Mantra Of Jabez:

The Mantra of Jabez Douglas Jones, 2001 Bruce Wilkinson's best selling book *The Prayer of Jabez* is so popular with Evangelicals it just had to be bad. Wilkinson told us to be gimpers for God. Jones shows us how to be kippers for God. In this parody the conservative Christian author allows humor to reveal the more ridiculous assumptions driving the original book. Each chapter of the original is turned inside out so that we can really see what's being said. Though the parody is rather ruthless in its humor it is not hopelessly cynical just for the sake of mockery. It points to a more constructive vision, a vision of Christianity's inherent riches of truth, beauty and goodness that the original Jabez book passively trivializes. Get this parody for the laughs, get it for something greater. *The Prayer of Jabez Bible Study* Bruce Wilkinson, 2010-05-19. *The Prayer of Jabez Bible Study* reveals how to make praying the Jabez prayer a lifetime habit. Readers will broaden their understanding of the four components of the Jabez prayer: bless me, enlarge my borders, keep Your hand upon me, keep me from evil. By investigating key scriptural passages and learning how to apply them to their lives. Graphics and lighthearted illustrations make this innovative four week study impactful and fun. An eighty page Leader's Edition with two additional optional sessions is also available. **The Prayer of Jabez Journal** Bruce Wilkinson, 2001-05-15. Those familiar with Bruce Wilkinson's breakthrough teaching on I Chronicles 4:10 know offering the prayer of Jabez leads to the truly blessed life. In *The Prayer of Jabez Journal* the founder of Walk Thru the Bible Ministries takes you on a guided mentoring experience in a personal spiritual journal to use with or without previous *Prayer of Jabez* publications. *The Prayer of Jabez* Bruce Wilkinson, Global Vision Resources, 2002-10-03. Includes 4 cassettes in a case. Workbooks and Leader's guides are sold separately. **The Prayer of Jabez Bible Study Leader's Edition** Bruce Wilkinson, 2011-06-08. Readers of Dr. Bruce Wilkinson's powerful bestseller *The Prayer of Jabez* learned how an audacious four part prayer could release God's miraculous power in their lives. Now *The Prayer of Jabez Bible Study Leader's Edition* reveals how to make praying the Jabez prayer a lifetime habit. Leaders will broaden their understanding of the four components of the Jabez prayer: bless me, enlarge my borders, keep Your hand upon me, keep me from evil. Graphics and lighthearted illustrations make this innovative four week study impactful and fun. The eighty page Leader's Edition offers two additional optional sessions and resources for group leadership. **Jabez A Little Book of Big Blessings** Catherine Brown, 2019-05-31. *Jabez A Little Book of BIG Blessings*. The prayer of Jabez contains Kingdom principles that are keys for every believer to unlock untold blessings and miracles in our own lives and that of our families. Brown takes us through a whistle stop tour of the prayer and life of Jabez, building from the foundation of a life which was marked by pain and suffering to a life that experienced phenomenal healing, blessing and increase. This book will enable all to take their faith to the next level. By trusting God, Jabez moved from being a man of sorrows to a man of success. Learn how to experience the transformational power and grace of God through *Jabez A Little Book of BIG Blessings*. The book is a gift of God to a generation that God desires to bless extravagantly and abundantly. *Out of Context* Richard L.

Schultz,2012-11-01 Although 92% of American households own at least one Bible their use of the Bible varies significantly Only 59% of Americans read the Bible at least occasionally and an even smaller percentage go beyond merely reading the Bible and actually study it It is no wonder that even those who say they read the Scriptures often don't understand them Veteran Bible professor Richard L Schultz believes the misinterpretation and misapplication of biblical texts amounts to a crisis of interpretive malpractice In *Out of Context* he seeks to explain how biblical interpretation goes wrong and how to get it right He introduces readers to the important concepts of context word meaning genre and the differences between the world of the Bible and our own Readers who delve into the fascinating world of biblical interpretation found in this book will find their Scripture reading enhanced and be enlightened by Schultz's powerful and ultimately positive message

Evangelicalism Richard Kyle,2011-12-31 Most forms of religion are best understood in the context of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In *Evangelicalism* Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self-serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist-driven American society In doing so Evangelicalism has become a middle class movement one that dominates America's culture and unabashedly populist Many Evangelicals view America as God's chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought-provoking volume will interest anyone concerned with the modern-day success of the Evangelical movement in America and the aspirations and fate of its faithful *I Just Wanted More Land - Jabez* Gary E. Gilley,2001-12-31 The meteoric rise in popularity of Bruce Wilkinson's compact book *The Prayer of Jabez* has taken the church and the country by storm Having already sold millions of copies it may become the best-selling Christian book of the last one hundred years In this book pastor and author Gary Gilley takes issue with Wilkinson's message

He believes the message although well meaning is unbiblical and threatens to do incalculable damage to the church

Keys For Living a Solid Successful Christian Life Robbie L. Rogers, 2024-06-30 A straight forward simple life changing easy to read common sense look at the complexity of today s difficulties according to and surrounding God s Word the Bible and Christianity Did God simply hit the start button on creation and walk away like it sometimes feels He is almost always active with us daily hourly minute by minute Life is beautiful if we allow it to be and we are blessed beyond measure Your success depends on what you truly believe what drives your existence If you work hard enough at what your heart s desire is about it will happen especially if you are working at something in God s name and in His timing Remember God s plans for you existed before you were born So what do you spend your time on Ask God for help in changing the part of you that He dislikes those things that are negative in nature learn to love yourself Beware of distractions piddling deviations from your purposes mostly they are wrong for you to do at that time However sometimes fires do occur and must be put out The distractions I am alluding to come from fragmented thoughts that lead you to deviate from your plan you end up in a room and don t even remember why you are there If something pops up that requires your attention write it down on your to do list Everyone should have such a list but often they also are simply a distraction list that keeps you from what you ought to be doing People within a congregation those on the edge or outside of Christianity and those trying to make some sense out of their career and life experiences in these difficult times while hanging on to Christian principles they believe in need this book Millions of Christians and non Christians alike need more information and guidance for clarity in a confusing world that often conflicts with one s normal Christian values This book helps define how we can keep a firm grasp on what we believe and apply those principles with a new sense of realization in our life and career It is in that mode that it was developed
