Daniel P. Moynihan,Larry Combest

Sabotage At Black Tom Imperial Germanys Secret War In America 19141917:

Sabotage at Black Tom Jules Witcover,1989 At eight minutes past two o'clock on the morning of Sunday July 30 1916 a gigantic explosion sent sleeping residents of New York City and surrounding areas tumbling from their beds Black Tom the huge depot loaded with ammunitions destined for the Allies to use against the Central Powers had been blown up With terrifying suddenness the Great War raging overseas had suddenly come to America Witcover provides irrefutable evidence that German saboteurs were the perpetrators

Russian Supply Efforts in America During the First World War Dale C. Rielage,2002-01-01 When Russia entered World War I its government was unprepared for the strains that modern warfare would impose on its industrial resources Russia turned to foreign suppliers most significantly the United States and made extensive purchases largely financed by loans from the British The Imperial Russian government's efforts to procure much needed military supplies in the American market before and after America's entry into World War I are the focus of this work It reveals the disorder that characterized the first Russian purchasing efforts in America in 1914 when the full demand had not yet been felt and how these efforts were transformed by the shell crisis of 1915 and the involvement of representatives of the zemstvos and industry in the formal overseas purchasing process This book also looks at Russia's dependence on the British for funding the mature phase of purchasing in mid 1916 a single order placed by the zemstvo movement with the American Locomotive Company the Russian Supply Commission's struggle to deal with America's entry into the war and the collapse of Russia's Imperial and Provisional governments

The Harding Affair James David Robenalt,2025-08-22 Warren Harding fell in love with his beautiful neighbor Carrie Phillips in the summer of 1905 almost a decade before he was elected a United States Senator and fifteen years before he became the 29th President of the United States When the two lovers started their long term and torrid affair neither of them could have foreseen that their relationship would play out against one of the greatest wars in world history the First World War Harding would become a Senator with the power to vote for war Mrs Phillips and her daughter would become German agents spying on a U S training camp on Long Island in the hopes of gauging for the Germans the pace of mobilization of the U S Army for entry into the battlefields in France Based on over 800 pages of correspondence discovered in the 1960s but under seal ever since in the Library of Congress *The Harding Affair* will tell the unknown stories of Harding as a powerful Senator and his personal and political life including his complicated romance with Mrs Phillips The book will also explore the reasons for the entry of the United States into the European conflict and explain why so many Americans at the time supported Germany even after the U S became involved in the spring of 1917 James David Robenalt's comprehensive study of the letters is set in a narrative that weaves in a real life spy story with the story of Harding's not accidental rise to the presidency

Insidious Foes Francis MacDonnell,1995-11-02 Nazi Germany's efforts to weaken the United States by subversion failed miserably Bungling spies were captured and half hearted efforts at sabotage came to nothing Yet anyone who lived through WWII remembers the chilling posters warning Americans that

Enemy Agents Have Big Ears and Loose Lips Sink Ships Even Superman joined the struggle against these insidious foes In 1940 polls showed that 71% of Americans believed a Nazi Fifth Column had penetrated the country Almost half were convinced that spies saboteurs dupes and rumor mongers lurked in their own neighborhoods and work places These fears extended to the White House and Congress In this book Francis MacDonnell explains the origins and consequences of America s Fifth Column panic arguing that conviction and expedience encouraged President Roosevelt the FBI Congressmen Churchill s government and Hollywood to legitimate and exacerbate American s fears Gravely weakening the isolationists fostering Congress s role in rooting out Un American activities and instigating the creation of the modern intelligence establishment the Fifth Column scare did far more than sell movie tickets comic books and pulp fiction Insidious Foes traces the panic from its origins in the minds of reasonable Americans who saw the vulnerability of their open society in an age of encroaching totalitarianism Philadelphia's Germans Richard N. Juliani,2021-10-21 In Philadelphia s Germans From Colonial Settlers to Enemy Aliens Richard N Juliani examines the social cultural and political life along with the ethnic consciousness of Philadelphia s Germans from their participation in the founding of the colony of Pennsylvania to the entry of the United States into World War I This book focuses on their paradoxical transformation from loyal citizens who made great contributions as they became increasingly Americanized to a people viewed as a foreign threat to the safety and security of the city and nation It also considers the policies and treatment of government and views of the local press in reporting and interpreting the dilemma of German Americans during the transition Report of the Commission on Protecting and Reducing Government Secrecy United States. Commission on Protecting and Reducing Government Secrecy,1997

Secrecy Daniel P. Moynihan,Larry Combest,1997-08 This is the highly controversial much publicized report that proposed changes for improving classification declassification practices of the U S Government to protect the nation s secrets while still ensuring that the public has access to information on government operations Explores the historical roots of current practices the consequences for both the dissemination of information to the public the sharing of info within the Federal Government the functioning of the bureaucracy that protects government secrets the effort to promote greater accountability the various costs associated with protecting secrets reducing secrecy Charts tables Nothing Less Than War Justus D. Doenecke,2011-04-22 An equally meticulous and lucid account of the controversy that preceded the United States declaration of war in April 1917 Historynet When war broke out in Europe in 1914 political leaders in the United States were swayed by popular opinion to remain neutral yet less than three years later the nation declared war on Germany In Nothing Less Than War A New History of America s Entry into World War I Justus D Doenecke examines the clash of opinions over the war during this transformative period and offers a fresh perspective on America s decision to enter World War I Praise for Nothing Less Than War Nothing Less Than War combines careful attention to diplomacy with an excellent consideration of politics and public opinion It is superb in detail and even scholars well versed in the field will learn things

they didn't know before John Milton Cooper Jr author of Woodrow Wilson A Biography Nothing Less Than War is a thoughtful look at America's entry into World War I Based on impressive research it carries the reader back to a very different time reassesses the wide ranging debate over the war in Europe and provides a stimulating re examination of the strengths and weaknesses of Woodrow Wilson's leadership Charles Neu Doenecke paints intriguing portraits of leading figures many now obscure including Franklin Delano and Theodore Roosevelt and William Jennings Bryan plus the rich stew of newspapers magazines organizations diplomats and propagandists who fought over this issue Publisher Weekly starred review Doenecke untangles and clarifies the national debate in great detail in this dense well documented study It will be of great use to serious students and researchers of the Great War Library Journal **Prisoners, Lovers, & Spies** Kristie

Macrakis,2014-03-28 This engrossing study of invisible ink reveals 2 000 years of scoundrels heroes and their ingenious methods for concealing messages Kirkus In Prisoners Lovers and Spies Kristie Macrakis uncovers the secret history of invisible ink and the ingenious way everything from lemon juice to Gall nut extract and even certain bodily fluids have been used to conceal and reveal covert communications From Ancient Rome to the Cold War spies have been imprisoned or murdered adultery unmasked and battles lost because of faulty or intercepted secret messages Yet successfully hidden writing has helped save lives win battles and ensure privacy at times changing the course of history Macrakis combines a storyteller's sense of drama with a historian's respect for evidence in this page turning history of intrigue and espionage love and war magic and secrecy From Ovid's advice to use milk for illicit love notes to John Gerard's dramatic escape from the Tower of London aided by orange juice ink messages to al Qaeda's hidden instructions in pornographic movies this book charts the evolution of secret messages and their impact on history An appendix includes kitchen chemistry recipes for readers to try out at home **The United States in the First World War** Anne Cipriano Venzon,2013-12-02 First Published in 1999 Includes six maps
