No acting please Eric Morris, 1977 **Freeing the Actor** Eric Morris, 2011-07-29 Freeing the Actor is the seventh in a series of books by Eric Morris which explain and describe his unique system of acting His previous books are among the most popular texts used by students and professional actors alike In this book which is totally aimed at the instrument Eric has implemented a complete approach to eliminating the obstacles dependencies traps and habits that plague and block actors from functioning from an authentic organic place Historically most acting coaches and teachers have failed to adequately address the instrumental problems that cripple actors By teaching them how not to act Eric has influenced scores of people to become experiential actors His teaching has led them to understand that they must experience in reality what the character is experiencing in the material In order to accomplish that they must be instrumentally free to connect with and express their authentic emotional realities Liberating the instrument allows them to access all the colors of their emotional rainbow
