Lovers Lane Lychele Wilson,2018-01-10 A tale of 10 friends reconnecting after years apart and their lives being challenged *Machines of Youth* Gary S. Cross,2018-05-04 For American teenagers getting a driver's license has long been a watershed moment separating teens from their childish pasts as they accelerate toward the sweet sweet freedom of their futures With driver's license in hand teens are on the road to buying and driving and maybe even crashing their first car a machine which is home to many a teenage ritual being picked up for a first date parking at a scenic overlook or blasting the radio with a gaggle of friends in tow So important is this car ride into adulthood that automobile culture has become a stand in a shortcut to what millions of Americans remember about their coming of age *Machines of Youth* traces the rise and more recently the fall of car culture among American teens In this book Gary S Cross details how an automobile obsession drove teen peer culture from the 1920s to the 1980s seducing budding adults with privacy freedom mobility and spontaneity Cross shows how the automobile redefined relationships between parents and teenage children becoming a rite of passage producing new courtship rituals and fueling the growth of numerous car subcultures Yet for teenagers today the lure of the automobile as a transition to adulthood is in decline Tinkerers are now sidelined by the advent of digital engine technology and premolded body construction while the attention of teenagers has been captured by iPhones video games and other digital technology And adults have become less tolerant of teens on the road restricting both cruising and access to drivers licenses Cars are certainly not going out of style Cross acknowledges but how upcoming generations use them may be changing He finds that while vibrant enthusiasm for them lives on cars may no longer be at the center of how American youth define themselves But for generations of Americans the modern teen experience was inextricably linked to this particularly American icon **Anne of Green Gables** Lucy Maud Montgomery,2025-08-15 As soon as Anne Shirley arrives at the snug white farmhouse called Green Gables she is sure she wants to stay forever but will the Cuthberts send her back to the orphanage Anne knows shes not what they expected a skinny girl with fiery red hair and a temper to match If only she can convince them to let her stay shell try very hard not to keep rushing headlong into scrapes and blurting out the first thing that comes to her mind Anne is not like anyone else the Cuthberts agree she is special a girl with an enormous imagination This orphan girl dreams of the day when she can call herself Anne of Green Gables **Anne of Green Gables**
