**Handbook on Think Tanks in Public Policy** Donald E.

Abelson, Christopher J. Rastrick, 2021-03-26 This important Handbook is a comprehensive guide to the role function and perceived impact of policy research oriented institutions in North America Europe and beyond Over 20 international scholars explore the diverse and eclectic world of think tanks to reveal their structure governance and unique position in occupying a critical space on the public policy landscape

**What Should Think Tanks Do?** Andrew Dan Selee, 2013-07-31 Think tanks and research organizations set out to influence policy ideas and decisions a goal that is key to the very fabric of these organizations And yet the ways that they actually achieve impact or measure progress along these lines remains fuzzy and underexplored What Should Think Tanks Do A Strategic Guide for Policy Impact is the first practical guide that is specifically tailored to think tanks policy research and advocacy organizations Author Andrew Selee draws on extensive interviews with members of leading think tanks as well as cutting edge thinking in business and non profit management to provide concrete strategies for setting policy oriented goals and shaping public opinion Concise and practically minded What Should Think Tanks Do helps those with an interest in think tanks to envision a well oiled machine while giving leaders in these organizations tools and tangible metrics to drive and evaluate success

Improving Think Tank Management Raymond Struyk, 2015-05-05 Improving Think Tank Management Practical Guidance for Think Tanks Research Advocacy NGOs and Their Funders demonstrates better management is possible cost effective and rewarding for leaders and funders of think tanks The book contains contemporary and actionable best practices case studies templates and strategies used by real organizations to improve management In this comprehensive guide Raymond Struyk encourages think tank managers to make improvements to increase efficiency and guides them through lowering the costs of making those improvements The examples shared confront specific issues managers often experience such as difficulty motivating staff controlling project costs assisting project leaders and becoming more efficient with fundraising

**Think Tanks in America** Thomas Medvetz, 2020-03-04 A revealing look at the rise of these influential institutions and the effect they've had on the United States Think tanks have become fixtures of American politics supplying advice to presidents and policy makers expert testimony on Capitol Hill and convenient facts and figures to journalists and media specialists But what are think tanks Who funds them What kind of research do they produce Where does their authority come from And how influential have they become In Think Tanks in America Thomas Medvetz argues that the unsettling ambiguity of the think tank is less an accidental feature of its existence than the very key to its impact By combining elements of more established sources of public knowledge universities government agencies businesses and the media think tanks exert a tremendous amount of influence on the way citizens and lawmakers perceive the world unbound by the more clearly defined roles of those other institutions In the process they transform the government of this country the press and the political role of intellectuals

Timely succinct and instructive this provocative book will force us to rethink our understanding of the drivers of political debate in the United States *Think Tanks and Policy Advice in the US* James G.
