An Introduction to Medieval Ivory Carvings Paul Williamson, 1982 *French Gothic Ivories* Sarah M. Guérin, 2022-09-08 This volume is the first to consider the golden century of Gothic ivory sculpture 1230 1330 in its material theological and artistic contexts Providing a range of new sources and interpretations Sarah Guérin charts the progressive development and deepening of material resonances expressed in these small scale carvings Guérin traces the journey of ivory tusks from the intercontinental trade routes that delivered ivory tusks to northern Europe to the workbenches of specialist artisans in medieval Paris and ultimately the altars and private chapels in which these objects were venerated She also studies the rich social lives and uses of a diverse range of art works fashioned from ivory including standalone statuettes diptychs tabernacles and altarpieces Offering new insights into the resonances that ivory sculpture held for their makers and viewers Guérin's study contributes to our understanding of the history of materials craft and later medieval devotional practices

Ivory Carvings in Early Medieval England John Beckwith, 1990 Ivory carvings are among the most beautiful achievements of medieval art They reflect not only the deeply religious nature of the medieval world but also express the consummate skill and highly creative minds of those who carved them The English craftsmen of the Early Middle Ages produced such renowned masterpieces as the Bury St Edmunds Cross and the Lewis Chessmen John Beckwith provides a definitive study of English ivory carving from 700 1200 AD which describes and illustrates over 160 carvings He places the ivories in relation to contemporary illuminated manuscripts and enamel work Through fascinating and lively portraits of some of the abbots and bishops who were the great patrons of their time and in particular Henry of Blois bishop of Winchester he places the art form firmly within its historical and cultural context **The Wyvern Collection** Paul Williamson, 2019-10-15 One of the most important collections of medieval ivory carvings and small sculpture available to the

public for the first time This volume the second catalog of the Wyvern Collection celebrates an outstanding group of medieval ivory carvings and small sculpture the finest assemblage of its kind in private hands The book has pieces from every period of the Middle Ages including rare pieces from the Early Christian era spectacular panels from the workshops of tenth century Constantinople objects produced by the celebrated carvers active in South Italy in the eleventh and twelfth centuries and several important pieces from the Romanesque period At the heart of the collection is an outstanding group of Gothic ivories whose highlights include one of the most important secular medieval ivories discovered in recent years The collection also features a number of small amber hard stone jet wood and mother of pearl carvings In addition to their virtuoso craftsmanship many of these pieces have illustrious histories as part of famous aristocratic or ecclesiastical collections This is a precious opportunity to study these miniature masterpieces

In the digital age, access to information has become easier than ever before. The ability to download Medieval Ivory Carving has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Medieval Ivory Carving has opened up a world of possibilities. Downloading Medieval Ivory Carving provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Medieval Ivory Carving has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Medieval Ivory Carving. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Medieval Ivory Carving. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Medieval Ivory Carving, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites.

they are downloading from. In conclusion, the ability to download Medieval Ivory Carving has transformed the way we access information.
