Broken Arrow Angela Aleiss, 2025-10-07 An insightful history and analysis of the importance Delmer Daves film Broken Arrow has in the western film genre It was for its time a breakthrough in how Native Americans were depicted in the movies The release of Broken Arrow in 1950 represented a turning point in Hollywood's portrayal of Native Americans Film scholars have often cited director Delmer Daves's movie as the first sound film to depict the Native American sympathetically and it appealed to a postwar ideal of tolerance and racial equality that became prominent in later Westerns Yet Broken Arrow certainly has its flaws the Apache speak English whites are cast in leading Apache roles and Apache culture is highly

romanticized Additionally many scholars agree that the movie lacks the polish of Daves s later Western 3 10 to Yuma 1957 with its evocative cinematography and psychological undertones Despite its inaccuracies and the many artistic liberties it takes the movie contains powerful political and social statements about Hollywood and its attitude toward Indian white relations Author Angela Aleiss breaks down the way Broken Arrow probed these attitudes and influenced a long series of films with Native heroes that followed marking a transformation in Hollywood s portrayal of Native Americans *Moon Phoenix, Scottsdale & Sedona* Kathleen Bryant,2014-02-11 In Moon Phoenix Scottsdale Sedona longtime Arizona resident Kathleen Bryant covers the hot spots of the Valley of the Sun including Phoenix s sandstone peaks the red rocks and vortexes of Sedona and the best golf courses and shopping Scottsdale has to offer Discover the rich culture of the Native American tribes who first settled the Valley venture north to the leafy respite of Oak Creek Canyon marvel at larger than life cacti at the Desert Botanical Garden or explore fossils at the Mesa Southwest Museum Packed with information on the best dining transportation and accommodations Moon Phoenix Scottsdale Sedona caters to a range of travel budgets With unique travel strategies such as Desert Romance and Southwest Heritage Moon Phoenix Scottsdale Sedona gives travelers the tools they need to create a more personal and memorable experience This ebook and its features are best experienced on iOS or Android devices and the Kindle Fire Fodor's 2008 Arizona & the Grand Canyon Caroline Trefler,2007-11-06 Describes points of interest in each region of Arizona recommends restaurants and hotels and includes information on shopping and entertainment *Oversight of Grand Canyon Overflights* United States. Circles William O. Jones, 2008-06-19 BOOK DESCRIPTION FOR BOOK S PAGE ON THE XLIBRIS WEB SITE In 2003 William Oscar Jones had become totally dissatisfied with the senseless and no thrilling productions of Hollywood Time and time again he had watched movies with senseless scenes and non dramatic endings So William set out in the spring of 2003 to produce a better movie by writing a book that he felt would reflect the true qualities of a satisfactory movie First of all William desired to write a book where every scene would relate to the theme title and ending He wanted a book that would convey moral principles and teach valuable lessons As a man of little income William was very familiar with the day to day difficulties of the common man So he wanted to write a book that would appeal to the common man as well as the rich The idea for William s book Circles started in January of 2003 while William and his fellow security officer were conversing in front of the home of the World Bank president William and his associate were parked in a security vehicle guarding the president s house when William made the statements The president could at least send his maid to us with glasses of water or food I wonder how he would feel if he were out here in this cramped vehicle and we showed no concern for his welfare From those statements developed the theme for William s book Circles a rich man replacing the position of a poor man The thoughts of that conversation had disappeared by spring of that year until William saw his fifth and final dissatisfying movie After seeing that movie William became frustrated and thought to himself If Hollywood can t produce a movie decent enough to satisfy me then hell I will satisfy myself William knew that he could write a better movie than the

ones he had witness So in the spring of 2003 William set out to write a book and as he thought about various themes the conversation he had had in January came back to mind and the theme for Circles was born William had interacted with many wealthy people through his job at World Bank and as a caterer for a popular Indian restaurant in Washington DC and he had developed a strong dislike for them He did not dislike wealthy people simply out of envy but through his interactions with them William discovered that most people of wealth have very little moral character and concern for people less fortunate than they He discovered that most wealthy people are proud and arrogant and feel that they are better than the average person So after experiencing both sides rich life and poor life William decided to write a book that would appeal to both readers rich and poor So came Circles Circles is a story about a young man name John Sellers who by nature is a kind and caring kid But due to the effects of his racist father who is a member of Southern Knights of the Ku Klux Klan John grows to become a cruel and racist young man John s biological father eventually dies and John s mother Kate remarries to an extremely moral man name Peter Braxton Peter takes on the task of trying to reverse the racist and cruel ways of John but Peter would eventually learn that John is too deeply rooted into the racist ways of his father After training and instilling in John all the moral principles that he could Peter gave up on what seemed to be a hopeless effort and he warned John that one day his evil ways would come back to haunt him John s last name became Braxton after his adoption by Peter Braxton and later in life he becomes a billionaire the world s third wealthiest person John would eventually encounter a tragedy that would reduce him to the level of a bum and the only people who would be willing to assist him are the very people that he had once abused and despised After being redeemed by this experience John would ultimately become the truly kind person that he really is and **Arizona Highways** ,1994 Arizona Highways ,1926
