Manhunt Of Mystery Island Serial:

Serials and Series Buck Rainey,2015-06-08 While many fans remember The Lone Ranger Ace Drummond and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis Captive Bodies Gwendolyn Audrey Foster,1999-04-23 Examines the film industry s fascination with bondage and captivity **Encyclopedia of American Film Serials** Geoff Mayer,2017-02-23 From their heyday in the 1910s to their lingering demise in the 1950s American film serials delivered excitement in weekly installments for millions of moviegoers despite minuscule budgets nearly impossible shooting schedules and the disdain of critics Early heroines like Pearl White Helen Holmes and Ruth Roland broke gender barriers and ruled the screen Through both world wars such serials as Spy Smasher and Batman were vehicles for propaganda Smash hits like Flash Gordon and The Lone Ranger demonstrated the enduring mass appeal of the genre Providing insight into early 20th century American culture this book analyzes four decades of productions from Pathe Universal Mascot and Columbia and all 66 Republic serials **Great Movie Serials Cb** Jim Harmon,Donald F. Glut,2013-10-28 First published in 1973 Movie Serials Their Sound and Fury invites you to take a nostalgic trip back to Saturday afternoon and remember your local cinema anytime from 1030 to the 1950s Thrill once again to the spine tingling adventures of Dick Tracy Terry and the Pirates Tarzan Flash Gordon The Green Hornet The Shadow The Perils of Pauline and all the other super heroes and arch villains of by gone days Science Fiction Serials Roy Kinnard,2015-08-13 Destination Moon George Pal s 1950 Technicolor epic is generally cited as the first noteworthy science fiction film Usually ignored or casually dismissed in genre histories are the serials the low budget chapterplays exhibited as Saturday matinee fare and targeted almost exclusively at children Lacking stars and top notch writers or directors the serials went largely unnoticed and unacknowledged by either critics or by the film industry Yet serials were financially important to the Hollywood studios and were often free to exploit risky or outlandish subjects that producers of distinguished movies would not touch Influential serials such as The Phantom Empire 1935 and Flash Gordon 1936 finally brought science fiction themes to the big screen Those serials and 29 others are exhaustively covered in this work which provides complete cast and credit information along with plot descriptions and historical commentary for each serial Video distributors if available are also listed Fantastic Serial Sites of California Gail Orwig,Raymond Orwig,2022-09-23 The first of its kind this guide to California filming sites covers five decades of science fiction fantasy and horror in chapter plays Covering more than 60 serials many familiar locations are documented including the rugged terrain of Red Rock Canyon which served as a stand in for Saturn in Buck Rogers the Bronson Caves and Griffith Observatory which

Cline,2025-02-28 This collection of essays first published in Big Reel lovingly recalls the glory days of the movie serial The primary focus is on the fans of the serials what they thought of them in their heyday what they think of them now and why these episodic tales are still so popular Preceding each article is a brief commentary about the essay explaining why the topic was chosen and the reader response it evoked when first published **Serial Film Stars** Buck Rainey,2024-10-18 Pearl White William Duncan William Desmond Ben Wilson Walter Miller Francis Ford Charles Hutchinson Jack Dougherty and Eddie Polo are just a few of the stars to start up a whirlwind of enthusiasm among serial devotees They offered a thrill a minute world of ridiculous plots weird disguises hair raising escapes hidden treasures diabolic scientific devices wild animals depraved men runaway trains and an endless procession of knock down drag out fights Who could resist This reference work highlights 446 serial performers who thrilled generations Each entry includes the performer s birth and death dates serial credits major films and details of life before and after the movies [In the Nick of Time](#) William C.
