The Complete Works of George Meredith George

Meredith, 2020-09-28 It was ordained that Shibli Bagarag nephew to the renowned Baba Mustapha chief barber to the Court of Persia should shave Shagpat the son of Shimpoor the son of Shoolpi the son of Shullum and they had been clothiers for generations even to the time of Shagpat the illustrious Now the story of Shibli Bagarag and of the ball he followed and of the subterranean kingdom he came to and of the enchanted palace he entered and of the sleeping king he shaved and of the two princesses he released and of the Afrite held in subjection by the arts of one and bottled by her is it not known as twere written on the finger nails of men and traced in their corner robes As the poet says Ripe with oft telling and old is the tale But tis of the sort that can never grow stale Now things were in that condition with Shibli Bagarag that on a certain day he was hungry and abject and the city of Shagpat the clothier was before him so he made toward it deliberating as to how he should procure a meal for he had not a dirhem in his girdle and the remembrance of great dishes and savoury ingredients were to him as the illusion of rivers sheening on the sands to travellers gasping with thirst And he considered his case crying Surely this comes of wandering and tis the curse of the inquiring spirit for in Shiraz where my craft is in favour I should be sitting now with my uncle Baba Mustapha the loquacious one cross legged partaking of seasoned sweet dishes dipping my fingers in them rejoicing my soul with scandal of the Court Now he came to a knoll of sand under a palm from which the yellow domes and mosques of the city of Shagpat and its black cypresses and marble palace fronts and shining pillars and lofty carven arches that spanned half circles of the hot grey sky were plainly visible Then gazed he awhile despondingly on the city of Shagpat and groaned in contemplation of his evil plight as is said by the poet The curse of sorrow is comparison As the sun casteth shade night showeth star We measuring what we were by what we are Behold the depth to which we are undone

Rhetoric and Galatians Philip H. Kern, 1998-12-03 This monograph challenges the accepted notion that Galatians is either a sample of classical rhetoric or should be interpreted in light of Graeco Roman rhetorical handbooks It demonstrates that the handbooks of Aristotle Cicero et al discuss a form of oratory which was limited with respect to subject venue and style of communication and that Galatians falls outside such boundaries The inapplicability of ancient canons of rhetoric is reinforced by a detailed comparison of Galatians with the handbooks a survey of patristic attitudes towards Paul's communicative technique and interaction with twentieth century discussions of the nature of New Testament Greek Dr Kern

concludes that rhetorical handbooks were never a tool of literary criticism and that they cannot assist the search for a distinctly Pauline rhetoric. Thus this study has implications not only for Galatians but also for other New Testament epistles.

The Ordeal of Richard Feverel — Complete George Meredith, 2021-05-19. George Meredith's *The Ordeal of Richard Feverel* is a poignant exploration of the trials of a young man grappling with the tumultuous interplay of social expectations, personal desires, and the complexities of emerging adulthood. The novel is noted for its innovative narrative technique, blending realism with psychological insight as it meticulously unravels the conflicts faced by Richard Feverel and his struggle against paternal authority and societal norms. Capturing the spirit of Victorian England, Meredith employs a rich, evocative style that resounds with both lyrical beauty and intellectual depth, challenging contemporary notions of masculinity and the institution of marriage. Meredith himself was deeply influenced by both personal experience and philosophical thought, notably the ideals of self-realization and individual freedom, which resonate throughout the narrative. His background as a poet and novelist, along with his close connections to the literary circles of his time, allowed him to weave complex characterizations and social critiques into his works. This novel, reflecting Meredith's own challenges with relationships and societal constraints, marks a significant turning point in his literary career, revealing his adeptness at intertwining emotional depth with ethical dilemmas. Recommended for readers seeking a profound literary journey, *The Ordeal of Richard Feverel* offers invaluable insights into the human condition and the impact of societal pressures on personal identity. This compelling tale invites a critical examination of emotional resilience and the pursuit of authenticity, making it a timeless exploration that resonates well beyond its Victorian context.

Neo-Victorian Biofiction, 2020-09-07. This volume explores the many paradoxes of neo-Victorian biofiction, a genre that yokes together the real and the imaginary, biography and fiction, and generates oxymoronic combinations like creative facts, fictional truth, or poetic truthfulness. Contemporary biofictions recreating nineteenth-century lives demonstrate the crucial but always ethically ambiguous revision and supplementation of the historical archive. Due to the tension between ethical empathy and consumerist voyeurism, between traumatic testimony and exploitative exposé, the epistemological response is perforce one of hermeneutic suspicion and iconoclasm. In the final account, this volume highlights neo-Victorianism's deconstruction of master narratives and the consequent democratic rehabilitation of overlooked microhistories.
