Mah,2019-07-01 To thrive spiritually we need to learn from the trees Each part of the tree its roots trunk branches leaves and seeds gives valuable insights into the Christian life The roots which are critical to the tree s health and invisible to the naked eye refer to the need to develop the inner life of the Christian The root system shared among neighboring trees highlights the importance of communal living among Christians The trunk which is mainly used for wood and has rings in it points to the need for Christians to live sacrificially and to review their lives periodically The branches instruct Christians to draw strength from Christ by abiding in him The leaves call on Christians to be thankful and to seek rejuvenation of their souls when they enter a dry patch in their spiritual lives The seed that falls to the ground and dies challenges Christians to stay put and wait on God in order to gain a foothold in their spiritual lives This book will convince us to look at trees in a different light We begin to appreciate trees which we have taken for granted for their silent wisdom The Cultivated Life Susan S. Lamp Jr., 2021-07-27 Have you ever wondered Is this all there is to life and ministry with the Lord Why am I so tired all the time How can I grow in my intimacy with God in practical ways Am I so busy doing that I have forgotten how to be with God As ministry workers we too often face these questions because we too often expect a thriving personal relationship with God to be an outcome of our ministry Journey With Me illustrates that ministry is the result of the overflow of our relationship with God rather than vice versa Exploring over fifteen ancient spiritual graces such as Lectio Divina rule of life silence and solitude and prayer of Examen Herbert F Lamp Jr invites us to prioritize soul care rather than treating ministry as a replacement for intimacy In the process of knowing and being known God fills us up with his love joy peace and wisdom Only then can we minister to others balancing a heart for God with hands for service After almost four decades of missionary service Lamp has experienced the joys and potential pitfalls of serving Christ cross culturally Sharing his experiences and offering practical time tested methods to grow spiritually Lamp invites you to journey with Our Father intimately as you cross your cultural linguistic ethnic and geographic borders serving him wholeheartedly and passionately **Blessed Connections** Judith Schwanz, 2008-01-15 No pastor sets out to fail but statistics say 15 to 20 percent of pastors leave

pastoral ministry within the first five years One seminary administrator said that every person he had heard of leaving the ministry had done so because of a relationship failure We cannot escape relationships in ministry yet few seminaries offer courses in how to build healthy relationships The assumption is that the type of person who is called to ministry will have all the people skills they need which sadly is not always true n Blessed Connections seminary professor Judith Schwanz focuses on the person of the minister and the relational system of the minister s life She spotlights three areas of connection relationship with self relationships with other people and relationship with God Attending to these three primary connections will strengthen the pastor and cushion her or him against the pressures and stresses of daily ministry Blessed Connections is ideal for seminary students and new pastors and includes Assessment Journal questions at the end of each chapter for personal application Rediscovering the Spiritual Disciplines for Today's Ministry Leadership: A Journey of Proactive Spiritual Formation for Leaders Dr. Steve A. Maglio,2021-10-29 Military chaplains are highly trained professionals with multiple graduate degrees and varying civilian pastoral experience They enter the chaplaincy after a rigorous selection process and military courses which all must verify their calling to military ministry Throughout a chaplain s career he or she will attend many continuing education seminars civilian education graduate programs and conferences all provided by the military However chaplains are challenged with the rigorous multitasked environment of this ministry Multiple deployments into combat have negatively impacted the personal lives of those seeking to care for the souls of the soldier This book encourages the importance of spiritual resiliency in the lives of leaders both military and civilian Leaders who regularly practice spiritual disciplines will be less likely to suffer personal and professional failure or burnout Second the leader s practice of spiritual disciplines is essential to fostering positive modeling and mentoring for young chaplains and those wishing to serve Third practicing historic Christian spiritual disciplines will benefit those who strive to lead congregations and especially military installations in the free exercise of their faith *Learning Our Names* Sabrina S. Chan,Linson Daniel,E. David de Leon,La Thao,2022-08-30 Asian American Christians have diverse stories beyond the cultural expectations of the model minority or perpetual foreigner In this compelling resource a team from East Asian Southeast Asian and South Asian backgrounds encourage us to know our history telling diverse stories of the Asian diaspora in America and the impacts of migration culture and faith Perspectives on Prayer and Spirituality Maurice Elliott,Patrick McGlinchey,2021-02-12 Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before Spirituality in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one It acknowledges that there must be more to life than what secular media or consumerism might tell us The joyful message of Perspectives on Prayer and Spirituality is that the spiritual quest is a valid one and worth exploring There is

treasure to be found However the surprise is that we must rediscover what we have left behind In the words of G K Chesterton it is not that the Christian ideal has been tried and found wanting rather it has been found difficult and left untried This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure The title Perspectives on Prayer and Spirituality alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known
