*Numerology For The Beginner* Michelle Northrup,2019-09-14 Buy the paperback version of this book and get the kindle version FREE Have you ever wondered why certain things keep happening to you Do you keep running into the same types of problems over and over again and can t figure out why or how to stop them Are you unsure about your purpose in life Do you wonder what your future holds for you It might be time to dig a little deeper into who you are and uncover what makes you you There are a few different ways you can learn about yourself and what your future holds in store but have you started looking for answers There are many different methods for uncovering your destiny and your life s path Numerology is one of those methods You may have also heard or researched astrology tarot and other mystical or spiritual methods for finding yourself The deeper you dig the more confusing those methods might become for you If you are bad at math especially geometry you may find astrology nearly impossible to decide on your own In addition you need to learn the meanings of several astrological and cosmic entities to be accurate Tarot is similar in the sense that you need to learn the meaning and interpretation of several different suits and images It can be confusing and challenging but numerology is not like that at all Numerology is all about reading your numbers You have certain recurring numbers throughout your life that influence your past present and future And thankfully these numbers aren t complex In fact they are pretty much only numbers 1 through 9 This means once you learn these nine vibrations you can read any part of your life well There are six main numbers related to your birthdate and your name These six reveal various truths and hidden secrets about you But beyond that there are many other revelations in your numbers You can learn things like how you handle or interact with money what motivates you and even your passion that lurks underneath

It can be scary to dig into your deeper self and uncover why you are or aren't bringing to life things you need and desire. It can be hard to hear that you are not good with money or relationships. It can be hard to discover why you struggle in social situations or wonder about your purpose in life. But when you open yourself up to the answers, there is infinite opportunity to live the life you were born to enjoy. In this book, you'll learn the history behind numerology, the basic science of numerology, how the numbers relate to the various aspects of your self, what patterns of numbers reveal, how your numbers relate to your phases in life and when those phases occur, the connection of numerology to astrology and tarot, how your numbers reveal your relationships, the numbers related to your interactions with wealth, motivation, and your passions. And so much more. The best thing about numerology is that it is really easy to learn. Once you have figured out the equation for the different numbers, you can provide anybody with a numerology reading. It's a simple way to get a little insight into your life. If you are looking to learn a new skill or if you just want to learn something fun and easy to understand, then this is the perfect book for you. **Tarot** Alex Sanderson, 2023-01-13 Have you always been fascinated by the esoteric and mysterious world of the Tarot? Would you like to delve deeper and learn more about the divinatory art and how to use it to your advantage to catch signs about our future in advance? There are so many psychic people, so many fortune tellers, and a variety of astrologers who try to grasp the future ahead of us using different tools. Are they really all charlatans, or is there some truth to it? In parascientific parlance, the ability to be able to read the future is not an innate gift only of vati soothsayers and clairvoyants, but a power that can be assimilated with the awareness of one's intuitive qualities. You have undoubtedly happened to think you had a sixth sense about something that then occurred soon after. Your presumption that you got it right has always actually implied a genuine free expression of precognition. Don't be influenced by what others think. Give yourself a chance to understand if you perceive something. Beginning with the historical origins of tarot, how it developed and what task and meaning it takes on today, this book will offer you a complete step-by-step, full-color guide to interpreting what lies behind each card, from the iconography and allegory of the Major Arcana to the numerology and symbolism of the Minor Arcana. HERE'S WHAT YOU'LL FIND INSIDE THE BOOK: Historical origins and characteristics of tarot cards. What task they perform in fortune telling. The 22 cards of the Major Arcana: a detailed guide to the archetypal meanings and specific correlation in the presence of the four different minor suits. The 56 cards of the Minor Arcana: four suits, four elements, four pentacles from 1 to 10. Revelation of their general expression and characteristics in brief in relation to the majors. The interpretation of the uncovered tarot cards: straight card and reversed card. How to turn the cards the wrong ways and the correct way. The main methods of reading: The Games, Game of Tomorrow, Game of Yes and No, Game of Love, but also more complex ones such as the Game of the Fan or the Gypsy Methodology. Useful tips, the ritual of consecration, and much more. Reveal what's in store for you. Buy the most complete and illustrated Tarot Tome today.
