning the pages Davies writes with assurance and empathy transporting the reader through one golden childhood summer to a shocking tragedy that will ricochet down the years Haunting and heartfelt I am still thinking about *The Broken Wave* weeks after finishing it Kylie Ladd Unlike anything else you'll read this year A gripping page turner that had my heart racing as the story unfolded The shocking revelation will stay with you a long time Peter Papathanasiou It's haunting sensitively written literary fiction a complex investigation of trauma a subject explored with nuance and emotional depth and a buddy narrative that'll appeal to admirers of Craig Silvey for instance Sydney Morning Herald *Representing Autism* Stuart Fletcher Murray, 2008-06-01 From concerns of an autism epidemic to the MMR vaccine crisis autism is a source of peculiar fascination in the contemporary media Discussion of the condition has been largely framed within medicine psychiatry and education but there has been no exploration of its power within representative narrative forms *Representing Autism* is the first book to tackle this approach using contemporary fiction and memoir writing film photography drama and documentary together with older texts to set the contemporary fascination with autism in context *Representing Autism* analyses and evaluates the place of autism within contemporary culture and at the same time examines the ideas of individual and community produced by people with autism themselves to establish the ideas of autistic presence that emerge from within a space of cognitive exceptionality Central to the book is a sense of the legitimacy of autistic presence as a way by which we might more fully articulate what it means to be human

*The Plough Boy* Tony Parker,2013-07-16 Those of you who have read Tony Parker s book *The Plough Boy* will be familiar with the story of Michael Davies He was one of six youths concerned in an affray in which a boy was killed Five of them received short terms of imprisonment but Davies was condemned to death The door to the execution shed was the first thing he saw when he opened his eyes every morning That boy spent 92 days in the condemned cell watching that door before he was reprieved I hope we can agree that torture of that kind shall never again be inflicted in Britain Baron Stonham in the Lords debate on the Murder Abolition of Death Penalty Bill 19 July 1965

**Breakwater** Chinedu Nnadi,2025-09-07 When the sea turns deadly survival demands more than courage it demands sacrifice Marine biologist Dr Lila Moreno signs up with Miami s coastal rescue unit to protect the ocean she loves never expecting to face the horrors hidden beneath its waves But during a violent storm a smuggling vessel capsizes just off the coast Dozens of trafficked migrants are trapped below deck pounding against steel walls as the wreck slowly sinks Alongside Chief Petty Officer Ryan Hale a battle scarred Coast Guard diver Lila dives into a nightmare black water shifting wreckage dwindling air Every dive risks their lives but leaving innocents behind is unthinkable Then comes the revelation the traffickers are still alive armed and determined to erase every trace of their operation The rescuers are no longer saviors but targets Trapped between the

crushing ocean and ruthless predators Lila and Ryan must outwit both the sea's fury and human cruelty As the storm intensifies the wreck becomes a tomb and the fight to save strangers turns into a fight for their own survival With each desperate dive trust deepens between the unlikely pair But in a world where one wrong move means drowning or death by bullet courage may not be enough Breakwater is a pulse pounding thriller of resilience and hope where compassion becomes the fiercest weapon against fear and every heartbeat is a countdown to the final wave *Turning God's Face* Steve Dragert, 2012-05 Fr Tom Kennedy's first experience with something totally out of the norm is when he hears the confession of a small boy who scares the priest with his evil description of something he has done and for which he has no remorse The Nazarene woman approaches a school board meeting for the purpose of lodging a complaint against their removal of all books relating in any way to Christianity What she encounters at the meeting is our first look at the power of Satan unchecked A number of other individuals find disturbing human actions and nature gone wrong What has caused the garden belonging to Fr Tom's mother to rot into plastic type vegetation What is behind the riots within the small community where they live What is the cause of the mysterious behavior the non believer finds in the wilderness of northern Minnesota Why is the disturbing prayer life and extreme difficulty with dreams from all the individuals we meet so much of a concern to not only the ones suffering but to us the readers Fr Tom and another priest friend call a meeting of all the individuals we know and some we will get to know at this meeting The purpose of this get together is to determine the cause of these common effects on the lives of so many different people from different backgrounds and different faiths The meeting becomes a place where all the concerns are voiced and all the sufferings are exposed A possible reason for the commonalities is shared and agreed upon by all the attendees How do we God's people face this problem that eventually takes Fr Tom all the way from his bishop to Rome Fr Tom receives some heavenly help in solving this problem as he takes steps to engage the path that he has been directed
