Lucky in Love on Hound Island Karice Bolton, 2017-11-25 Tiffany Bailey is in love Truly madly deeply in love with a boy who has chestnut hair glistening white teeth and sparkling brown eyes He's adorable and makes her heart melt off of just one look He has given her everything she's ever wanted There are just a couple of problems First of all he isn't hers and the second issue is that he has four legs and doesn't talk much In all seriousness Tiffany has never found that one person who makes her stomach flutter with delight her cheeks flush from a heated glance or her pulse spike from just one touch which is precisely why she thinks love isn't what it's cracked up to be much more effort than it's worth really Or at least she believes that until Billy comes crashing into her world or was it the other way around One thing she knows is that Billy gives her every reason to blush and make her heart rate race with thoughts that had never popped into her head before Thoughts she needs to squash immediately especially since he has quite the reputation for collecting lots of phone numbers The one thing Tiffany refuses to do is lose her heart to a man who is incapable of real emotion but a little bit of harmless flirting can't be that bad right Billy's life is changing at lightning speed His business is booming He has franchises opening up across the Pacific Northwest and he clearly doesn't have time for love Except he just can't get Tiffany Bailey out of his mind She's beautiful charming and holds a zest for life that makes his world seem a little more exciting But life isn't that simple especially his He holds too many secrets and an inability to love No big deal right All Billy knows is that in his world Tiffany is off limits Period Although maybe having a little fun wouldn't hurt anything All books in the Island County Series can be read as standalones
