The 2 Promises Series - Book 1 - Childhood Matthew Leesbourne, 2025-01-14 THE 2 PROMISES BOOK 1 CHILDHOOD
In The 2 Promises Book 1 Childhood Matthias's story is not just about overcoming adversity but also about his desire to remind everyone of the importance of a meaningful journey in life This sentiment is exemplified in a portion of the book where Matthias reflects on a missed opportunity to join an exciting venture in the UAE when he was only 20 years old and still a student Despite his deep professional connection with the General Manager who moved on Matthias had to remain tethered to his academic commitments navigating the waters of his career alone This episode in his life encapsulates the central message of the book life is a journey filled with missed opportunities and roads not taken but each decision each commitment and each challenge shapes us into who we are Matthias's story is a reminder to value the journey itself with its ups and downs as much as the destination It's a poignant reflection on how our choices and commitments even those that seem to limit us at the moment play a crucial role in our personal and professional growth Every element in the book series is imbued with meaning including the intentional use of the double i in promise The significance of this detail unfolds gradually and only by journeying through the series will its deeper purpose be revealed **Television Mythologies** Len
