

Rye And Rye Beach

Bryant Franklin Tolles

Rye And Rye Beach:

Rye and Rye Beach William M. Varrell,1997-01-01 Many years ago William Varrell was talking with an old carpenter's wife in Rye. Father was the town photographer. We still have the glass negatives she mentioned. Thus began Varrell's fascination with the old images that breathe new life into long forgotten events and faces from Rye's past. Rye is a small town without major industries or impressive public buildings but it has a long and colorful history. Alas there were no cameras to record the colonial settlements, the Native American massacres or Rye's proud role in the Revolutionary War. However the dawn of a thriving tourist trade happily coincided with the birth of modern photography so over one hundred years of history can be experienced through the most telling of all historical documents, the photograph. Since most old photographs were taken in bright sunlight it is not difficult as you browse through this wonderful collection to take yourself back in time to a Rye that has in many ways disappeared. Visualize a tint of green for the fields and a swathe of blue for the sky, imagine the roar of the ocean or the clatter of a coach dashing by and the past will come alive before you. **Rye and Rye Beach** Lewis

T. Karabatsos,2004 Although small the town of Rye played a significant role in New Hampshire's history and in nineteenth century lifestyle and recreation. From its beginnings in 1623 Rye was predominantly a farming and fishing community. In the years prior to the Civil War however local entrepreneurs recognized the potential of their seacoast location and began catering to the needs of wealthy Victorians seeking a temporary escape from urban living. These entrepreneurs exploited the restorative powers of the ocean and established boardinghouses and grand hotels that gained national recognition. By the 1890s the Rye Beach area had peaked as a summer resort destination and began to evolve into a summer residence colony. Houses of grand scale and variety began to appear. Later with the introduction of the automobile and the extension of cable car systems up the coast Rye and Rye Beach became more accessible for day trips to the ocean. **RYE & RYE BEACH**

William M. Varrell,Arcadia Publishing,1997-01-01 Many years ago William Varrell was talking with an old carpenter's wife in Rye. Father was the town photographer. We still have the glass negatives she mentioned. Thus began Varrell's fascination with the old images that breathe new life into long forgotten events and faces from Rye's past. Rye is a small town without major industries or impressive public buildings but it has a long and colorful history. Alas there were no cameras to record the colonial settlements, the Native American massacres or Rye's proud role in the Revolutionary War. However the dawn of a thriving tourist trade happily coincided with the birth of modern photography so over one hundred years of history can be experienced through the most telling of all historical documents, the photograph. Since most old photographs were taken in bright sunlight it is not difficult as you browse through this wonderful collection to take yourself back in time to a Rye that has in many ways disappeared. Visualize a tint of green for the fields and a swathe of blue for the sky, imagine the roar of the ocean or the clatter of a coach dashing by and the past will come alive before you. **The Farragut** Farragut (Resort hotel : Rye Beach, N.H.),1920* Rye Paul D. Rheingold,2009 Rye now a suburb of New York City has a fascinating history dating

from its founding in 1660 Due to its extensive waterfront on Long Island Sound Rye has been home to several major amusement parks as well as beaches and nearly a dozen clubs These clubs have featured sailing golf and swimming and numerous postcard scenes in Rye show the ways in which residents entertained themselves over the years Rye also contains plentiful views of the churches and schools in town which date back well into the 19th century The town has had a number of famous private schools and institutions including St Benedict s Home for Colored Children and the Osborn Scenes also show civic buildings such as the fire stations post offices train stations and the mansions of the wealthy

Summer by the Seaside Bryant Franklin Tolles,2008 A sweeping richly illustrated architectural study of the large historic New England coastal resort hotels
