S G Human Intimacy Cox,1999-08-01 **Human Intimacy** Frank D. Cox,1987-03 *Singapore, Spirituality, and the Space of the State* Joanne Punzo Waghorne,2020-03-19 This book examines spirituality in Singapore showing how important the city state is for understanding contemporary global configurations of urban space religion and spirituality Joanne Punzo Waghorne highlights how the formal religious spaces temples churches and mosques have been confined to allotted sites on the map of Singapore whereas various spiritual organizations particularly of Hindu origins and headed by a guru still continue to operate as societies classified by the government with other clubs These unconventional religiosities are not confined but ironically make their own places meeting in ostensive secular venues high rise flats malls businesses and community centers thus existing in the overall space of religion commerce and the state The book argues that State of Singapore also operates between the secular and the religious constructing an overarching spatial regime that both accommodates and yet rivals the alternate spheres that spiritual movements construct under its umbrella Both spatial configurations challenge the presumed relationships between myth and reality religion and commerce the ethereal and the concrete the sacred and the secular on the levels of self community and polity Singapore now deemed a model for urban development in Asia also offers an understanding of a new post secularity and perhaps reveals where the urbanized world is headed *Asian Women and Intimate Work* ,2013-10-10 Winner of the 2014 Choice Outstanding Academic Title Award Asian women are often labelled with biased stereotypical images ranging from subordinate housewife to migrant domestic maid and overseas bride Asian women in fact are being constructed as women among women These feminine roles are related to the various activities that women perform for others in intimate relationships both within and outside the family This book comprises contributions from a distinguished group of international researchers who examine the historical development of new women and good wife wise mother women s roles in socialist and transitional modernity and the transnational migration of domestic and sex workers as well as wives Civil Society And The State In Singapore Carol Soon,Gillian Koh,2017-01-05 Set within the context of growing political pluralism and the increasing use of new communication technologies for social mobilisation the Institute of Policy Studies organised a national conference on civil society in November 2013 This collection of the essays that were presented at or inspired by the conference provides nuanced analyses of the development of the sector in Singapore since the Institute s first such conference held in 1998 The first section of the book discusses the different philosophies and approaches that underpin how civic activists engage with the State the second section examines some key forces of change that are re shaping the sector and the third section sets out some emerging issues facing it Combining insights from experts and civic activists themselves this book proposes an agenda for the future development of the civil society in Singapore **Transformation of the Intimate and the Public in Asian Modernity** ,2014-08-07 This volume the first major study in its field offers an invaluable stepping stone to a more informed

understanding of the fundamental social changes taking place in Asia defined as a reconstruction of the intimate and public spheres. Such changes are being observed worldwide but previous studies relating to this phenomenon are largely based on Western experiences dating back to the 1970s. Developments in Asia however are manifesting both similarities and differences between the two regions. The book's strongest appeal therefore lies in its theoretical orientation seeking to define frameworks that are most relevant to the Asian reality. These frameworks include compressed and semi compressed modernity, familism, familization, policy, unsustainable society, the second demographic dividend, care diamonds and the transnational public sphere. Such concepts are seen as essential in any discussion concerning the intimate and public spheres of contemporary Asia. Accordingly, *Transformation of the Intimate and the Public in Asian Modernity* can be seen as a valuable text as well as a work of reference and will be welcomed by social scientists and cultural anthropologists alike. The book comprises an in depth introduction and ten chapters contributed by scholars from Japan, Korea, Thailand and Canada covering topics ranging from low fertility, changing life course, increasing non regular employment, care provision, migrant workers, social policies and family law to the activities of transnational NGOs with a special focus on distinctive features of Asian experiences.

The "Bare Life" of Thai Migrant Workmen in Singapore Pattana Kitiarsa, 2014-01-05. Transnational labor migration often begins with the dream of securing a more stable and prosperous future, a chance to survive. The lure of global cities as a place to attain that dream looms large within the context of rural urban migration flows. This book reveals some of the complex phenomena and processes that strip bare the lives and dreams of migrant workers living abroad whose life experiences are overwhelmingly dominated by stress and suffering and diminished gendered roles. The book illuminates the intimate aspects of how Thai male migrants have transcended their harsh reality while living under Singapore's strict regulations governing foreign workers. Stripped bare of the powerful sociocultural, economic and legal processes that govern their existence at home, these men must recraft their gendered selfhoods, identities and sensibilities. Using personal and interpretive ethnography, the book explores how popular music, sports, religious beliefs, cultural traditions, sexual desire and intimacy are refashioned by appropriating cultural and symbolic capital into new cultural experiences. It also provides an extensive look at the sudden unexplained nocturnal death syndrome (SUNDS) among young healthy Thai construction workers in Singapore. The author's in depth analyses of migrant social life and male migrant gendered identity negotiating processes provide an invaluable contribution to our understanding of labor transnationalism in the Southeast Asian context. Highlights: An important contribution to studies of the masculinization of migration. Provides ample insight into the lived experience of migrant workers. Explores an often forgotten side of labor migration, that of sexual intimacy. Adds a rich, detailed understanding of village transnationalism.

Population Policy and Reproduction in Singapore Shirley Hsiao-Li Sun, 2012. This book examines the relationship between population policies and individual reproductive decisions in low fertility contexts. Using the case study of Singapore, it demonstrates that the effectiveness of population policy is a function of

competing notions of citizenship and the gap between seemingly neutral policy incentives and the perceived and experienced disparate effects Drawing on a substantial number of personal interviews and focus groups the book analyzes the developmental welfare state s overarching emphasis of citizen responsibility and examines population policies that reinforce social inequalities and ignore cultural diversity These factors combine to undermine elaborate state policy efforts in encouraging citizens biological reproduction The book goes on to argue that in order to facilitate positive fertility decisions the state needs to modify the economic production at all cost approach and pay much more attention to the importance of social rights This suggests that the Singapore government might profitably approach the phenomenon of very low fertility with major initiatives similar to those of other advanced industrialized societies This book offers a significant contribution to the literature on social policy East Asian and Southeast Asian studies

The Intricacies of Love and Intimacy Ami

Rokach,2024-08-30 This book explores the meaning of love and intimacy from a variety of perspectives specifically philosophical psychological and cultural This volume is a focussed study on what makes them and what may break love and intimacy Love and intimacy are central to us is sought by almost everyone and while we seem to know what they are they are not easily described The present volume includes eleven chapters which are divided into two parts The first part describes the meaning of love intimacy and romantic relations and the second highlights what may go wrong in such relationships and why The book explores theoretical debates and contemporary research around emotions and will be of interest to students and researchers of psychology philosophy as well as sex marriage and family therapists and counselors The chapters in this book were originally published in The Journal of Psychology

Imagining Heaven in the Middle Ages Jan S.

Emerson,2014-04-08 Medieval attempts to capture a glimpse of heaven range from the ethereal to the mundane utilizing media as diverse as maps cathedrals songs treatises poems visions and sewer systems Heaven was at once the goal of the individual Christian life and the end of the cosmic plan It was simply stated perfection But interpretations varied from the traditional to the dangerously unique as artists and authors theologians and visionaries struggled to define that perfection Depending on the source heaven s attributes vary from height to depth darkness to light silence to symphony the souls within it from activity to passivity experience to essence participation to distant admiration Questions addressed in this anthology include Are erotic and spiritual love mutually exclusive Does the soul s happiness depend on the resurrection of the body What will be the nature of the transfigured body Will it retain its gender Will it have senses Will it know desire How can desire and fulfillment exist together Can the human soul ever know God Contributors to this volume examine well known and previously unexplored texts and artefacts from historical and art historical theological philosophical and literary perspectives to complement and challenge more general surveys of the history of heaven and above all to illuminate the richness and variety of medieval Christian ideas on heaven

Intimate Relationships Wind Goodfriend,2020-07-30 *Intimate Relationships* provides students with a comprehensive understanding of the science behind relationships using a modern approach

Becoming Queer and Religious in Malaysia and Singapore Sharon A. Bong, 2020-04-02 What does it mean to become religiously queer or queerly religious in one's everyday life? What narratives of becoming person emerge from these lived realities? Sharon A. Bong addresses these questions by exploring the personal journeys of several GLBTIQ Gay Lesbian Bisexual Transgender Intersex and Queer persons negotiating the tensions between living out their sexuality and religiosity in the context of Malaysia and Singapore. By sharing their stories, Bong presents a broad spectrum of queer strategies emerging from participants' narratives of becoming, which encompass becoming Asian, becoming postcolonial, becoming sexually religious and religiously sexual, and becoming persons. These strategies are used in the book as counterpoints to nationhood narratives of becoming Asian or postcolonial, which are still mired in religiously sponsored and colonial inherited sexual regulations. Finally, Bong shows how the insistence of identifying as both queer and religious is critical in challenging the conservative social-political milieu surrounding issues of gender diversity and inclusion within these South East Asian states.

Navigating Intimate Relationships Kanika K. Ahuja, 2025-04-29 This book spotlights the complexities of relationships, drawing on theories that have guided relationship scholars, classic studies, and current research juxtaposed with the current Indian milieu. While some believe that the study of interpersonal relationships lacks academic rigour, this book argues that relationships not only play a critical role in human behaviour and development but also are central to our well-being, happiness, and health. One of the first mainstream books in India to address relationships beyond the binary of man/woman, this volume presents an inclusive view of gender and sexuality, including non-heterosexual relationships. It also touches on multiple types of relationships in the 21st century, such as mixed families, singles, live-in, living apart together, LAT, role of dating apps, and so on. This book would be useful to students, researchers, and teachers of Psychology, Applied Psychology, Mental Health, Sociology, Family Studies, and other allied disciplines. It will be a useful guide for students to build and maintain relationships and practice positive relational attitudes like self-acceptance, gratitude, and forgiveness. It will also be an equally indispensable resource for counsellors, researchers, practitioners in mental health, family caregivers, relationship counsellors, and professionals in related fields.

SCM Studyguide Pastoral Theology Margaret Whipp, 2013-04-18 Through the course of their work with people engaged in ministries of various kinds—spiritual directors, healthcare chaplains, local clergy, theological educators, youth workers—the authors of this groundbreaking book have become convinced of the need to provide a practical guide to the practice of pastoral supervision, understood as a core discipline of the Christian church and enriched by the best of what other supervision disciplines have to offer. Each chapter focuses on a different aspect of pastoral supervision, embedding it theologically and offering rooted examples from their own practice. At the end of each chapter, practical exercises are offered to help the reader reflect on their own practice, and tools are suggested for use with supervision groups and in work with individuals.

Violence and Maltreatment in Intimate Relationships Cindy L. Miller-Perrin, Robin D. Perrin, Claire M. Renzetti, 2017-04-28 *Violence and Maltreatment in Intimate Relationships* provides

current and complete coverage of physical sexual and psychological abuse that occurs within intimate relationships Authors Cindy L Miller Perrin and Robin D Perrin co authors of SAGE s best selling Family Violence Across the Life Third Edition have created a streamlined organizational framework in Violence and Maltreatment in Intimate Relationships which presents information to students in an accessible manner In this new book Miller Perrin and Perrin have teamed up with renowned researcher Claire M Renzetti who draws on her extensive work on violence against women The book offers both a sociological and psychological focus examining traditional areas of interpersonal violence as well as forms of intimate abuse outside the family and concludes with a call for appropriate social legal policy and personal responses to address the problem of abuse in intimate relationships

Compassionate Love in Intimate Relationships Josiane M. Apollon, 2021-12-29 Drawing on interviews conducted with Black couples in the United States this book explores relational resilience and identifies unique adaptation strategies that enable couples to overcome the multigenerational effects of violence and sexual mass trauma from slavery and activates compassionate love in flourishing relationships By applying Appreciative Inquiry AI methodology and family systems theory the book captures the spiritual emotional and sexual dimensions in Black couple systems that gives meaning to their resilient relationships in the context of contemporary America Within the framework of compassionate love the book highlights the need for researchers and clinicians to include the broader cultural contexts in their sexual trauma informed studies and interventions Using genetic studies and empirical evidence the volume contributes significantly to discussion around Black relationships and historical trauma and to the broader challenges within race relations in the United States This book will benefit researchers academicians and clinicians with an interest in sexual trauma marriage and family therapy and couples counseling more broadly Readers will also find this book useful when designing research in Black studies intergenerational issues or sexual intimacy

Men and Masculinities in Southeast Asia Michele Ford, Lenore Lyons, 2012 This book brings together extensive recent innovative research on the study of men and masculinities in Southeast Asia Drawing on rich ethnographic fieldwork from Vietnam Cambodia Thailand the Philippines Singapore Indonesia and Timor Leste the book examines both dominant and marginal constructions of heterosexual masculinity and the ways in which these are performed in different localized contexts in insular and mainland Southeast Asia Through the presentation of detailed ethnographic studies on topics ranging from the professional practices of Filipino merchant seafarers to the sex lives of Thai migrant workers to the stand over tactics of Indonesian gangsters the authors in this collection challenge the idea of emerging globalizing forms of masculinities Where existing studies of gender in Asia tend to concentrate on women East Asia and gay men this book fills a significant gap and demonstrates overall how gender ethnicity class sexuality and nationality shape contemporary understandings of what it means to be a man in contemporary Southeast Asia

Love and Intimate Relationships Norman M. Brown, Ellen S. Amatea, 2013-06-17 Using a style that draws students into the ongoing inquiry into how intimate relationships work Love and Intimate Relationships investigates the life
