The Gold Crusades
 Douglas Fetherling, George Fetherling, 1997-01-01 Among the hordes of starry eyed argonauts who flocked to the California gold rush of 1849 was an Australian named Edward Hargraves He left America empty handed only to find gold in his own backyard The result was the great Australian rush of the 1850s which also attracted participants from around the world A South African named P J Marais was one of them Marais too returned home in defeat only to set in motion the diamond and gold rushes that transformed southern Africa And so it went Most previous historians of the gold rushes have tended to view them as acts of spontaneous nationalism Each country likes to see its own gold rush as the one that either shaped those that followed or epitomized all the rest In *The Gold Crusades A Social History of Gold Rushes 1849 1929* Douglas Fetherling takes a different approach Fetherling argues that the gold rushes in the United States Canada Australia New Zealand and South Africa shared the same causes and results the same characters and characteristics He posits that they were in fact a single discontinuous event an expression of the British imperial experience and nineteenth century liberalism He does so with dash and style and with a sharp eye for the telling anecdote the out of the way document and the bold connection between seemingly unrelated disciplines Originally published by Macmillan of Canada 1988 [100 Events That Shaped World History](#) Bill Yenne, 1993-07-28 Discover the fascinating stories behind the most important events of all time in this history book for kids 8 and up From the founding of Rome to people walking on the moon 100 Events That Shaped World History introduces kids to the greatest discoveries most important battles and most pivotal movements that changed the course of human history This history book for kids features 100 easy to read stories of important moments in history Find out how the modern world came to be Illustrated images Each page includes an illustration to help bring history to life A timeline trivia questions project ideas and more Boost your learning and test your knowledge with fun activities and resources Engaging and packed with facts this book is the perfect classroom resource or history gift for curious kids [Gold Rush](#) Jim Richards, 2016-09-01 When young Jim Richards left the army to make to chase a dream he had no language skills no money and no idea just the kind of gold lust that has driven fortune hunters throughout history And when he struck gold and diamonds in the remote rivers of Guyana his problems and his success grew in equal measure Jim Richards has done it all dived for diamonds in the piranha infested rivers of South America discovered a fabulously rich goldmine in the Australian outback got caught up in the world s biggest mining scam in Indonesia and even started a gold rush in the war torn jungles of Laos
