Supersong and Sunshine live in the last tribe of the Nekojin race The other tribes have been wiped out by the Great War and starvation Sunshine was not a native to the Nekojin but they accepted her when they learned of her horrible past The challenges of Sunshines past push both Supersong and the Nekojin from Fire With a new threat rising against the Nekojin from Fire and Sunshines struggles what will happen Will this mark the end of the Nekojin Era Will Sunshine get over her past What will become of Supersong and Sunshine      **The American Journal of Nursing** ,1927      Education Directory ,1977
