Men Confront Pornography:

Men Confront Pornography Michael S. Kimmel, 1991 Originally published in 1990 Crown New York In 35 groundbreaking essays men candidly examine the role of pornography in their own lives Annotation copyrighted by Book News Inc Portland OR

Gay Male Pornography Christopher N. Kendall, 2004 The 2000 case of *Little Sisters Book and Art Emporium v Customs Canada* provided Canada's highest court with its first opportunity to consider whether the analysis set out in *R v Butler* in which the Supreme Court identified pornography as an issue of sex discrimination applies to pornography intended for a lesbian or gay male audience The Court held that it did finding that like heterosexual pornography same sex pornography also violates the sex equality interests of all Canadians Christopher Kendall supports this finding arguing that gay male pornography reinforces those social attitudes that create systemic inequality on the basis of sex and sexual orientation misogyny and homophobia alike by sexually conditioning gay men to those attitudes and practices The author contends that as a result of litigation efforts like those brought by lesbian and gay activists in the *Little Sisters* case the notion of empowerment and the rejection of those values that daily result in all that is anti gay have been replaced with a misguided community ethic and identity politic that encourages inequality This is best exemplified in the gay male pornography defended in *Little Sisters* as liberation and central to sexual freedom *Gay Male Pornography* rejects the equality claims of gay male pro pornography advocates and argues that there is little to be gained from sexualized conformity To date no one has taken the position that gay male pornography violates the legal right to sex equality This book does that and as such it will be of value to scholars of law sociology and gender studies as well as to all who have an interest in equality and justice

Building Bodies Pamela L. Moore, 1997 *Building Bodies* is an exciting collection of articles that strive toward constructing theoretical models in which power bodies discourse and subjectivity interact in a space we can call the built body a dynamic politicized and biological site Contributors discuss the complex relationship between body building and masculinity between the built body and the racialized body representations of women body builders in print and in film and homoeroticism in body building Linked by their focus on the sport and practice of body building the authors in this volume challenge both the way their various disciplines media studies literary criticism gender studies film and sociology have gone about studying bodies and existing assumptions about the complex relationship between power subjectivity society and flesh Body building in practice in representation and in the cultural imagination serves as an launching point because the sport and practice provide ready challenges to existing assumptions about the built body

The Violences of Men Jeff Hearn, 1998-07-28 Addressing the problem of men's violence to known women this book considers the scale of and critically reviews the theoretical frameworks used to explain this violence From the perspective of critical studies on men Jeff Hearn discusses issues challenges and possible research methods for those researching violence He draws on extensive research to analyze the various ways in which men describe deny justify and excuse their violence and considers the complex interaction

between doing violence and talking about violence The book concludes with a summary of the key issues for theory politics policy and practice Routledge Library Editions: Feminist Theory Various,2021-08-07 Routledge Library Editions Feminist Theory brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from The Liberation of Women to Feminists and State Welfare from Married to the Job to Julia Kristeva this set provides in one place a wealth of important reference sources from the diverse field of gender studies

Handbook of Studies on Men and Masculinities Michael S. Kimmel,Jeff Hearn,Robert W. Connell,2004-07-20 In the past research in the field of gender has mainly addressed issues about women and has for the most part been developed by women Recently the study of gender has rapidly expanded and there has been a growing interest in men s and boys identities conduct and problems The Handbook of Studies on Men and Masculinities is an interdisciplinary and international culmination of the growth of men s studies that also offers insight about future directions for the field The Handbook provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences The various approaches presented in this Handbook range across different disciplines theoretical perspectives methodologies and conceptualizations in relation to the topic of men Editors Michael S Kimmel Jeff Hearn and Robert W Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields The Handbook of Studies on Men and Masculinities examines the construction of masculinities in four different frames the social organization of masculinities in their global and regional iterations the institutional reproduction and articulation of masculinities the ways in which masculinities are organized and practiced within a context of gender relations and the ways in which individual men express and understand their gendered identities The Handbook is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions The Handbook of Studies on Men and Masculinities provides scholars researchers and students with the most current incisive scholarship available for the men s studies area of gender studies It is a vital resource for those interested in the practical or cultural issues about men boys and gender as well as an excellent addition to any academic library

The Gender of Desire Michael S. Kimmel,2012-02-01 Here one of the world s pioneers in the field of masculinity studies explores the construction of male sexuality pornography and sexual violence Michael S Kimmel analyzes what male sexuality is where it comes from how it works what affects it pornography s impact on it what fantasies men have about sex what people think about sex and how male ideas about sex affect what men actually do Provocative and wide ranging these essays make important contributions to sociology queer theory American studies history and studies of gender sexuality and gay and lesbian issues **Angry White Men** Michael Kimmel,2013-11-05 We can t come off as a bunch of angry white men Robert Bennett chairman of the Ohio Republican Party One of the enduring legacies of the 2012 Presidential campaign was the demise of the white American male voter as a dominant force in the political landscape On

election night after Obama was announced the winner a distressed Bill O'Reilly lamented that he didn't live in a traditional America anymore. He was joined by others who bellowed their grief on the talk radio airwaves. The traditional redoubt of angry white men. Why were they so angry? Sociologist Michael Kimmel, one of the leading writers on men and masculinity in the world today, has spent hundreds of hours in the company of America's angry white men, from white supremacists to men's rights activists to young students in pursuit of an answer. *Angry White Men* presents a comprehensive diagnosis of their fears, anxieties, and rage. Kimmel locates this increase in anger in the seismic economic, social, and political shifts that have so transformed the American landscape. Downward mobility, increased racial and gender inequality, and a tenacious clinging to an anachronistic ideology of masculinity has left many men feeling betrayed and bewildered. Raised to expect unparalleled social and economic privilege, white men are suffering today from what Kimmel calls aggrieved entitlement, a sense that those benefits that white men believed were their due have been snatched away from them. *Angry White Men* discusses, among others, the sons of small town America scarred by underemployment and wage stagnation. When America's white men feel they've lived their lives the right way, worked hard, and stayed out of trouble, and still do not get economic rewards, then they have to blame somebody else. Even more terrifying is the phenomenon of angry young boys. School shootings in the United States are not just the work of misguided youth or troubled teens; they're all committed by boys. These alienated young men are transformed into mass murderers by a sense that using violence against others is their right. The future of America is more inclusive and diverse. The choice for angry white men is not whether or not they can stem the tide of history; they cannot. Their choice is whether or not they will be dragged kicking and screaming into that inevitable future or whether they will walk openly and honorably far happier and healthier incidentally alongside those they've spent so long trying to exclude.

Men & Masculinities Michael S. Kimmel, Amy B. Aronson, 2003-12-11. The first encyclopedia to analyze, summarize, and explain the complexities of men's lives and the idea of modern manhood. The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work. But until now, the subject has had no authoritative reference source. *Men & Masculinities*, a pioneering two-volume work, corrects the oversight by summarizing the latest historical, biological, cross-cultural, psychological, and sociological research on the subject. It also looks at literature, art, and music from a gender perspective. The contributors are experts in their specialties, and their work is directed, organized, and coedited by one of the premier scholars in the field, Michael Kimmel. The coverage brings together, for the first time, considerable knowledge of men and manhood, focusing on such areas as sexual violence, intimacy, pornography, homophobia, sports, profeminist men, rituals, sexism, and many other important subjects. Clearly, this unique reference is a valuable guide to students, teachers, writers, policymakers, journalists, and others who seek a fuller understanding of gender in the United States.

Women, Men, & Gender Mary Roth Walsh, 1997-01-01. Offers pro and con positions on eighteen gender studies issues, including research priorities, pornography, sexual orientation, gender impact on knowledge.

Men Confront Pornography Introduction

In the digital age, access to information has become easier than ever before. The ability to download Men Confront Pornography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Men Confront Pornography has opened up a world of possibilities. Downloading Men Confront Pornography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Men Confront Pornography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Men Confront Pornography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Men Confront Pornography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Men Confront Pornography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Men Confront Pornography has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
