Manhunter 5 Manhunter:

Danger Street (2022-) #5 Tom King,2023-04-11 What does a small town murder have to do with the mysteries of the Multiverse Lady Cop is on the case but time is running out Gods from beyond the stars are battling over the boy who could save all their lives the Manhunter is stalking his prey and meanwhile the Dingbats are tired of waiting for answers and they re about to take revenge into their own hands *HCA Comics Dallas Signature Auction Catalog #823* Ivy Press,2006-12

Manhunter (2004-) #5 Marc Andreyko,2016-09-08 Guest starring the JLA As the heroes of the DC Universe reel from several deaths in their community Manhunter resolves to track a hero killer on her own but can she find him before the JLA does *New York Magazine* ,1986-09-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Tucson - Man Hunter** Brooks Roland,2011-10-07 I took the train east all the way to El Paso Texas I was sure that the train making twenty miles an hour would get me to the mountain pass west of the Texas line ahead of them The best they could hope for would be twenty or twenty five miles a day on horseback If New Orleans really was their destination they would almost certainly have to use this particular route Of course they might swing north but that didn t make a lot of sense either travelers using the northern route lately had been killed by roaming bands of renegade Indians that the troopers had not been able to stop And south well south south they would have to swing into Mexico where the beginning of a revolution was in the making So that would not be a smart move either No I would pick me a good spot overlooking the pass and be waiting for Ben and Sam Melody when they came through on their way to Louisiana I wasn t exactly sure just how I was going to approach these killers But I had made a deal with Ruth Tyrell and if I could I would bring her two murdering nephews in alive rather than dead If I could I even went so far as to borrow two sets of shackles from Marshal Rex Bulett when I left Yuma So I guess you could say I was thinking I could bring them in alive Killing them would not be hard killing a man is easy capturing him alive is an altogether different thing If I were able to get them afoot I might get the job done I deplore killing animals to get the men I m after that might be the only choice available to me And along those lines I bought two cheap horses and lead them behind me when I rode out of El Paso I instinctively knew that stepping out into the road blocking their path and ordering them to surrender would not work They would force me to shoot them and being on horseback the advantage would be on their side Horses don t like gunfire some of them get really jumpy and will go wild on you in a minute I might not be able to place my shots and one or both could end up dead But if they were afoot then the upper hand would fall back on my side Unless I could get really lucky and walk up on them in a night camp I might have to shoot their horses from under them It was a dilemma no doubt but I had given my word and if a man has nothing else in
