Embodied Histories Katya Motyl, 2024-04-29 In *Embodied Histories* historian Katya Motyl explores the everyday acts of defiance that formed the basis for new unconventional forms of womanhood in turn of the century Vienna The figures Motyl brings back to life dressed however they pleased defied gender conformity behaved brashly and expressed themselves freely overturning assumptions about what it meant to exist as a woman Motyl delves into the ways in which these women inhabited and reshaped the urban landscape of Vienna an increasingly modern cosmopolitan city Specifically she focuses on how easily overlooked quotidian practices such as loitering outside cafés striking up conversations with strangers and taking dogs for walks helped create novel conceptions of gender Exploring the emergence of a new womanhood *Embodied Histories* presents a new account of how the gender the body and the city merge with and transform each other showing how our modes of being are radically intertwined with the spaces we inhabit

The Reception and Interpretation of the Bible in Late Antiquity Lorenzo DiTommaso, Lucian Turcescu, 2008-08-31 The volume is a Festschrift offered to Charles Kannengiesser on the occasion of his 80th birthday and honours him for his numerous scholarly accomplishments Its twenty five contributions discuss some of the major issues pertaining to the reception and interpretation of the Bible in late antique Christianity and Judaism They focus on the ways in which communities and individuals understood the Bible and interpreted its traditions to address their historical social and theological requirements Since the Bible was by far the most important book during these centuries a discussion of its influence in such contexts will illuminate significant aspects of the formation of western civilisation

Desire, Performance, and Classification: Critical Perspectives on the Erotic Jessica R. Pfeffer, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2013 In November 2011 artists professors students and scholars from around the world gathered in Prague Czech Republic to attempt to define what could be considered the erotic The conference sought submissions that addressed interactions of the erotic with history art literature practices performances pedagogy and sexuality among many others This wide focus brought together an intellectually rich meeting that interrogated the boundaries between eroticism sex and desire This volume represents a

sampling of papers presented at the conference and the diverse focuses within these papers are indicative of the inter and trans disciplinary work that was presented Each work within this collection brings a fresh and unique approach to the erotic and in its own way tries to answer the question What is erotic *The Phenomenology of Love and Reading* Cassandra Falke,2018-05-31 The current revival of interest in ethics in literary criticism coincides fortuitously with a revival of interest in love in philosophy The literary return to ethics also coincides with a spate of neuroscientific discoveries about cognition and emotion But without a philosophical grounding this new work cannot speak convincingly about literature s relationship to our ethical lives Jean Luc Marion s articulation of a phenomenology of love provides this philosophical grounding The Phenomenology of Love and Reading accepts Jean Luc Marion s argument that love matters for who we are more than anything more than cognition and more than being itself Cassandra Falke shows how reading can strengthen our capacity to love by giving us practice in love s habits attention empathy and a willingness to be overwhelmed Confounding our expectations literature equips us for the confounding events of love which Falke suggests are not rare and fleeting but rather constitute the most meaningful and durable part of our everyday life *The Transformation of the English Novel, 1890-1930* D. Schwarz,1995-02-27 In an exciting and important book The theoretical chapters are a model of elegantly styled accommodation yet they brook no fudging of the issues no comfortable ambiguities Modern Fiction Studies The Transformation of the English Novel 1890 1930 Studies in Hardy Conrad Joyce Lawrence Forster and Woolf is a provocative exploration of a crucial period in the development of the English novel integrating critical theory historical background and sophisticated close reading Divided into two major sections the first shows how historical and contextual material is essential for developing powerful readings The second section is theoretical and speaks of the transformation in the way that we read and think about authors readers characters and form in the light of recent theory offering an alternative to the deconstructive and Marxist trends in literary studies LITTLE WOMEN and THE FEMINIST IMAGINATION Janice M. Alberghene,Beverly Lyon Clark,2014-04-08 Raising key questions about race class sexuality age material culture intellectual history pedagogy and gender this book explores the myriad relationships between feminist thinking and Little Women a novel that has touched many women s lives A critical introduction traces 130 years of popular and critical response and the collection presents 11 new essays two new bibliographies and reprints of six classic essays The contributors examine the history of illustrating Little Women Alcott s use of domestic architecture as codes of female self expression the tradition of utopian writing by women relationship to works by British and African American writers recent thinking about feminist pedagogy the significance of the novel for women writers and its implications from the vantage points of middle aged scholar parent and resisting male reader **Sacred Eroticism** Juan Carlos Ubilluz,2006 Sacred Eroticism addresses a neglected chapter in Latin American literature namely the influence of Georges Bataille and Pierre Klossowski s atheist mysticism in the Latin American erotic novel of the twentieth century Combining a Lacanian analytical framework with an Inter textualist

approach Juan Carlos Ubilluz reveals how Julio Cortazar Salvador Elizondo Mario Vargas Llosa and Juan Garcia Ponce adopted Sataille and Klossowski s aesthetic and philosophical models as a point of departure to rearticulate the modern subject s buried dimension of the sacred through various Innovations on the erotic novel s form Ubilluz examines the dialectical irruption of these literary experiments into their particular aesthetic theoretical and political contexts showing for instance that Cortazar s **Carnal Reading** Joseph Pappa,2011-05-16 The question of an erotic readership has always vexed scholars With little evidence of anyone s actually reading erotic material scholars have had to make do with variations of an ideal reader approach Insofar as it presupposes authorial intention and a stable meaning this theoretical model proves unsatisfactory Using an interdisciplinary approach Carnal Reading Early Modern Language and Bodies proposes a new theory of erotic reading that refigures bodily responses as constitutive of cognitive understanding In its content and style erotic writing was perceived to interact physically with the reader s body or more specifically the sensitive soul via the imagination Lively descriptions infused desires that could permanently affect not only the entire animal economy or constitution but also a person s reasoning faculties All good writing was meant to move the passions but there was no way to determine whether the warmth derived from reading was erotic or otherwise Chapter 1 Thoughts Swelled with Carnosity Imagination Enthusiasm and Love briefly rehearses Adrian John s account of how religious reading can inspire enthusiasm in readers This understanding of how religious reading inflames the imagination applies equally well to amorous discourses The Passions Music Infusion and Teen Age Reading Habits chapter 2 examines early modern conduct books and discourses about music to illustrate the notion of the early modern body as permeable and as such impressionable to all forms of stimulating media The chapter offers a close reading of Manley s New Atalantis to demonstrate how reading habits could transform a young person s constitution Chapter 3 The Physiological Aesthetics of Erotic Response Intention Style Association focuses on contemporary literary critiques that privilege lively depictions and the consequences that style has on authorial intention The final chapter Sexy Rhetoric Nice Figures or Books that Do It the old Grammar rule Pornography and Sexual Representation Joseph W. Slade,2001 A three volume reference guide to the available literature concerning pornography and sexual representation in America **Selves and Subjectivities** Veronica Thompson,Manijeh Mannani,2012 As critic Diana Brydon has argued contemporary Canadian writers are not transcending nation but resituating it Drawing together themes of gender and sexuality trauma and displacement performativity and linguistic diversity Selves and Subjectivities constitutes a thought provoking response to the question of what it means to be a Canadian P 4 of cover
