The No-Nonsense Guide to Project Management Barbara Allan, 2017-07-24 This book provides a no nonsense guide to project management which will enable library and information professionals to lead or take part in a wide range of projects from large scale multi organization complex projects through to relatively simple local ones Barbara Allan has fully revised and updated her classic 2004 title Project Management to incorporate considerable developments during the past decade including the development and wide scale acceptance of formal project management methodologies the use of social media to communicate and disseminate information about projects and the large shift in the types of project library and information workers may be involved in The text is supported by practical case studies drawn from a wide range of LIS organizations at local regional national and international levels These examples provide an insight into good practice for the practitioner from an individual working in a voluntary organization on an extremely limited budget to someone involved in an international project Content

covered includes an introduction to project management project workers and the library and information profession different approaches to project management the project cycle the people side of projects and management of change discussion of project methodologies project management software open source software collaborative working software and use of social media project initiation communication analysis and project briefs developing project infrastructure scheduling working out the finances and carrying out a detailed risk analysis working in partnerships in diverse and virtual teams and managing change If you are an LIS professional involved in project work of any kind whether on a managerial practical academic or research level this is an invaluable resource for you *From Hiring to Firing : a No-nonsense Guide to Managing Employee Performance* Paula J. MacLean, Derek G. Redman, 2006

The Perfect Speller Teri Gordon, 1993-02 **Punk Rock People Management - A no-nonsense guide to hiring, inspiring and firing staff** Peter Cook, 2011-09-09 In Punk Rock People Management I have stripped down HR to the bare essentials for busy people and those who are sick of HR jargon getting in the way of running a business In the spirit of punk each chapter is just one page long which means that you can read a chapter in less time than it takes to pogo to a Sex Pistols or Linkin Park song On hearing of the concept Tom Peters the world's greatest business thinker author and speaker sent me a mail with just two words in it Do it Now that's what I call a Punk Rock Business Guru Punk Rock PM is organised using the classic Life Sex and Death HR cycle in other words Hiring Inspiring and Firing If you have to get things done with people and can't get no satisfaction from an HR textbook try Punk Rock PM for a refreshing difference Peter Cook Author Best Practice Creativity Sex Leadership and Rock n Roll **Mail Order and Direct Response** Tonya Bolden, 1994 **Understanding Investing** Nina Hill, 1992 **The No-nonsense Guide to Research Support and Scholarly Communication** Claire Sewell, 2020-01-07 This accessible and highly practical book provides an introductory guide to the world of research support in the academic library Academic libraries have seen huge changes in recent years thanks to the increasing availability of information online but they are now undergoing another shift As libraries move away from providing access to existing information and towards helping users create new knowledge there is an opportunity for them to develop new services for the research community To do this successfully libraries need to have a knowledgeable workforce who are equipped to provide the support that researchers need Information professionals are increasingly being asked to advise their users on issues such as open access and research data management but are often doing so with little or no formal preparation Outlining the reasons why library staff need to develop a knowledge of research support and guiding them through the key information on each topic The No nonsense Guide to Research Support and Scholarly Communication provides an ideal primer for those who seek to work in this area or those who have acquired these responsibilities as part of a wider role The practical nature of the book means readers can dip into it or read it from cover to cover as needed It includes practical checklists of knowledge and skills international case studies by practitioners from around the globe end of chapter references how to sections activities and links to freely available online training materials

The book covers scholarly communication open research and the research lifecycle research data management open access disseminating research metrics and measuring impact including the Journal Impact Factor H Index and Altmetrics career paths in research support why and how library staff at all levels can get involved in the process of doing research and sharing their outputs The book will be essential reading for academic librarians who have had research support duties added to their role with little or no formal training or those who have taken on a newly created role and are unsure of how best to use their existing skills or develop new ones suitable for a role in research support The book will also be of interest to public librarians who may be dealing with supporting their own research communities and those who are considering taking on a career in this growing area but are unsure where to turn for guidance including students studying for postgraduate library qualifications and those who have undertaken qualifications in publishing

Managing Time No Nonsense Career Guides Introduction

In the digital age, access to information has become easier than ever before. The ability to download Managing Time No Nonsense Career Guides has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Managing Time No Nonsense Career Guides has opened up a world of possibilities. Downloading Managing Time No Nonsense Career Guides provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Managing Time No Nonsense Career Guides has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Managing Time No Nonsense Career Guides. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Managing Time No Nonsense Career Guides. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Managing Time No Nonsense Career Guides, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Managing Time No Nonsense Career Guides has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
