Manhattan Dawn And Dusk:

Manhattan Dawn and Dusk Jon Ortner,1995-11-01 For the past ten years renowned photographer Ortner has been documenting Manhattan in its best light Often spending weeks at a single location to capture the perfect moment Ortner has produced a body of work that is unsurpassed in the annals of city portraiture 200 full color photos **Popular Photography** ,1996-03 **Popular Photography** ,1996-03 **Manhattan's Vibrant Lost Community: Tales from the Forgotten Neighborhood** Pasquale De Marco,2025-04-06 Journey back in time to the vibrant and bustling Financial District's Lost Neighborhood a melting pot of cultures and a testament to the indomitable spirit of community This lost neighborhood nestled at the southern tip of Manhattan was home to a diverse tapestry of immigrants from all corners of the world including Slovaks Irish Greeks Lebanese and Syrians In this captivating book we delve into the rich history and legacy of this forgotten neighborhood from its humble beginnings in the early 1900s to its eventual demise in the 1970s Through the eyes of its former residents we witness the daily rhythms of life in the tenement buildings the challenges and rewards of working in the financial district and the vibrant social and cultural life that filled the streets We explore the iconic landmarks that defined the neighborhood including Trinity Church a beacon of faith that welcomed people from all walks of life and St Nicholas Greek Orthodox Church a symbol of resilience that survived a devastating fire We also uncover the hidden stories of the people who made this neighborhood their home from the unsung heroes who kept the financial district running to the families who raised their children in the midst of the city's hustle and bustle But as the decades passed the neighborhood faced increasing pressure from modernization and urban renewal The construction of the World Trade Center in the 1960s and 1970s marked the beginning of the end for this vibrant community The neighborhood was razed to make way for the towering skyscrapers that now dominate the area and the residents were forced to disperse to other parts of the city Today only memories remain of the Financial District's Lost Neighborhood But its legacy lives on in the stories of its former residents in the historical landmarks that still stand and in the hearts of those who cherish the memory of a time when community and diversity thrived in the heart of Manhattan This book is a tribute to the lost neighborhood and its enduring spirit Through a combination of historical research personal anecdotes and evocative imagery we bring this forgotten community back to life offering a glimpse into a world that has vanished but will never be forgotten If you like this book write a review *Popular Photography* ,1996-03 **Airman's Information Manual** ,1967 *The Publishers Weekly* ,1926
