Mani And Manichaeism:

Mani and Manichaeism Geo Widengren,1965 *The Founder of Manichaeism* Iain Gardner,2020-03-05 A new critical look at Mani's life to establish a proper historical foundation for the study of this fascinating thinker New Light on Manichaeism Jason BeDuhn,2009-03-16 New Light on Manichaeism provides the latest discoveries and insights into the Manichaean religion throughout its more than one thousand year history ranging from glimpses into the life and thought of Mani himself to developments in doctrine and practice in the religion's North African Iranian Central Asian and Chinese settings The volume includes contributions from the leading scholars in the field offering new reconstructions of Manichaean literary and artistic productions and innovative analyses of the religious social and political dynamics that shaped the rise and fall of this world religion **Manichaeism** Michel Tardieu,2008 Good and evil light and darkness for the first time in English a potent survey of Manichaeism **Manichaeism and Early Christianity** ,2020-12-07 Manichaeism and Early Christianity comprises the selected papers from the 2019 Pretoria Congress and Consultation The sixteen chapters focus on where and how Gnostic Manichaeism interfered not only with other forms of Gnosticism but above all with the writings and representatives of mainstream Christianity during the early centuries of our era Key texts dealt with are a number of Nag Hammadi writings including the Gospel of Thomas as well as figures such as Marcion Tatian Ephrem the Syrian Chrysostom Pelagius and not least Augustine and his pupil Evodius **Manichaeism** Nicholas J. Baker-Brian,2011-02-17 This is the first general comprehensive introduction to Manichaeism aimed at a non specialist and undergraduate readership This study will be a historical and theological introduction to Manichaeism It will comprise a biographical treatment of the founder Mani situating his personality his writings and his ideas within the Aramaic Christian tradition of third century CE Mesopotamia It will provide a historical treatment of the Manichaean church in late antiquity 250 700 CE detailing the emergence of Manichaeism in the late Roman and Byzantine empires in addition to examining the continuation of Manichaean traditions in the eastern world China up to the thirteenth century and beyond The book will consider the theology of Mani's system with the aim of providing a clear eyed treatment of the cosmogonic scriptural and ecclesiological ideas forming its foundations The study will base its analysis on original Manichaean literary sources together with rehabilitating the representation of Manichaeism in those writings that polemicised against the religion The study will aim to demonstrate the highly syncretic nature of Manichaeism and will look to move forward traditional perceptions of the religion as being simply a form of Christian Gnostic Dualism **Mani & Rudolf Steiner** Christine Gruwez,2014-08-26 For many centuries the teaching of Mani was hidden behind the distorted picture that had been created by the adversaries of Manichaeism in East and West In the course of the twentieth century new light was shed on Manichaeism by the discovery of several Manichaean scriptures These have shown that Manichaeism was a true distinct world religion that in the question of good and evil for instance offers insights that complement and deepen Christianity Also in the twentieth century Rudolf Steiner brought Anthroposophy

Spiritual Science which is a continuation of a stream of esoteric Christianity that has run through human history ever since the resurrection of Christ Anthroposophy is centered on a new deepened idea of Christianity that as indicated by Rudolf Steiner is so great and all encompassing that it can be understood in its full depth only gradually In this book Christine Gruwez explores the essence of Mani s revelation and then shows what Rudolf Steiner has communicated regarding Mani and his teaching This generates an image of two spiritual streams that each from its own beginning are moving toward a future when a Christianity of the deed shall become reality *Mani and Augustine* Johannes van Oort,2020-02-10 Mani and Augustine collected essays on Mani Manichaeism and Augustine gathers in one volume contributions on Manichaeian scholarship made by the internationally renowned scholar Johannes van Oort The first part of the book focuses on the Babylonian prophet Mani 216 277 who styled himself an apostle of Jesus Christ on Jewish elements in Manichaeism and on human semen eucharist eschatology and imagery of Christ as God s Right Hand The second part of the book concentrates on the question to what extent the former auditor Augustine became acquainted with Mani s gnostic world religion and his canonical writings and explores to what extent Manichaeism had a lasting impact on the most influential church father of the West The Manichaeian Body Jason David BeDuhn,2002-08-23 Award for the Best First Book in the History of Religions from the American Academy of Religion Reconstructing Manichaeism from scraps of ancient texts and the ungenerous polemic of its enemies such as the ex Manichaeian Augustine of Hippo BeDuhn reveals for the first time the religion as it was actually practiced He describes the Manichaeians daily ritual meal their stringent disciplinary codes intended to prevent humans from harming plants and animals and their secretive religious procedures designed to transform the cosmos and bring about the salvation of all living beings Overturning long held assumptions about Manichaeian dualism asceticism spirituality and the pursuit of salvation The Manichaeian Body changes completely how we look at this ancient religion and the environment in which Christianity arose BeDuhn s conclusions revolutionize our understanding of the Manichaeians clearly distinguishing them from Gnostics and other early Christian heretics and revealing them to be practitioners of a unique world religion *Mani and Augustine* Johannes Oort,2020 Mani and Augustine collected essays on Mani Manichaeism and Augustine gathers in one volume contributions on the gnostic apostle of Jesus Christ Mani and his influence on St Augustine made by the internationally renowned scholar Johannes van Oort **Mani A Religio-Historical Description of his Personality** , Manichaeian Texts from the Roman Empire Iain Gardner,Samuel N. C. Lieu,2004-06-03 This 2004 book is a single volume collection of sources for Manichaeism a world religion founded by Mani the Syrian visionary *Mani* Richard Seddon,2012-03-09 Mani the founder of the spiritual movement that has come to be called Manichaeism established an influential teaching that spread swiftly across Asia Africa and parts of Europe but was later brutally suppressed Little was known about this Gnostic religion until archaeological findings in the twentieth century revealed important aspects of Mani s biography and philosophical thought Many years before those physical discoveries

Rudolf Steiner provided key esoteric insights based on his personal spiritual scientific research into Mani's life and work. Richard Seddon assembles pieces of the academic and esoteric puzzle offering a lively and colorful picture of Mani and Manichaeism. He gives a succinct outline of Mani's life, the fundamental aspects of his teachings, and a description of the future spiritual role of Manichaeism. Seddon creates an image of a great Christian initiate leading a movement with the critical task of transforming and ultimately redeeming evil.

Manichaeism and Its Legacy J. Kevin Coyle, 2009-10-23. This volume reproduces nineteen chapters and articles published between 1991 through 2008 on Manichaeism and its contacts with Augustine of Hippo, its most famous convert and also best known adversary. The contents are divided into four parts: perceptions of Mani within the Roman Empire; select aspects of Manichaean thought; women in Manichaeism; and Manichaeism and Augustine. Though these chapters and articles reproduce their originals, adjustments have been made to include cross-referencing newer editions and the like, all with the aim of rendering them more accessible to a new readership among those who follow the fortunes of Mani's religion in the Roman Empire and/or the Manichaean aspects of Augustine of Hippo.

Mani, the Angel and the Column of Glory Andrew J. Welburn, 1998. Manichaeism based on the teachings and revelations of the third-century Persian mystic Mani was for over 1000 years one of the major religions rivalling Christianity, Islam, and Buddhism. Its widespread influence is found in Eastern and Western thought alike, from Tibetan Buddhism to the young Augustine of Hippo. 20th-century archaeology has restored to us a number of their books, often of great artistic beauty, in which the Manicheans embodied their knowledge. This book brings together some of the fragmented texts with a commentary that chronicles the new light now being thrown on the relationship between Mani's religion of light and Christianity.

The Gospel of the Prophet Mani Duncan Greenlees, 2007-07. For centuries, Manichaeism was a powerful religion rivaled only by Christianity but now virtually unheard of. Today there is a resurgence of interest in Gnostic teachings. This work has been painstakingly pieced together and is an important work for scholars, religious researchers, and those interested in alternative spiritual paths.

Mani Ort, 2024-09-23. *Mani in Dublin* Siegfried G. Richter, Charles Horton, Klaus Ohlhafer, 2015-03-10. In 2009 the Seventh International Conference of Manichaean Studies was held at the Chester Beatty Library in Dublin. The 22 selected papers of this volume offer a deep insight into the faith of Manichaean communities ranging from the very beginning of the 3rd century up to the last traces of worship today. Among others, the authors deal with sources from Augustine, John the Grammarian, Ephrem the Syrian, and further sources written in Coptic, Sogdian, Middle Persian, Parthian, and Chinese. Several studies about Manichaean art and iconography offer a visual impression which gives a new opportunity for understanding the religion of Light.

The Religion of the Manichees F. Crawford Burkitt, 2009-01-23. **Manichaeism in Central Asia and China** S. N. C. L. Lieu, 1998. The discovery of genuine Manichaean texts from sites like Turfan and Tunhuang since the beginning of the century has greatly increased our knowledge of the teaching of Manichaeism and of its amazing geographical spread in pre-Islamic times. This volume brings

together the contributions by a leading authority on the subject including a long survey article on the history of the discovery of the texts from Central Asia as well as articles focusing on some of these texts and on the incredible history of adaptation and survival of the sect in China proper The studies include many Chinese texts on Manichaeism made available for the first time in their original scripts and in translation The volume also contains the first ever working catalogue of all Manichaean texts in western as well as oriental languages published up to 1997
