Mans Best Friendthe Little Australian And Others:

Man's Best Friend Luke Warburton, Simon Bouda, 2019-07-23 At 10 30 p m on 12 January 2016 Acting Sergeant Luke Warburton thought he was taking his last breath A decorated New South Wales Police Officer the father of three was looking death in the face after a bullet pierced his femoral vein If it wasn't for the fact that it happened in the Emergency Ward of Sydney's Nepean Hospital Warburton would probably have been dead already An hour earlier he'd walked to his police van with his ever faithful German shepherd Chuck trotting alongside Later Luke would be awarded the Commissioner's Valour Award for conspicuous merit and exceptional bravery in the line of duty He would maintain he was just a copper doing his job So too was Chuck who was nationally recognised for bringing down Australia's most wanted man Malcolm Naden after a manhunt lasting more than seven years **Man's Best Friend** is Luke and Chuck's story It's the story of a boy who dreamed of one day being a policeman of his love for dogs and his time at the NSW Police Dog Unit It's also the story of an ordinary man and his ordinary dog doing extraordinary things in the line of duty

Faubus Roy Reed, 1997-01-01 In this close personal history the result of eight years of intensive research Reed finds Faubus to be an opaque man an insoluble mixture of cynicism and compassion guile and grace wickedness and goodness and ultimately one of the last Americans to perceive politics as a grand game New York Times Book Review Notable Book for 1997 1998 Certificate of Commendation American Association for State and Local History **Man's Best Friend** John A. Greer Sr., 2011-03-21 Alofus an Australian shepherd pup has never been one to give up When his mother goes into premature labor Alofus is the only puppy to survive even then his link to life is tenuous His owners Nana and PawPaw whisk him to the veterinarian where he is watched around the clock His story so touches the heart of everyone in the city that its citizens wait with bated breath to hear his fate When six weeks pass and Alofus is now a cute furry bundle of joy everyone celebrates including ten year old Little Jay Nana and PawPaw's eldest grandson Little Jay along with his father and mother become Alofus's proud new owners and the entire family forges a strong bond with the dog Alofus fiercely protects his family from harm But when Jay's father a policeman starts investigating a sinister crime syndicate the criminals take their revenge on Alofus nearly beating him to death Once again the town rallies behind the dog and determines to put the perpetrators behind bars and clean up their city once and for all An inspiring tale about the love between man and dog **Mans Best Friend** will warm your heart

An Epitaph for Little Rock John A. Kirk, 2010 This collection of essays mines the Arkansas Historical Quarterly from the 1960s to the present to form a body of work that represents some of the finest scholarship on the crisis from distinguished southern historians Numan V Bartley Neil R McMillen Tony A Freyer Roy Reed David L Chappell Lorraine Gates Schuyler John A Kirk Azza Salama Layton and Ben F Johnson III A comprehensive array of topics are explored including the state regional national and international dimensions of the crisis as well as local white and black responses to events gender issues politics and law Introduced with an informative historiographical essay from John A Kirk **An Epitaph for Little Rock** is essential reading on this defining moment

in America's civil rights struggle *Beyond Little Rock* John A. Kirk, Minnijean Brown Trickey, 2007-10-01 Based on extensive archival work, private paper collections and oral history, this book includes eight of John Kirk's essays, two of which have never been published before. Together, these essays locate the dramatic events of the crisis within the larger story of the African American struggle for freedom and equality in Arkansas. Examining key episodes in state history from before the New Deal to the present, Kirk covers a wide range of topics that include the historiography of the school crisis, the impact of the New Deal, early African American politics and mass mobilization, race, gender and the civil rights movement, the role of white liberals in the struggle and the intersections of race and city planning policy. Kirk unearths many previously neglected individuals, organizations and episodes and provides a thought-provoking analytical framework for understanding them.

Man's Best Friends - True Stories of the World's Most Heroic Dogs John McShane, 2012-07-27 For thousands of years, men and women have known who to turn to in times of trouble: a dog. All over the world, dogs have risked and often lost their lives to look after the human beings they care for. Their intelligence, devotion and astonishing courage to help humans in distress on countless occasions almost defies belief. Their stories range from Roselle the Labrador who led her blind owner to safety from the carnage of the World Trade Centre to the legends of Balto and Togo, two of the huskies who traversed over 1 000 kilometres of snow and ice to bring life-saving medicine to an isolated town, and Swansea Jack the black Labrador who rescued almost 30 people from drowning and who had a statue erected in his honour. Many of the dogs featured in this book have been specially trained to help humans, a task they eagerly set about regardless of the physical risk they face as a result. Then there are the family pets who, when danger threatens, react with total disregard for their own wellbeing, caring only about one thing: protecting the humans they love. **Jean, Our Little Australian Cousin** Mary F. Nixon-Roulet, 2021-05-18

In *Jean, Our Little Australian Cousin*, Mary F. Nixon-Roulet presents a captivating tale that introduces young readers to the picturesque landscapes and vibrant culture of Australia through the eyes of a young girl named Jean. Written in an engaging narrative style, the book merges delightful storytelling with rich descriptions, immersing readers in the Australian setting and familiarizing them with local customs and experiences. As part of the Little Cousin series, this work not only aims to entertain but also to educate, showcasing cross-cultural connections and the universal themes of friendship and family. Mary F. Nixon-Roulet, an author noted for her ability to weave engaging narratives for children, draws inspiration from both her fascination with travel and her commitment to promoting cultural understanding. With her experience in various educational and teaching contexts, she effectively tailored this work to engage the imagination of children while providing them with a window into a world that may be distant yet relatable. This dedication to bridging cultural gaps enhances the educational value of the book. *Jean, Our Little Australian Cousin* is highly recommended for parents and educators looking to enrich children's literature collections with stories that not only entertain but also broaden horizons. Young readers will delight in Jean's adventures while developing an appreciation for diversity in the world around them. *A Girl's Best Friend* Jan

Fook,Renate Klein,2001 Annotation With contributions about what their dogs mean to them this collection presents over eighty women and girls from diverse backgrounds ages and countries share their feelings and experiences of living with dogs

English, The Aussie Way Lynne Maree Walsh,2016-01-28 Written by a Sydney native English The Aussie Way A Fun Guide to Australia s Colourful Phrases Words and Expressions offers an amusing way for English or non English speakers around the world to learn the colloquial phrases for which Australia is famous This user friendly reference provides words phrases and meanings synonyms by using an example sentence Says the author For seven years I housed international students who were attending English language schools in Sydney and I realised that although they had a good grasp of formal grammar they struggled to understand not only colloquial English but many of the commonly used phrasal verbs which could not be found in a standard English Spanish French etc dictionary It was then that I decided to start writing some of them down for future reference and it grew from there Marsupial Twilight Crescentia Miller,2019-08-02 Inspired by

true events this book details first hand encounters with Australian wildlife in south east Queensland While the focus is on free roaming kangaroos adorable possums and native birds other creatures such as lizards as well as an echidna are included in the mix The reader will find out many interesting facts about marsupials from an evolutionary perspective Reflecting day to day life in modern Australia it is the aim of this narrative to spread a message of conservation and promote appreciation for the amazing fauna still calling the Great Southern Land home **Pocket Oxford American Dictionary and Thesaurus**

Oxford Languages,2010 The Pocket Oxford American Dictionary Thesaurus is the ideal all in one portable reference with a dictionary and thesaurus combined in one handy integrated volume **The Dingo Debate** Bradley Smith,2015-08-03 The

Dingo Debate explores the intriguing and relatively unknown story of Australia s most controversial animal the dingo Throughout its existence the dingo has been shaped by its interactions with human societies With this as a central theme the book traces the story of the dingo from its beginnings as a semi domesticated wild dog in South east Asia to its current status as a wild Australian native animal under threat of extinction It describes how dingoes made their way to Australia their subsequent relationship with Indigenous Australians their successful adaption to the Australian landscape and their constant battle against the agricultural industry During these events the dingo has demonstrated an unparalleled intelligence and adaptable nature seen in few species The book concludes with a discussion of what the future of the dingo in Australia might look like what we can learn from our past relationship with dingoes and how this can help to allow a peaceful co existence The Dingo Debate reveals the real dingo beneath the popular stereotypes providing an account of the dingo s behaviour ecology impacts and management according to scientific and scholarly evidence rather than hearsay This book will appeal to anyone with an interest in Australian natural history wild canids and the relationship between humans and carnivores

Parliamentary Debates Australia. Parliament,1910 **Carriage and Wagon Builder** ,1914 **Latham at Large** Mark Latham,2015-03-02 Mark Latham is by his own admission the most outspoken rebellious thoroughly uncontrollable

former leader in Labor Party history In these brilliantly written opinion pieces Latham pulls no punches as he scrutinises the Australian political landscape looking at everything from climate change to Clive Palmer to what went wrong with Rudd Gillard and what s now wrong with Abbott Beyond politics Latham dabbles in his other great interests such as critiquing the modern media and explaining his fascination with horse racing His hilarious Henderson Watch columns and other satirical writing also feature in Latham at Large Mark Latham has a formidable intellect and a forensic ability to get to the bottom of things This is an entertaining thought provoking sometimes scathing often humorous collection from a man who is not afraid to speak his mind There is no one else like him in Australian public life **Breeding Barefoot Bookworms** Serrie

Kamara,2013-07-31 In this story the author describes in graphic details the experiences of an Australian teenager who started a book charity and then spent a year in a remote African village to set up a school library His youthful exuberance and great determination to make a difference in the poor community was an inspiration to all the children in the village Many students took seriously the schools new motto Education to beat poverty Billys one year stay was packed with fun and excitement He even volunteered to take part in the annual tribal initiation ceremony Follow Billy as he goes through the experience of a lifetime **Colonial Cousins** Joyce P. Westrip,Peggy Holroyde,2010 An exploration of the historic

relationship between Australia and India **Peaceful Personalities and Warriors Bold** Frederic Villiers,1907 Mousy Cats and Sheepish Coyotes John A. Shivik,2017-11-07 A wildlife expert explores what science tells us about animals as unique individuals and why animal personality matters for the human animal bond and for adaptation in nature Why are some cats cuddly and others standoffish Why are some dogs adventuresome others homebodies As any pet owner can attest we feel that the animals we ve formed bonds with are unique as particular and peculiar as any human friend or loved one Recent years have brought an increased understanding of animal intelligence and emotion But is there a scientific basis for animal personality and individuality or is this notion purely sentimental It turns out that science has been reluctant to even broach the subject of individuality until recently But now a fundamental shift in scientific understanding is underway as mainstream scientists begin to accept the idea that animals of all kinds from beloved beasts like apes and birds to decidedly less cuddly creatures like crabs and spiders do indeed have individual personalities In Mousy Cats and Sheepish Coyotes veteran wildlife expert Dr John A Shivik brings us stories from the front lines of this exciting new discipline Drawing on his scientific training as well as his storytelling gifts Shivik serves as an accessible humorous guide to the emerging body of research on animal personalities Shivik accompanies researchers who are discovering that each wolf bear and coyote has an inherent tendency to favor either its aggressive nature or to shyly avoid conflicts Some bluebirds are lovers others are fighters And some spiders prefer to be loners while others are sociable Unique personalities can be discovered in every corner of the animal kingdom even among microscopic organisms The array of personality types among all species is only beginning to be described and understood As Shivik argues animals unique personalities are important not only because they determine

which animals we bond with Individual animal traits are also fundamental but still inadequately understood drivers of evolution adaptation and species diversity Ultimately Mousy Cats and Sheepish Coyotes offers insight into the similarities humans share with animals and presents evidence of an unbroken biological connection from the smallest organisms to Homo sapiens *Dun's Review* ,1916
