Saddle Up Richard F. Landers,1998 *Vietnam War US & Allied Combat Equipments* Gordon L. Rottman,2017-01-26
Over the eight years of the Vietnam War US forces used three major types of equipment sets with numerous modifications for particular circumstances Different equipments were also used by Special Forces the South Vietnamese and other allied ground troops Vietnam War US Allied Combat Equipments offers a comprehensive examination of the gear that US and allied soldiers had strapped around their bodies what they contained and what those items were used for Fully illustrated with photographs and artwork detailing how each piece of equipment was used and written by a Special Forces veteran of the conflict this book will fascinate enthusiasts of military equipment and will be an ideal reference guide for re enactors modellers and collectors of Vietnam War memorabilia **British Empire Uniforms 1919 to 1939** Edward Hallett,Michael Skriletz,2019-07-15 A colourful survey of the uniforms and accoutrements of British Empire forces between the wars from 1919 to 1939 **Soldier** Phil Rutherford,2017-08-05 Soldier presents a magnificent collection of highly detailed illustrations depicting uniforms worn by the military forces of this nation from colonial times to the modern era Accompanying each illustration is the history of the uniform and equipment portrayed and the men and women who wore the uniform and the circumstances of their service This is a book rich in colour and historical narrative Soldier is much more than simply a description of military uniforms and equipment Phil Rutherford has spent over 20 years searching for the roots of Australia s modern army analysing trends both in dress and in the military art itself In doing so he has discovered that there is very little about the uniforms worn and the equipment carried by today s soldiers that can truly be called its own Even the most iconic symbol of the Australian army the slouch hat was not invented by a Victorian volunteer as popular rumour suggests but was worn by troops in seventeenth century Europe In fact there are significant elements of the army s dress and equipment such as the badges of rank worn by both soldiers and officers which can be traced to the days of knights in shining armour Soldier seeks to map the links between the army s modern dress and its earliest antecedents describing the formation and history of Australia s army from the perspective of both the regular and reserve soldiers This book also reveals the story behind the soldiers themselves the men and women who wore these uniforms and the times in which they served since the first volunteers and militias were raised to protect the lives and property of the earliest settlers from adversaries both real and imagined **Anzac Battlefield** Antonio Sagona,Mithat Atabay,C. J. Mackie,Ian McGibbon,Richard Reid,2016-01-21 Anzac Battlefield A Gallipoli Landscape of War and Memory explores the transformation of Gallipoli s landscape in antiquity during the famed battles of the First World War and in the present day Drawing on archival archaeological and cartographic material this book unearths the deep history of the Gallipoli peninsula setting the Gallipoli campaign in a broader cultural and historical context The book presents the results of an original archaeological survey the research for which was supported by the Australian New Zealand and Turkish Governments The survey examines materials from both sides of the

battlefield and sheds new light on the environment in which Anzac and Turkish soldiers endured the conflict Richly illustrated with both Ottoman and Anzac archival images and maps as well as original maps and photographs of the landscape and archaeological findings Anzac Battlefield is an important contribution to our understanding of Gallipoli and its landscape of war and memory **History** ,1996 *Army-Navy-Air Force Register and Defense Times* ,1921 *Los Angeles Magazine* ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian *Machinery Market* ,1931 **Engineering** ,1952
