Growing in the Dark Janine M. Baer, 2004-05-28 Generations of adults who were adopted as children have been kept in the dark about their original identities The law sealing birth records passed in 1935 in California during the Great Depression swept adoptions emotional complexities under the rug and made it possible to keep adoption itself a secret Reflecting extensive archival research and written for general audiences as well as professionals *Growing in the Dark* Adoption Secrecy and Its Consequences takes you through California's early adoption laws the sealing of records in the era of baby seller Georgia Tann and the various consequences of this policy as they unfolded throughout the 20th century WHAT REVIEWERS HAVE SAID articulate easy to read and filled with real facts concerning sealed records Jean Brown adoptee If you work or live with adoption you cannot

afford to skip this book Everyone seeking to reverse outdated sealed records laws should also provide a copy of the slim paperback to their legislatures Mirah Riben author full of fascinating information you wont be able to put it down Anita Field Bastard Nation Janine Baer who was adopted in California focuses on the California law enacted in 1935 sealing original birth certificates Contrary to the popular perception the intent of this law was not to protect the privacy of birthmothers Rather these records were sealed to protect children from the stigma of illegitimacy to protect adoptive parents from intrusions by birthparents to allow adoptive parents to keep the childs adoptive status a secret to create the illusion that the birthparents did not exist and to prevent adoptees from finding their birthfamilies This is an excellent book for birthparents adoptees and adoptive parents who want to know how we got to where we are Jane Edwards Portland Oregon Growing in the Dark by virtue of its modest length and accessibility can be used to educate people both within and outside of the adoption reform movement about the effects of sealed records and the faulty premises used to support them Barbara Busharis American Adoption Congress Decree Extensive notes and bibliographic information make it an excellent resource for those arguing for open records Sandra Falconer Pace Canadian Council of Natural Mothers Note on price Nonprofit organizations and resellers get 40% off Call Xlibris for these orders 1 888 795 4274

Making Room in Our Hearts Micky Duxbury,2007-05-07 Adopted persons face challenges their entire lives as they struggle to answer the most basic question Who am I The hope of open adoption is that adopted children will develop stronger identities if they have the opportunity to develop healthy ongoing relationships with their families of origin Making Room in Our Hearts offers an intimate look at how these relationships evolve over time with real life stories from families who have experienced open adoption first hand This book helps both adoptive and birth parents address their fears and concerns while offering them the support to put the child s psychological and spiritual needs at the center of adoption Based on interviews with more than one hundred adopted children birth and adoptive parents extended families professionals and experts the book is an effective and invaluable resource for those considering open adoption those experiencing it and professionals in the field Openness has altered the landscape of adoption and Making Room in Our Hearts will help us catch up to the reality that is open adoption today

The Coordinated Management of a Culturally Diffused Identity Jeffrey J. Leinaweaver,2011-07

Internationally adopted persons confront multiple challenges in constructing their identities This study of the narrative burden of self looks at and interprets the dynamic process in which internationally adopted people develop coordinate and manage their sense of self identity and cultural racial personhood Drawing on the theory of the Coordinated Management of Meaning CMM the study focuses on their use of orphaning and adoption stories to most skillfully position and tell one s origin story in concert with one s internal sense of self and the pressures and forces found in interpersonal and intercultural dialogue The research reveals how internationally adopted people develop and demonstrate varying levels of game mastery in managing societal scripts and oppressive frames of stigma Through this game mastery the research brings to view how the participants have reflexively learned to claim ownership of their stories and develop a sense of agency while fashioning self empowering narratives out of the resources of their personal root journeys to better manage frame and coordinate the meaning of their stories across cultural and interpersonal boundaries **A. Magazine** ,2001
