Glusman, 2006-04-25 The fierce bloody battles of Bataan and Corregidor in the Philippines are legendary in the annals of World War II Those who survived faced the horrors of life as prisoners of the Japanese In *Conduct Under Fire* John A Glusman chronicles these events through the eyes of his father Murray and three fellow navy doctors captured on Corregidor in May 1942 Here are the dramatic stories of the fall of Bataan the siege of the Rock and the daily struggles to tend the sick wounded and dying during some of the heaviest bombardments of World War II Here also is the desperate war doctors and corpsmen waged against disease and starvation amid an enemy that viewed surrender as a disgrace To survive the POWs functioned as a family But the ties that bind couldn t protect them from a ruthless counteroffensive waged by American submarines or from the B 29 raids that burned Japan s major cities to the ground Based on extensive interviews with American British Australian and Japanese veterans as well as diaries letters and war crimes testimony this is a harrowing account of a brutal clash of cultures of a race war that escalated into total war Like *Flags of Our Fathers* and *Ghost Soldiers* *Conduct Under Fire* is a story of bravery on the battlefield and ingenuity behind barbed wire one that reveals the long shadow the war cast on the lives of those who fought it *Coming Out Under Fire* Allan Berube, 1990 Among the many histories of fighting men and women in World War II little has been written about the thousands of homosexuals who found themselves fighting two wars one for their country the other for their own survival as targets of a military policy that sought their discharge as undesirables To write this long overdue chapter of American history Allan B rub spent ten years interviewing gay and lesbian veterans unearthed hundreds of wartime letters between gay GIs and obtained thousands of pages of newly declassified government documents While some gay and lesbian soldiers collapsed under the fear of being arrested interrogated discharged and publicly humiliated many drew strength from deep wartime friendships Relying on their own secret culture of slang body

language and camp to find each other and build spontaneous communities they learned both on and off the battlefield to be proud of their contribution and of who they were From publisher description At Home and under Fire Susan R.

Grayzel,2012-01-09 Although the Blitz has come to symbolize the experience of civilians under attack Germany first launched air raids on Britain at the end of 1914 and continued them during the First World War With the advent of air warfare civilians far removed from traditional battle zones became a direct target of war rather than a group shielded from its impact This is a study of how British civilians experienced and came to terms with aerial warfare during the First and Second World Wars Memories of the World War I bombings shaped British responses to the various real and imagined war threats of the 1920s and 1930s including the bombing of civilians during the Spanish Civil War and ultimately the Blitz itself The processes by which different constituent bodies of the British nation responded to the arrival of air power reveal the particular role that gender played in defining civilian participation in modern war Courage Under Fire Fiorella De Maria,2024-05-23 This

historical novel for young people is about the heroic life of Father Willie Doyle S J an Irish Jesuit priest who sacrificed his life serving wounded soldiers in World War I Father Doyle enjoyed a happy privileged Victorian childhood in Ireland Growing up in a loving faithful Catholic family he heard the call to serve God as a priest from a very young age Shortly after his ordination the First World War broke out and Father Willie volunteered to serve as a chaplain to the thousands of Irish soldiers fighting in France This joyful holy brave and compassionate priest left the country he loved and ministered to soldiers in the hell of the trenches dodging bullets and bombs to ensure that dying soldiers could receive the sacraments By the time he was killed trying to help a wounded soldier Father Willie had become greatly loved and esteemed by both Catholics and Protestants fighting in the war The cause for the canonization of Father Willie Doyle has recently been opened in Rome G.I. Nightingales Barbara Tomblin,2003-11-28 Weaving together information from official sources and personal

interviews Barbara Tomblin gives the first full length account of the U S Army Nurse Corps in the Second World War She describes how over 60 000 army nurses all volunteers cared for sick and wounded American soldiers in every theater of the war serving in the jungles of the Southwest Pacific the frozen reaches of Alaska and Iceland the mud of Italy and northern Europe or the heat and dust of the Middle East Many of the women in the Army Nurse Corps served in dangerous hospitals near the front lines 201 nurses were killed by accident or enemy action and another 1 600 won decorations for meritorious service These nurses address the extreme difficulties of dealing with combat and its effects in World War II and their stories are all the more valuable to women s and military historians because they tell of the war from a very different viewpoint than that of male officers Although they were unable to achieve full equality for American women in the military during World War II army nurses did secure equal pay allowances and full military rank and they proved beyond a doubt their ability and willingness to serve and maintain excellent standards of nursing care under difficult and often dangerous conditions The Ladies' Repository ,1869 The idea of this women s magazine originated with Samuel Williams a Cincinnati Methodist who

thought that Christian women needed a magazine less worldly than Godey's Lady's Book and Snowden's Lady's Companion. Written largely by ministers, this exceptionally well-printed little magazine contained well-written essays of a moral character, plenty of poetry, articles on historical and scientific matters, and book reviews. Among western writers were Alice Cary, who contributed over a hundred sketches and poems; her sister Phoebe Cary; Otway Curry; Moncure D. Conway; and Joshua R. Giddings. New England contributors included Mrs. Lydia Sigourney, Hannah F. Gould, and Julia C. R. Dorr. By 1851, each issue published a piece of music and two steel plates, usually landscapes or portraits. When Davis E. Clark took over the editorship in 1853, the magazine became brighter and attained a circulation of 40,000. Unlike his predecessors, Clark included fictional pieces and made the Repository a magazine for the whole family. After the war, it began to decline and in 1876 was replaced by the National Repository. The Ladies Repository was an excellent representative of the Methodist mind and heart. Its essays, sketches, and poems, its good steel engravings, and its moral tone gave it a charm all its own. Cf. American periodicals, 1741-1900.

pathos enough in the sick room and in the presence of death but those who come in touch with it would do better to hush the knowledge in their hearts rather than to proclaim it on the house tops Apart from this the world must be a little weary of the astute sick child who lisps melodrama into the ear of the kind nurse as well as of the bizarre aphorisms of the dying tramp
