Fitzgerald, Valerie Hughes, Mark Jewett, 2018-06-30 Marking 150 years since Confederation provides an opportunity for Canadian international law practitioners and scholars to reflect on Canada's rich history in international law and governance where we find ourselves today in the community of nations and how we might help shape a future in which Canada's rules based and progressive approach to international law gains ascendancy This collection of essays each written in the official language chosen by the authors provides a thoughtful perspective on Canada's past and present in international law surveys the challenges that lie before us and offers renewed focus for Canada's pursuit of global justice and the rule of law Part I explores the history and practice of international law including sources of international law Indigenous treaties international treaty diplomacy domestic reception of international law and Parliament's role in international law Part II explores Canada's role in international law governance and innovation in the broad fields of economic environmental and intellectual property law Part III explores Canadian perspectives on developments in international human rights and humanitarian law including judicial implementation of these obligations international labour law business and human rights international criminal law war crimes child soldiers and gender Reflections on Canada's Past Present and Future in International Law R flexions sur le pass le pr sent et l avenir du Canada en droit international demonstrates the pivotal role that Canada has played in the development of international law and signals the essential contributions the country is poised to make in the future **Local Content and Sustainable**

**Development in Global Energy Markets** Damilola S. Olawuyi, 2021-03-04 Local Content and Sustainable Development in Global Energy Markets analyses the topical and contentious issue of the critical intersections between local content requirements LCRs and the implementation of sustainable development treaties in global energy markets including Africa Asia Europe North America Latin America South America Australasia and the Middle East While LCRs generally aim to boost domestic value creation and economic growth inappropriately designed LCRs could produce negative social human rights and environmental outcomes and a misalignment of a country's fiscal policies and global sustainable development goals These unintended outcomes may ultimately serve as disincentive to foreign participation in a country's energy market This book outlines the guiding principles of a sustainable and rights based approach focusing on transparency accountability gender justice and other human rights issues to the design application and implementation of LCRs in global energy markets to avoid misalignments *Aboriginal Peoples in Canadian Cities* Heather A. Howard, Craig Proulx, 2011-04-12 Since the 1970s Aboriginal people have been more likely to live in Canadian cities than on reserves or in rural areas Aboriginal rural to urban migration and the development of urban Aboriginal communities represent one of the most significant shifts in the histories and cultures of Aboriginal peoples in Canada The essays in *Aboriginal Peoples in Canadian Cities Transformations*

and Continuities are from contributors directly engaged in urban Aboriginal communities they draw on extensive ethnographic research on and by Aboriginal people and their own lived experiences The interdisciplinary studies of urban Aboriginal community and identity collected in this volume offer narratives of unique experiences and aspects of urban Aboriginal life They provide innovative perspectives on cultural transformation and continuity and demonstrate how comparative examinations of the diversity within and across urban Aboriginal experiences contribute to broader understandings of the relationship between Aboriginal peoples and the Canadian state and to theoretical debates about power dynamics in the production of community and in processes of identity formation

**Disability Politics in a Global Economy** Ravi Malhotra, 2016-07-15 While the visibility of disability studies has increased in recent years few have thoroughly examined the marginalization of people with disabilities through the lens of political economy This was the great contribution of Marta Russell 1951-2013 an activist and prominent scholar in the United States and best known for her analyses of the issues faced by people with disabilities This book examines the legacy of Marta Russell bringing together distinguished scholars and activists such as Anne Finger Nirmala Erevelles and Mark Weber to explicate current issues relevant to the empowerment of people with disabilities Drawing from various fields including Law Political Economy Education and History the book takes a truly interdisciplinary approach offering a body of work that develops a dextrous understanding of the marginalization of people with disabilities The book will be of great use and interest to specialists and students in the fields of Political Economy Law and Society Labour Studies Disability Studies Women's Studies and Political Science

COVID-19, Law and Regulation Belinda Bennett, Ian R. Freckelton, Gabrielle Wolf, 2023 Analyses a wide range of major COVID 19 legal responses around the world across criminal justice regulatory liability bioethical human rights and other issues

**Social Work in a Global Context** George Palattiyil, Dina Sidhva, Mono Chakrabarti, 2015-08-20 Social Work in a Global Context engages with and critically explores key issues that inform social work practice around the world Social work can take many forms and is differently understood in different parts of the world However at base it can be seen as a profession which strives to advance the causes of the vulnerable and marginalised with the aim of promoting social justice equality and human rights This text provides examples of social work in a wide range of countries informing our understanding of what social work is It looks at how practice changes or stays the same and at the impact of policy as experienced by service users as well as by practitioners working in challenging circumstances It also meaningfully reflects on the strengths and challenges that are enabled by diversity Divided into four parts this wide ranging text discusses what social work means in four different countries some examples of the impact social and political context can have on social work practice how social workers see and work with the vulnerable the future for social work from disaster work to involving service users Social Work in a Global Context is the first truly international book for all those interested in comparative and cross cultural understandings of social work

**Indigenous Peoples and the Law** Benjamin J Richardson, Shin Imai, Kent

McNeil, 2009-03-18 *Indigenous Peoples and the Law* provides an historical comparative and contextual analysis of various legal and policy issues affecting Indigenous peoples. It focuses on the common law jurisdictions of Australia, Canada, New Zealand, and the United States, as well as relevant international law developments. Edited by Benjamin J. Richardson, Shin Imai, and Kent McNeil, this collection of new essays features 13 contributors, including many Indigenous scholars drawn from around the world. The book provides a pithy overview of the subject matter, enabling readers to appreciate the seminal issues, precedents, and international legal trends of most concern to Indigenous peoples. The first half of *Indigenous Peoples and the Law* takes an historical perspective of the principal jurisdictions, canvassing in particular themes of Indigenous sovereignty, status, and identity, and the movement for Indigenous self-determination. It also examines these issues in an international context, including the Inter-American human rights regime and the 2007 UN Declaration on the Rights of Indigenous Peoples. The second part of the book canvasses some contemporary issues and claims of Indigenous peoples, including land rights, mobility rights, community self-governance, environmental governance, alternative dispute resolution processes, the legal status of Aboriginal women, and the place of Indigenous legal traditions and legal theory. Although an introductory volume designed primarily for readers without advanced understanding of Indigenous legal issues, *Indigenous Peoples and the Law* should also appeal to seasoned scholars, policy makers, lawyers, and others who are knowledgeable of such issues in their own jurisdiction and wish to learn more about developments in other places. *Braiding Legal Orders* John Borrows, Larry Chartrand, Oonagh E. Fitzgerald, Risa Schwartz, 2023-08-01 Implementation in Canada of the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP) is a pivotal opportunity to explore the relationship between international law, Indigenous peoples' own laws, and Canada's constitutional narratives. Two significant statements by the current Liberal government—the May 2016 address by Indigenous Affairs Minister Carolyn Bennett to the Permanent Forum on Indigenous Issues at the United Nations and the September 2017 address to the United Nations by Prime Minister Justin Trudeau—have endorsed UNDRIP and committed Canada to implementing it as a way forward on the path to genuine nation-to-nation relationships with Indigenous peoples. In response, these essays engage with the legal, historical, political, and practical aspects of UNDRIP implementation. Written by Indigenous legal scholars and policy leaders and guided by the metaphor of braiding international, domestic, and Indigenous laws into a strong unified whole composed of distinct parts, the book makes visible the possibilities for reconciliation from different angles and under different lenses. **Locating Law, 3rd Edition** Elizabeth Comack, 2020-05-27T00:00:00Z Praise for the second edition: This book is the best available for teaching the role of law in society and making sense of how it operates within the interconnections of race, class, and gender dynamics, often perpetuating oppression. *Locating Law* is essential for undergraduate students in justice, sociology, and criminology. Margot Hurlbert, University of Regina. Students regularly tell me that *Locating Law* is their favourite book out of the selections for the Law and Society course. The case studies are sufficiently different from one another that the students deepen their general

knowledge and they appreciate the fact that the chapters are written in a style they can understand Jennifer Jarman Lakehead University A primary concern within the study of law has been to understand the law society relation Underlying this concern is the belief that law has a distinctly social basis it both shapes and is shaped by the society in which it operates This book explores the law society relation by locating law within the nexus of race class gender sexuality relations in society In addition to updating the material in the theoretical and substantive chapters this third edition of *Locating Law* includes three new contributions sentencing law and Aboriginal peoples corporations and the law and obscenity and indecency legislation The analyses offered in the book are sure to generate discussion and debate and in the process enhance our understanding of law's location

**The Routledge Handbook of Global Perspectives on Homelessness, Law & Policy**

Chris Bevan, 2024-06-06 This handbook provides a comprehensive global survey and assessment of the law and policy relating to homelessness prevention Homelessness is regarded internationally as one of the most pressing issues facing humanity and one of the greatest social challenges of our times This has been further amplified as a result of the Covid 19 pandemic Across the globe there is an enormous divergence in both experiences of and responses to homelessness from governments and state actors This handbook examines how different jurisdictions from across all five continents of the world have encountered framed and responded to homelessness Written by expert scholars and leaders in their field the book engages in a multidisciplinary and comparative analysis of homelessness as an issue of acute social concern Understandings of homelessness are geographically culturally and historically situated making analysis of each jurisdiction's approach by a national expert deeply insightful The collection examines legal and extra legal policy interventions targeted at reducing or preventing homelessness from across the globe Drawing on diverse perspectives differing cultures and welfare regimes it thus constitutes a timely evaluation of current approaches to homelessness internationally This book will appeal to students and scholars of homelessness sociology social policy anthropology and urban sociology as well as international and national policymakers

*First Nations Cultural Heritage and Law* Catherine Bell, Val Napoleon, 2009-01-01 *First Nations Cultural Heritage and Law* explores First Nations perspectives on cultural heritage and issues of reform within and beyond Western law Written in collaboration with First Nation partners it contains seven case studies featuring indigenous concepts legal orders and encounters with legislation and negotiations a national review essay three chapters reflecting on major themes and a self reflective critique on the challenges of collaborative and intercultural research Although the volume draws on specific First Nation experiences it covers a wide range of topics of concern to Inuit Metis and other indigenous peoples

Land and the Liberal Project Éléna Choquette, 2024-05-15 Canada was a small country in 1867 but within twenty years its claims to sovereignty spanned the continent With Confederation came the vaunting ambition to create an empire from sea to sea How did Canada lay claim to so much land so quickly *Land and the Liberal Project* examines the tactics deployed by Canadian officialdom from the first articulation of expansionism in 1857 to the consolidation of authority following the 1885

North West Resistance Ina Choquette contends that although the dominion purported to absorb Indigenous lands through constitutionalism administration and law it often resorted to force in the face of Indigenous resistance She investigates the liberal concept that underpinned land appropriation and legitimized violence Indigenous territory and people were to be improved the former by agrarian capitalism the latter by enforced schooling By rethinking this tainted approach to nation making Choquette s clear eyed expos of the Canadian expansionist project offers new ways to understand colonization

**In Our Backyard** Aimée Craft,Jill Blakley,2022-04-29 Beginning with the Grand Rapids Dam in the 1960s hydroelectric development has dramatically altered the social political and physical landscape of northern Manitoba The Nelson River has been cut up into segments and fractured by a string of dams for which the Churchill River had to be diverted and new inflow points from Lake Winnipeg created to manage their capacity Historic mighty rapids have shrivelled into dry river beds Manitoba Hydro s Keeyask dam and generating station will expand the existing network of 15 dams and 13 800 km of transmission lines In Our Backyard tells the story of the Keeyask dam and accompanying development on the Nelson River from the perspective of Indigenous peoples academics scientists and regulators It builds on the rich environmental and economic evaluations documented in the Clean Environment Commission s public hearings on Keeyask in 2012 It amplifies Indigenous voices that environmental assessment and regulatory processes have often failed to incorporate and provides a basis for ongoing decision making and scholarship relating to Keeyask and resource development more generally It considers cumulative regional and strategic impact assessments Indigenous worldviews and laws within the regulatory and decision making process the economics of development models for monitoring and management consideration of affected species and cultural and social impacts With a provincial and federal regulatory regime that is struggling with important questions around the balance between development and sustainability and in light of the inherent rights of Indigenous people to land livelihoods and self determination In Our Backyard offers critical reflections that highlight the need for purposeful dialogue principled decision making and a better legacy of northern development in the future

*Routledge Handbook of Radical Politics* Ruth Kinna,Uri Gordon,2019-05-16 Successive waves of global protest since 1999 have encouraged leading contemporary political theorists to argue that politics has fundamentally changed in the last twenty years with a new type of politics gaining momentum over elite representative institutions The new politics is frequently described as radical but what does radicalism mean for the conduct of politics Capturing the innovative practices of contemporary radicals Routledge Handbook of Radical Politics brings together leading academics and campaigners to answer these questions and explore radicalism s meaning to their practice In the thirty five chapters written for this collection they collectively develop a picture of radicalism by investigating the intersections of activism and contemporary political theory Across their experiences the authors articulate radicalism s critical politics and discuss how diverse movements support and sustain each other Together they provide a wide ranging account of the tensions overlaps and promise of radical politics while utilising scholarly

literatures on grassroots populism to present a novel analysis of the relationship between radicalism and populism Routledge Handbook of Radical Politics serves as a key reference for students and scholars interested in the politics and ideas of contemporary activist movements
