Managing Country Risk in an Age of Globalization Michel Henry Bouchet, Charles A. Fishkin, Amaury Goguel, 2018-08-04 This book provides an up to date guide to managing Country Risk It tackles its various and interlinked dimensions including sovereign risk socio political risk and macroeconomic risk for foreign investors creditors and domestic residents It shows how they are accentuated in the global economy together with new risks such as terrorism systemic risk environmental risk and the rising trend of global volatility and contagion The book also assesses the limited usefulness of traditional yardsticks of Country Risk such as ratings and rankings which at best reflect the market consensus without predictive value and at worst amplify risk aversion and generate crisis contamination This book goes further than comparing

a wide range of risk management methods in that it provides operational and forward looking warning signs of Country Risk
The combination of the authors academic and market based backgrounds makes the book a useful tool for scholars analysts
and practitioners
