Anne Frank was a young Jewish girl who lived during World War II when people like her were killed just for being Jewish. Anne and her family were forced to hide in a tiny secret space to try and survive, and Anne began keeping a diary to practice her love of writing and pass the time. In her writing, she described what life was like as a Jewish person during the war. She also wrote about her hopes, dreams, and the future she wanted when she could live a normal life again. Even though she was scared, Anne believed in the goodness of people and never gave up hope that life would get better again.
