Mysteries Knut Hamsun, 2001-01-01 The first complete English translation of the Nobel Prize winner's literary masterpiece A Penguin Classic Mysteries is the story of Johan Nilsen Nagel a mysterious stranger who suddenly turns up in a small Norwegian town one summer and just as suddenly disappears Nagel is a complete outsider a sort of modern Christ treated in a spirit of near parody He condemns the politics and thought of the age brings comfort to the insulted and injured and gains the love of two women suggestive of the biblical Mary and Martha But there is a sinister side of him in his vest he carries a vial of prussic acid The novel creates a powerful sense of Nagel's stream of thought as he increasingly withdraws into the torture chamber of his own subconscious psyche For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 800 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Carfagno,2020-12-22 This book is designed to haunt you to your very core The short and terrifying stories in this book are all inspired by true events Stalkers ghosts demons aliens and more all make their way into this collection of stories The stories in this book are written in a way to fully immerse you in the suspense and terror The Yellow Room and Other Terrifying Stories will leave a lasting and nightmarish presence on you for years to come Rethinking the Education of Deaf Students

Sue Livingston,1997 Here is a compelling and controversial text which asserts that Deaf students should be treated no differently than non Deaf students The author a veteran and practicing teacher rejects the predominant view of Deaf students as special learners in need of language remediation and repair Instead she maintains that for Deaf students as well as their hearing counterparts the primary educational goal is the making and sharing of understandings in various subjects Furthermore she views this as a process that occurs naturally concomitantly and reciprocally with the acquisition of language regardless of one s hearing ability Livingston s assertion clashes with conventional Deaf education which presumes that the wider learning begins after students master a sign system that codifies and reconstructs English With a cumbersome orderly piecemeal and unnatural approach this traditional view frequently forces teachers to water down curriculums in an attempt to make English more readily acquired As a result Deaf students are deprived of rich and challenging content Rethinking the Education of Deaf Students offers an alternative and demonstrates how American Sign Language ASL and English can coexist in the same classroom embedded in the content of what is being taught Through clear theoretical explanations field tested teaching strategies authentic examples of students work lesson plans and sections on assessment Livingston suggests ways to help students become educated language users Her ideas hold enormous implications for those who teach Deaf students develop school budgets design programs and train future teachers More important they may hold the key that unlocks the potential of Deaf students of all ages to become voracious readers and accomplished writers **The**

Publishers Weekly Lord Qin Tricks Sweet Wife Dai MengLiuShaBao, 2020-03-08 After a life or death misunderstanding, Qin Hanze barged into Wen Zhizhi's life with a purpose. She was treated like a mistress by the scum man. He saved her and protected her. She was bullied by the evil woman into living on the streets. He took her in and took care of her. She had thought that she had met a male God, but she hadn't expected that all of this was a trap. He was simply a devil. **Creepy Archives Volume 3** Archie Goodwin, 2023-10-17 Cast your bloodshot eyes and feed your fetid imagination on the deliciously deranged tales of terror unearthed from the spine-chilling pages of Creepy magazine. It isn't. It's damned hard work combined with great patience, raw talent, stunning creativity, and most of all, the overpowering will to succeed. Of all the novels I've read over the years, one thing stands out in my mind: Characterization is everything in all stories. If you adore a character, you'll follow them to the edge of the universe and back again. Here I will share the secrets of creating a compelling story through each character's goals, motivation, and conflict. The key to an engaging story has always been the characters and how they interact. A writer should know each character's goal, what they want, motivation, why they want it, and conflict, why they can't have it. So I will guide you through the nuances of crafting and identifying their goals, motivation, and conflict to ensure your readers keep turning pages late into the night, even though they are falling asleep as they read. **Skye Stories** Raymond Moore, 2021-10-30 My life was far from normal. Sometimes I wish it was. From the streets of Glasgow to the hills of Skye, and that was just the beginning. Join me in my journey of early 80s Edinburgh, my student nurse days, the highs and lows of being a male nurse, my days of being a local impresario and record label owner, pub singer, and occasional actor. My loves, my losses, my travelling, and working in other cities and other countries. Marrying a young Thai girl and becoming a father, not once but thrice, all in my mid-forties and early 50s. This is the story of the best and worst bits. **American Silent Horror, Science Fiction and Fantasy Feature Films, 1913-1929** John T. Soister, Henry Nicoletta, Steve Joyce, 2014-01-10 During the Silent Era, when most films dealt with dramatic or comedic takes on the boy-meets-girl, boy-loses-girl theme, other motion pictures dared to tackle such topics as

rejuvenation revivication mesmerism the supernatural and the grotesque *A Daughter of the Gods* 1916 *The Phantom of the Opera* 1925 *The Magician* 1926 and *Seven Footprints to Satan* 1929 were among the unusual and startling films containing story elements that went far beyond the realm of highly unlikely Using surviving documentation and their combined expertise the authors catalog and discuss these departures from the norm in this encyclopedic guide to American horror science fiction and fantasy in the years from 1913 through 1929
