

## **MANAGING UNIONS**

Managing unions will be examined from two angles: Unionised and union free plants.

### **Unionised Organisations**

Contrary to popular perception, unionisation benefits an organisation in several ways. Before listing the benefits, it may be stated that both management and union work in harmony in true spirit of industrial democracy, but believing that differences and disputes do exist. With goodwill on both the sides, disputes are settled mutually without recourse to

undesirable action. Benefits from unions include:

- Management can approach union directly to resolve such issues as grievances, discipline and safety and health. In the absence of union, management will be compelled to adopt alternative approaches which may be costly and even difficult to operate.
- Cooperation from unions for such moves as reorganisation, disinvestment, quality enhancement plans and productivity improvement strategies.
- Improved communication and enforcement of norms, codes of conducts and discipline.
- Volunteering to pay cuts, cost savings and other measures during recessionary periods.
- Demonstration of democratic spirit, pro-labour attitude and openness on the part of management.

Following deserve due consideration while managing unionised organisations:

- Develop positive attitude towards unions. Demand from employees for formation and recognition of union needs to be conceded as is being

# Managing With Unions

**Gill Kirton, Anne-Marie Greene**

## **Managing With Unions:**

Managing the Union Shop Phillip Wilson, 2012-01-01 As a manager or supervisor in a unionized company you have a unique job Besides your normal day to day responsibilities you also must know about unions and basic labor law You can be the best manager in the world but without a solid knowledge of the rules and responsibilities in a union shop you can get yourself and your company into a lot of trouble That is the purpose of this book to give you the background you need to be an effective manager in a unionized environment This book walks you through some of the major things you ll need to know about unions to be a good manager or supervisor By the way from now on I will refer to management or supervisory employees generically as managers No matter what your actual title all of you share the same job to manage labor relations in a way that lets your company accomplish its goals with a minimum of trouble from the union You ll notice that this isn't like most books you ve seen on how to be a good manager First it looks like a labor contract For years most contracts have been published as small books designed to fit in a union steward's shirt pocket Why Not just to make it hard to read although sometimes the fine print can be tough to decipher No the reason it is small is so it is portable Stewards want the contract with them at all times in case they need it to dispute something that pops up We've designed this book the same way you can put it in your pocket and carry it with you It even has some blank pages in the back so you can use it to take notes The idea is not for this book to be read once and then thrown in a desk never to see the light of day It is a book you can actually use

**Managing with Unions** Marvin Scott Myers, 1978 Monograph on labour relations in USA the aim being to resolve conflict with trade unions and move towards workers participation covers economic implications and psychological aspects of codetermination job enrichment management techniques dispute settlement work organization human relations wages fringe benefits and performance appraisal using case studies and incl Examples from Germany Federal Republic and Sweden Diagrams flow charts and illustrations *Managing Change in a Unionized Workplace* Fred K. Blackard, 2000-03-30 Unlike other labor law and management books Blackard's comprehensive new work not only examines legal strategic human resources management change management and related labor management relations issues but also offers easily grasped and applied methods for addressing all of these issues Labor relations should be a fully integrated part of a systemic approach to human resource management argues Blackard He challenges the feasibility of ad hoc programs and labor management partnerships but encourages collaboration within the context of both parties interests and roles His book provides a philosophy and set of practices to manage change and improve the labor management relationship in the unionized workplace Companies with poor union relationships rarely have union problems they have management problems The crux is that managing change is a special challenge To help executives address the challenge Blackard first reviews the state of labor relations and discusses key differences between managing change in union and non union settings He presents a philosophy based on collaboration of countervailing interests and an integrated model for change management that is

uniquely applicable in unionized workplaces He then discusses the application of management practices based on such concepts as organizational learning systems theory trust power mutual gains negotiations and supplemental teams that support the countervailing collaboration concept By seeing labor relations as part of a broader human resource management system one can identify and better understand many of the questions that inevitably rise when faced with the need for rapid and often drastic change *Managing the Union Shop* Phillip Wilson,2003-01-01 **The Dynamics of Managing**

**Diversity** Gill Kirton,Anne-Marie Greene,2010-05-14 For anyone looking to develop a career in HR or business management understanding the contexts policies and practices for developing a sustainable and high performing diverse workforce is a must *The Dynamics of Managing Diversity* was one of the first books to respond to growing academic coverage of the topic of diversity management at degree level This third edition has been fully updated to reflect new working practice statistical information and equality and diversity law as well as including new case studies and information on International policies outside the UK and Europe Diversity management is a term that covers not only race disability and sex discrimination but also broader issues such as individual and cultural differences *The Dynamics of Managing Diversity* third edition can help to prepare HR and business managers of the future with the legal information and research findings to enable them to develop meaningful diversity policies in their organizations With Accessible text including key learning points activities and discussion questions Practical case studies to illustrate the real life issues in a local international and organizational context A new companion and lecturer website featuring tutor support materials and links to useful sites and additional information Kirton and Greene present the subject of diversity management in a logical and structured manner beginning each chapter with aims and objectives and ending with discussion questions This is the perfect support resource for those teaching or studying in the field of equality and diversity Gill Kirton Reader in Employment Relations at the School of Business and Management Queen Mary University of London and licentiate member of the CIPD Anne marie Greene Reader in Industrial Relations in the Industrial Relations and Organisational Behaviour Group Warwick Business School graduate member of the CIPD Related Titles Moran et al *Managing Cultural Differences* ISBN 9780750682473 Holbeche *HR Leadership* ISBN 9780750681735

**Armstrong's Handbook of Human Resource Management Practice** Michael Armstrong,2012-05-03 *Armstrong's Handbook of Human Resource Management* is the classic text for all students and practitioners of HRM Providing a complete resource for understanding and implementing HR in relation to the needs of the business as a whole it includes in depth coverage of all the key areas essential to the HR function The 12th edition has been radically updated to create a cutting edge textbook which encourages and facilitates effective learning Comprehensive online support material is provided for the instructor student and now also the practitioner providing a complete resource for teaching and self learning The text has been updated to include all the latest developments in HRM and now includes two new sections covering HR skills and toolkits **Managing Human Resources** Stephen Bach,Martin Edwards,2013-01-22 This revised

edition is a comprehensive authoritative set of essays It is more detailed and analytical than the mainstream treatments of HRM As in previous editions Managing Human Resources analyses HRM the study of work and employment using an integrated multi disciplinary approach The starting point is a recognition that HRM practice and firm performance are influenced by a variety of institutional arrangements that extend beyond the firm The consequences of HRM need to incorporate analysis of employees and other stakeholders as well as the implications for organizational performance

**Pulling together for productivity a union-management initiative at US West, Inc. ,** *Managing Local Government For Improved Performance* Brian W. Rapp, 2019-03-04 After working for nearly three years to improve the performance of the government of Flint Michigan and discovering that there was no comprehensive work on the subject of local government management to refer to Brian Rapp and Frank M Patitucci felt a personal as well as a professional need to write a book that would help them understand their successes and failures and that would help others do a better job in similar situations The result this book is unique both in its approach and in its presentation The authors establishing a conceptual framework within which to understand their subject use Flint as a case city to examine the practical impact of factors affecting city government and they indicate the major standards and criteria that should be applied in evaluating that impact Although they recognize that within each city there are unique conditions that make a blanket prescription impossible the authors are nevertheless convinced that many individuals both in and out of government can do something to improve the performance of their city government and they have set out to help these individuals understand in the most concrete terms possible how they might go about it Credit Union Investment Management Frank J. Fabozzi, Mark B. Wickard, 1997-01-15 Credit Union Investment Management provides an in depth examination of the methods executives use to achieve investment objectives and maximize returns on invested capital while measuring and minimizing risk Complete coverage includes detailed features of investment vehicles yield measures and their limitations total return analysis and stress testing

**Managing Information Technology Resources in Organizations in the Next Millennium** Information Resources Management Association.
