Managing Political Change In Singapore The Elected Presidency:

Managing Political Change in Singapore Kevin Tan, Peng Er Lam, 1997 In this multi disciplinary study leading scholars in law history politics and economics examine political change in Singapore *Constitutional Law in Singapore* Kevin Y.L. Tan, 2022-08-20 Derived from the renowned multi volume International Encyclopaedia of Laws this very useful analysis of constitutional law in Singapore provides essential information on the country's sources of constitutional law its form of government and its administrative structure Lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application Throughout the book the treatment emphasizes the specific points at which constitutional law affects the interpretation of legal rules and procedure Thorough coverage by a local expert fully describes the political system the historical background the role of treaties legislation jurisprudence and administrative regulations The discussion of the form and structure of government outlines its legal status the jurisdiction and workings of the central state organs the subdivisions of the state its decentralized authorities and concepts of citizenship Special issues include the legal position of aliens foreign relations taxing and spending powers emergency laws the power of the military and the constitutional relationship between church and state Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for both practising and academic jurists Lawyers representing parties with interests in Singapore will welcome this guide and academics and researchers will appreciate its value in the study of comparative constitutional law **Parliaments in Asia** Zheng Yongnian, Lye Liang Fook, Wilhelm Hofmeister, 2013-10-23 Much writing on politics in Asia revolves around the themes of democracy and democratisation with a particular focus on political systems and political parties This book on the other hand examines the role that parliaments a key institution of democracy play in East Southeast and South Asia including Taiwan and Hong Kong Parliaments in these locations function in a variety of historical political and socio economic circumstances with different implications for institution building and political development This book examines questions like how accessible representative transparent accountable and effective are parliaments To what extent are parliaments able to hold other political actors to account or how far are they constrained by the political environment in which they operate Going further this book considers how new media such as the Internet and other social platforms through providing avenues for individuals to articulate their views separate from official channels are influencing the ways parliaments work To stay relevant parliamentarians need to reach out and engage these individuals in formulating deciding and fine tuning policies In the information age being a parliamentarian has become more challenging and how a parliamentarian copes with this change will shape the nature and pace of political development *Wee Kim Wee: President, Diplomat, Journalist and a True Singaporean* Cheong Suk-Wai, 2025-09-02 Dr Wee Kim Wee was a pioneering Singaporean journalist and diplomat with a

most improbable rise and rise in life Among his many other accomplishments he helped end a regional war kept one of the world's oldest newspapers alive till today and rescued the presidency of the Republic of Singapore from a spell in the gutter Just as water softens stone he overcame the grimmest odds with his winsome ways and unimpeachable character This meticulously researched book brims with fresh insights about the man most Singaporeans claimed as my President They include telling facets from the author's interviews with more than 30 people who knew Dr Wee best in every decade of his storied life Dr Wee started out being too poor to complete secondary school to holding Singapore's highest office His lightly worn shrewdness and genuine regard for all living things plucked him out of obscurity and thrust him into moments that shook Singapore eventually making him a beloved household name Dr Wee was the embodiment of Singapore exceptionalism and this biography is the last word on a sort of man that Singapore will rarely if ever encounter again

The Limits of Authoritarian Governance in Singapore's Developmental State Lily Zubaidah Rahim, Michael D. Barr, 2019-02-06 This book delves into the limitations of Singapore's authoritarian governance model In doing so the relevance of the Singapore governance model for other industrialising economies is systematically examined Research in this book examines the challenges for an integrated governance model that has proven durable over four to five decades The editors argue that established socio political and economic formulae are now facing unprecedented challenges Structural pressures associated with Singapore's particular locus within globalised capitalism have fostered heightened social and material inequalities compounded by the ruling party's ideological resistance to substantive redistribution As growth with equity becomes more elusive the rationale for power by a ruling party dominated by technocratic elite and state institutions crafted and controlled by the ruling party and its bureaucratic allies is open to more critical scrutiny

Singapore Politics Under the People's Action Party Diane K. Mauzy, Robert Stephen Milne, 2002 A comprehensive overview of politics in Singapore since self governance The authors examine how this tiny island has developed into a global financial centre and an economic and social success under the leadership of the People's Action Party which has ruled continuously since 1959 The authors explore the nature of the Singaporean government as well as major issues such as ethnicity human rights and the development of civil society

The Ruling Elite of Singapore Michael D. Barr, 2014-01-17 Michael Barr explores the complex and covert networks of power at work in one of the world's most prosperous countries the city state of Singapore He argues that the contemporary networks of power are a deliberate project initiated and managed by Lee Kuan Yew former prime minister and Singapore's founding father designed to empower himself and his family Barr identifies the crucial institutions of power including the country's sovereign wealth funds and the government linked companies together with five critical features that form the key to understanding the nature of the networks He provides an assessment of possible shifts of power within the elite in the wake of Lee Kuan Yew's son Lee Hsien Loong assuming power and considers the possibility of a more fundamental democratic shift in Singapore's political system

The First Wave Loke Hoe Yeong, 2019-09-30 Based on

extensive interviews and archival material The First Wave tells the story of the opposition in Singapore in its critical first thirty years in Parliament Democratisation has been described to occur in waves The first wave of a democratic awakening in post independence Singapore began with J B Jeyaretnam s victory in the Anson by election of 1981 That built up to the 1984 general election the first of many to be called a watershed in which Chiam See Tong was also elected in Potong Pasir After their successes in 1991 the opposition began dreaming of forming the government But their euphoria was short lived Serious fault lines in the leading Singapore Democratic Party SDP rose to the surface almost immediately after the opposition victories of 1991 and the party was wiped out of Parliament by 1997 The opposition spent the next decade experimenting with coalition arrangements to work their way back to victory

Public Law in East Asia Tom Ginsburg,2017-07-05 Public Law in East Asia is a collection of the leading English language articles on constitutional and administrative law in the Asian region written by many of the leading scholars from this area The region has its own distinct legal and political traditions and its systems of government have facilitated dynamic economic growth but the role of public law has not been well understood Covering a wide range of jurisdictions in a single volume this collection provides insights into the ways in which institutions of Western origin have been integrated into Asian political and legal cultures producing new syntheses

Party Politics in Taiwan Dafydd Fell,2006-09-27 In 1991 Taiwan held its first fully democratic election This first single volume of party politics in Taiwan analyzes the evolution of party competition in the country looking at how Taiwan s parties have adjusted to their new multi party election environment It features key chapters on the development of party politics in Taiwan the impact of party change on social welfare corruption and national identity party politics in the DPP era Including interviews with high ranking Taiwanese politicians and material on the 2004 Presidential election this important work brings the literature up to date It provides a valuable resource for scholars of Chinese and Taiwanese politics and a welcome addition to the field of regime transition and democratization

Human Rights in Asia Randall Peerenboom,Carole J. Petersen,Albert H.Y. Chen,2006-09-27 Human Rights in Asia considers how human rights are viewed and implemented in Asia It covers not just civil and political rights but also social economic and cultural rights This study discusses the problems arising from the fact that ideas of human rights have evolved in Western liberal democracies and examines how far such values are compatible with Asian values and applicable in Asian contexts Core chapters on France and the USA provide a benchmark on how human rights have emerged and how they are applied and implemented in a civil law and a common law jurisdiction These are then followed by twelve chapters on the major countries of East Asia plus India each of which follows a common template to consider the context of the legal system in each country black letter law legal discussions and debates and key current issues concerning human rights in each jurisdiction

Foreign Policy Making in Taiwan Dennis V. Hickey,2006-12-05 Following President Chen Sui bian s victory in the controversial 2004 presidential election this book examines the future direction of Taiwan s foreign policy focusing on the internal and external forces that influence and shape the countries foreign policy

decisions today The author suggests that four levels of analysis the international system governmental structure societal forces and individual factors pose some explanatory value when seeking to understand Taipei s foreign policy behaviour Taiwan s foreign policy decision making remains an extremely complex process involving many important variables However the author s detailed analysis reveals that external factors particularly seismic shifts in global politics and the role of China and the US have had an extraordinary degree of influence over the island s foreign relations This book highlights these factors as important considerations that continue to play a critical role in shaping Taiwan s foreign policy Providing a clear analysis of the dynamics of Taiwan s foreign policy *Foreign Policy Making in Taiwan* is an important addition to the literature on Taiwan and will be essential reading for followers of Chinese politics comparative politics and foreign policy analysis

Islam in Indonesian Foreign Policy Rizal Sukma,2004-03 This companion volume to the highly successful *Islam in Malaysian Foreign Policy* explores the extent to which foreign policy in the world s largest Muslim nation has been influenced by Islamic considerations *Political Cultures in Asia and Europe* Jean Blondel,Takashi Inoguchi,2006-09-27 Drawing on data from the largest cross national survey on political culture for the last half a century this is an original and comprehensive study of the attitudes to political and social life among the citizens of eighteen countries in Europe and Asia

Mixed Blessings Amanda Whiting,Carolyn Evans,2006-05-01 The essays in this volume explore some of the diverse and contradictory ways that the lives of women in the Asia Pacific region are shaped by two powerful regimes religion and law and by the interactions between them They show that for women laws customary colonial post independence and international and religions indigenous or introduced Buddhism Christianity Islam and Confucianism have been a mixed blessing These diverse legal systems and religious doctrines and institutions have variously denied women authority and the capacity to participate fully in the public organization of social political and religious life they have furthermore constructed gender and familial relations in ways that subordinate women Yet they have also offered promises of women s empowerment and provided rules and procedures norms values and interpretations of sacred traditions to deliver those emancipatory promises Each chapter is devoted to a single state first the history and current framework of the national legal system is introduced then the place of religion in the state is explained and finally by means of precise and detailed case studies or examples each author explores how these sometimes competing sometimes colluding regimes constructed women and how women interpreted this positioning and sought to resituate themselves *China's Power and Asian Security* Mingjiang Li,Kalyan M. Kemburi,2014-11-27 One of the most significant factors for contemporary international relations is the growth of China s economic military and political power Indeed few analysts would dispute the observation that China s power has strongly influenced the structure of the international system major power strategic relations international security the patterns of trans border economic activities and most importantly the political and security dynamics in Asia in the twenty first century This book maps the growth of China s political economic and military capabilities and its impact on the security

order in Asia over the coming decades While updating the emerging power dimensions and prevailing discourse it provides a nuanced analysis of whether the growth of Chinese power is resulting in Beijing becoming more assertive or even aggressive in its behavior and pursuit of national interests It also examines how the key Asian countries perceive and react to the growth of China's power and how US rebalancing would play out in the context of Beijing's political economic and military power China's Power and Asian Security will be of huge interest to student and scholars of Asian politics Chinese politics security studies and international security and international relations more generally

China's Multilateral Co-operation in Asia and the Pacific Chien-peng Chung, 2010-06-24 Explores the meaning scope and repercussion in the drive that a rising China has for institutionalizing multilateral cooperative processes in the Asia Pacific region the extent to which its actions are motivated by concerns of politics economics or security and the obstacles it faces for so doing

Japan and China in the World Political Economy Saadia Pekkanen, Kellee Tsai, 2006-06-01 Two powers in East Asia today stand to define the region's economic and commercial future Japan which rose in a spectacular industrial burst to become at present the world's second largest economy and China which is rapidly advancing towards a market economy under the watchful eye of the world While much has been made of Japan and China's particular economic institutions and developmental paths few works analyze them in a comparative framework Including contributions from leading academics the text focuses on the period from the 1980s to the onset of the 2000s reviewing the experiences of Japan and China across the areas of development trade investment finance and technology Drawing on a combination of official documents economic statistics case studies and original fieldwork this book will give political scientists political economists business concerns and policy analysts a firmer grasp of the role Japan and China stand to play in the world political economy

The US Versus the North Korean Nuclear Threat Er-Win Tan, 2013-11-26 Although the current world order is still dominated by the US there is increasing international concern over the possibility of regional security dilemmas arising from smaller powers attempts to develop Weapons of Mass Destruction A study of US North Korean interaction using the security dilemma as a conceptual frame of analysis is thus not only hugely topical but also particularly relevant for the 21st century on theoretical as well as empirical grounds Is there the prospect of a security dilemma contagion if North Korea acquire nuclear weapons capability leading to an Asia Pacific wide nuclear arms race This book examines this contentious issue in depth and explores the difficult choices policymakers face as a result of the uncertainty in international politics

Advancing the Regional Commons in the New East Asia Siriporn Wajjwalku, Kong Chong Ho, Osamu Yoshida, 2016-01-22 Advancing the Regional Commons in the New East Asia highlights a number of interests which members of ASEAN and Plus Three countries collectively recognize This set of common interests includes not only economic development but also social development Written by nationals in their respective countries the different chapters in this volume highlights the different foundations for such common interests and these reflect the different constructive ways in which ASEAN and Plus Three countries come to see a multi strand

cooperative partnership The task of advancing the regional commons will involve efforts to recognise and nurture ASEAN's and Plus Three's common interests in terms of broad social development managing regional security issues the development of a regional infrastructure and ensuring collective progress for all member countries ASEAN becomes a community in 2015 and the idea of embracing protecting sustaining and advancing the regional commons become a vital process Concurrently APT has also realized that its contribution to the achieving goal of community and promoting regional commons is absolutely critical for both ASEAN and the Plus Three countries Academics will find in this volume a clear analytical treatment of issues which regional groupings are currently facing and this can provide the basis for a comparative analysis This volume will also be of interest to students and the general public looking for a systematic introduction to the successful implementation of cooperative ventures and also an assessment of the new collaborative energies which shape this dynamic region
