The Menorah Treasury Leo Walder Schwarz, 1964 **The Menorah Treasury** Leo Walder Schwarz, 1973 The Menorah Treasury. Harvest of Half a Century. D. by Leo W. Schwarz Leo W.. Schwarz, 1964 **The New York Intellectuals, Thirtieth Anniversary Edition** Alan M. Wald, 2017-10-10 For a generation Alan M Wald s The New York Intellectuals has stood as the authoritative account of an often misunderstood chapter in the history of a celebrated tradition among literary radicals in the United States His passionate investigation of over half a century of dissident Marxist thought Jewish internationalism fervent political activism and the complex art of the literary imagination is enriched by more than one hundred personal interviews unparalleled primary research and critical interpretations of novels and short stories depicting the inner lives of committed writers and thinkers Wald s commanding biographical portraits of rebel outsiders who mostly became insiders retains its resonance today and includes commentary on Max Eastman Elliot Cohen Lionel Trilling Sidney Hook Tess Slesinger Philip Rahv Mary McCarthy James T Farrell Irving Kristol Irving Howe Hannah Arendt and more With a new preface by the author that tracks the rebounding influence of these intellectuals in the era of Occupy and Bernie Sanders this anniversary edition shows that the trajectory and ideological ordeals of the New York intellectual Left still matters today **New York Women of Wit in the Twentieth Century** Sabrina Fuchs Abrams, 2023-12-05 Seen as too smart too sassy too sexy and too strident female humorists have been resisted and overlooked New York Women of Wit in the Twentieth Century corrects this tendency focusing on the foremothers of women s humor in modern America who used satire irony and wit as indirect forms of social protest This book focuses on the women who stood on the periphery of predominantly male New York intellectual circles in the twentieth century Sabrina Fuchs Abrams argues that the advent of modernism the women s suffrage movement the emergence of the New Woman and the New Negro Woman and the growth of urban centers in the 1920s and 30s gave rise to a new voice of women s humor one that was at once defiant and conflicted in defining female identity and the underlying assumptions about gender roles in American society Her study gives special attention to the contributions of the satirists Edna St Vincent Millay pseudonym Nancy Boyd Tess Slesinger Dorothy Parker Jessie Redmon Fauset Dawn Powell and Mary McCarthy Grounded in theories of humor feminist and critical race theory and urban studies this book will find an audience among scholars and students interested in women writers feminist humor modern American literature and African American studies *The Menorah Journal* ,1916 **The Rebbe** Samuel Heilman, Menachem Friedman, 2010-05-10 The story of one of the most compelling religious leaders of modern times From the 1950s until his death in 1994 Menachem Mendel Schneerson revered by his followers worldwide simply as the Rebbe built the Lubavitcher movement from a relatively small sect within Hasidic Judaism into the powerful force in Jewish life that it is today Swept away by his expectation that the Messiah was coming he came to believe that he could deny death and change history Samuel Heilman and Menachem Friedman paint an unforgettable portrait of Schneerson showing how he

reinvented himself from an aspiring French trained electrical engineer into a charismatic leader who believed that he and his Lubavitcher Hasidic emissaries could transform the world. They reveal how his messianic convictions ripened and how he attempted to bring the ancient idea of a day of redemption onto the modern world's agenda. Heilman and Friedman also trace what happened after the Rebbe's death by which time many of his followers had come to think of him as the Messiah himself. The Rebbe tracks Schneerson's remarkable life from his birth in Russia to his student days in Berlin and Paris to his rise to global renown in New York where he developed and preached his powerful spiritual message from the group's gothic mansion in Crown Heights Brooklyn. This compelling book demonstrates how Schneerson's embrace of traditionalism and American style modernity made him uniquely suited to his messianic mission. Jewish Migration in Modern Times Semion Goldin, Mia Spiro, Scott Ury, 2020-06-09 This collection examines various aspects of Jewish migration within from and to eastern Europe between 1880 and the present. It focuses on not only the wide variety of factors that often influenced the fateful decision to immigrate but also the personal experience of migration and the critical role of individuals in larger historical processes. Including contributions by historians and social scientists alongside first person memoirs the book analyses the historical experiences of Jewish immigrants the impact of anti Jewish violence and government policies on the history of Jewish migration the reception of Jewish immigrants in a variety of centres in America Europe and Israel and the personal dilemmas of those individuals who debated whether or not to embark on their own path of migration. By looking at the phenomenon of Jewish migration from a variety of disciplinary perspectives and in a range of different settings the contributions to this volume challenge and complicate many widely held assumptions regarding Jewish migration in modern times. In particular the chapters in this volume raise critical questions regarding the place of anti Jewish violence in the history of Jewish migration as well as the chronological periodization and general direction of Jewish migration over the past 150 years. The volume also compares the experiences of Jewish immigrants to those of immigrants from other ethnic or religious communities. As such this collection will be of much interest to not only scholars of Jewish history but also researchers in the fields of migration studies as well as those using personal histories as historical sources. This book was originally published as a special issue of *East European Jewish Affairs*.
